

# WILL OPERATE THE CANNERY

## Manager Holcomb is Arranging for Active Operations

THE MACHINERY OF THE PLANT HAS BEEN THOROUGHLY OVERHAULED, AND THE START WILL BE MADE TOMORROW - WORK FOR A HUNDRED HANDS.

(From Thursday's Statesman.)  
Manager G. W. Holcomb, of the Oregon Packing Company, was in the city yesterday superintending the preparations for starting the Salem cannery upon the season's pack. The machinery has been overhauled throughout and everything is in readiness and Mr. Holcomb said that the start would be made tomorrow, Friday, or Saturday sure. He thought that the factory would start up with about 100 hands and increase with the demand. The strawberry crop is somewhat late this season, but as about 45 acres have been contracted with the Fruit Growers' Union, Mr. Holcomb feels confident that the plant will be kept busy all season following strawberries with cherries.

Pfauf, widow, was appointed executrix and Mark Capps, executor, according to the provision of the will. The estate, which consists of a 313-acre farm in Polk county, a house and lot in North Salem, and some personal property, was valued at \$12,000 and is to be divided among the widow and two daughters, Mrs. N. J. Stump and Mrs. Effie M. Capps, both of this city.

A motion was filed in the county probate court yesterday by Wm. Foley et al., in the matter of the estate of B. Delorme, deceased, to strike out part of the funder and separate answer of J. F. T. B. Britano, by P. H. D'Arcy, attorney for the petitioner.

## AN EXCELLENT PROGRAM

### EXERCISES BY THE GRADUATING CLASS OF THE NORTHWEST NORMAL COLLEGE.

(From Thursday's Statesman.)  
The graduating class of the Northwest Normal College gave an interesting entertainment at the college auditorium last evening. The exercises consisted of orations, essays, and vocal and instrumental music.  
Mr. C. A. Lewis gave a well prepared oration on "Retaining Our Inalienable Possessions." His arguments were clear and forcible. Miss Cora Talkington read a carefully prepared paper. Her subject was "Conjugation of the verb 'Do'." She gave numerous illustrations of men who understood the art of "doing" in its highest sense. The paper showed a good knowledge of history, and the reading of it received very close attention throughout.  
Perhaps the best number of the evening was the oration on Lafayette by P. H. Lauffman. It was a scholarly production and was delivered with much spirit and grace of action.  
The music was provided by the College of Music and was a pleasing part of the program. The College of Music will give a piano and voice recital at the college auditorium on Friday evening.

## FARM RESIDENCE BURNED

### HOME OF R. L. SWARTS DESTROYED WITH CONTENTS—THE FAMILY WAS AWAY.

(From Thursday's Statesman.)  
The residence of R. L. Swarts, five miles east of this city on the Enger road, was burned to the ground on Tuesday afternoon. Mr. and Mrs. Swarts were at Meadow Lake at the time, and there were only two ladies and a small child in the house, and consequently nothing could be done to save the property, while all clothing, bedding and furniture, in the house, was destroyed. The fire caught in the roof from the kitchen stove, and before it was discovered the entire building was in flames. The loss is \$1200 to \$1500, and there was no insurance. The house is known as the Kabler property and has only been occupied by Mr. Swarts and family for a year or so.

## UNITED FOR LIFE

### MR. F. L. WEST AND MRS. MARGARET A. SIMPSON WERE MARRIED LAST NIGHT.

(From Thursday's Statesman.)  
A quiet wedding took place at the residence of F. L. West, on the corner of Owens and Saginaw streets, South Salem, at 8:30 o'clock last night, when that gentleman was joined in happy wedlock to Mrs. Marguerite A. Simpson of this city. Only a few of the relatives and friends of the contracting parties witnessed the simple yet impressive ceremony which was performed by Rev. K. C. Blackwell, of the Leslie M. E. church. The bride is quite well known and highly respected in this city and the groom is also well known being the engineer at the Capital City Ice Works which position he has filled very competently the past two years. The happy couple will reside in this city.

## DR. DARRIN'S TREATMENT

### STARTLING ILLUSTRATION OF WHAT CAN BE ACCOMPLISHED BY ELECTRICITY.

The philosophy of his treatment may be briefly stated thus: Force is spirit in motion. Vital force is organic motion, or the proper movement of the organized particles as they pass to and fro from the human system Disease, in a word, is obstruction—the result of an impaired vital force, and it is at least accompanied, if not caused, by deranged organic motion. These derangements can only be radically removed by inducing the recurrence of the normal or healthy action. A cure can only be effected by calling in the aid of the electro-magnetic or vital forces, which are concerned in all organic changes. So powerful is this influence that persons who have many years suffered, have been restored to health in an almost incredible space of time. Dr. Darrin's system will not restore a lost member of the body, or perform other impossibilities, but it will, in a majority of cases, give relief and cure where other remedies have failed. The practice is based upon the most strict laws of science, and is in harmony with all natural laws. Physicians of every practice not only acknowledge this power, but receive the treatment for themselves and their families, as well as recommend the treatment. Read the following:

### Mrs. Karg's Grateful Tribute.

Leland, Or., Nov. 14, 1900.  
Mr. Editor:—Please publish this for the benefit of those who are afflicted with sciatic rheumatism. I had it and was cured by Dr. Darrin. I took sciatic rheumatism in November, 1896, and had it till November, 1898. My body was all drawn and bent to the right side! the pain was terrible in my back and hips to my knees; sometimes I had to go on crutches, then again I could get so I could walk with a cane; then all at once I would be so I could not get out of my bed; my husband would have to put me in a chair; I suffered everything for two years. I took all kinds of remedies I could hear of for sciatica, but they failed to do any good. Then I heard that Dr. Darrin was in Grants Pass; I made up my mind I would go and see him; I could only take a few steps at a time with the aid of a cane, then I would have to stop and rest. I took the first electric treatment on the 27th of September, 1898; on the 28th I went again and took another. At the end of four hours, after I took the second treatment, I could walk all around the house without a cane and that evening I went out in town to three different stores and bought a few articles and then I went to the depot and took the train and came to Leland. My daughter, Mrs. Walter, met me at the depot without assistance, my daughter said to me: "Why mother?" Then she said, "How do you feel?" I told her I was getting well. We would laugh and cry together to think what a great change I had gone through in such a few hours. In a week I was doing my housework. My case was a severe one. Dr. Darrin gave me three months' treatment, but at the end of six weeks I felt so well that I quit using the electricity. The treatment he gave me was electricity and medicine. I haven't had the slightest symptoms of sciatica since.  
I hope all those who are afflicted with sciatica will go to Dr. Darrin. He will cure them as he cured me.  
Yours truly,  
Mrs. G. Karg.

Mrs. McDonald came to Oregon with her parents, John and Mary Stewart, in 1845, and settled at Corvallis. She was educated at the Willamette University at an early day in the early history of that institution. She was a very faithful member of the Methodist church from childhood, and died in the full faith of the Christian religion.  
The surviving members of her family are as follows: Francis Scott, Garfield, Wash.; Columbus Scott, Corvallis; Mrs. Sarah Miller, Milton; Mrs. Addie E. Barger, Salem; Mrs. A. L. Alberts, Salem, and Christopher Reininger, Chicago. Calvin Stewart, Albany, is a brother, and Mrs. M. A. Dice, Brownsville, and Mrs. Scridania Swick, Corvallis, are sisters.  
**Whooping Cough**  
My little son had an attack of whooping cough and was threatened with pneumonia; but for Chamberlain's Cough Remedy we would have had a serious time of it. It also saved him from severe attacks of croup.—H. J. Shrickfaden, editor World-Herald, Fair Haven, Wash. For sale by Dr. Stone's Drug Stores.

# THE MURDERED MEN BURIED

## Funerals of the Unfortunate Prison Guards Yesterday

### REMAINS OF FERRELL, TIFFANY AND JONES LAID TO REST BY LOVING HANDS—IMPRESSIVE SERVICES AND BEAUTIFUL FLORAL OFFERINGS.

(From Thursday's Statesman.)  
Yesterday the funerals of the three unfortunate prison guards, murdered on Monday by Tracy and Merrill, the escaped desperadoes, were held, and seldom have friends in this county attracted so large crowds of friends and sympathizing neighbors, as did these held yesterday.

The funeral of Frank B. Ferrell was held from the David Simpson residence on East State street, and a crowd numbering many hundreds, friends and acquaintances of the deceased and of the family were in attendance. The funeral services, one of the most impressive ever held in Salem, was conducted in the shade of the beautiful forest trees in the yard of the Simpson home. In these cool shades the casket was placed, and flowers and floral pieces heaped up around it, the gifts of friends. Rev. P. S. Knight conducted the services, while the choir from the Central Congregational church beautifully rendered appropriate selections. Rev. Knight, in the course of his remarks made use of the following statement, which touched a responsive chord in every heart:

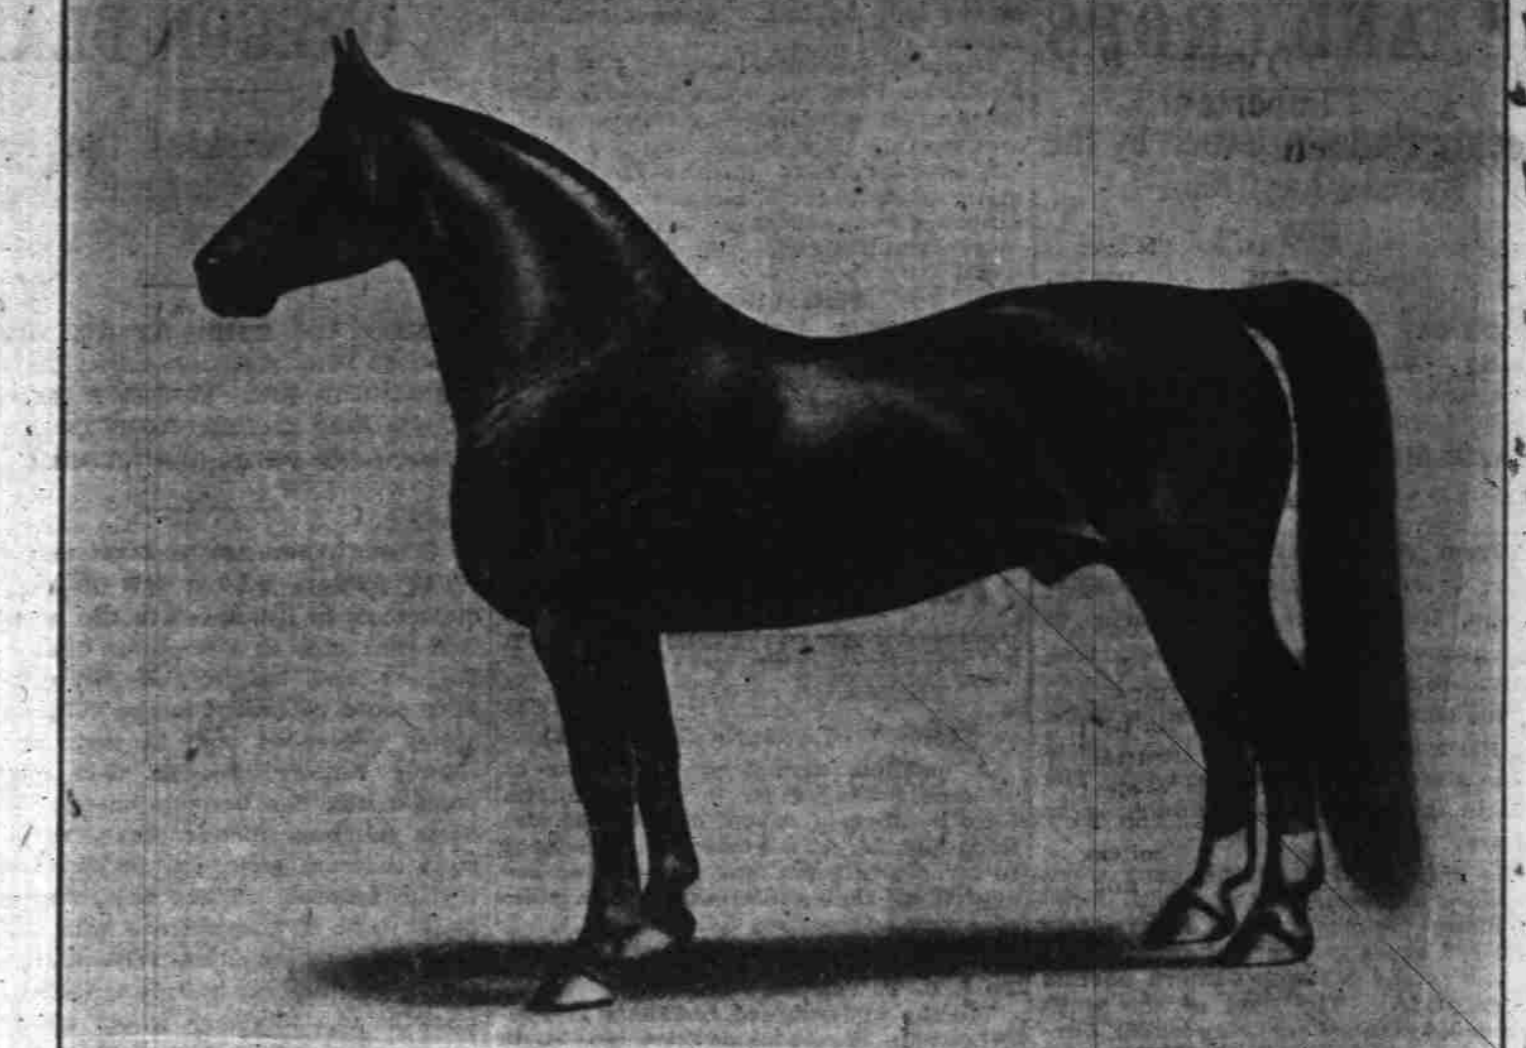

"Not only as fellow creatures should we give our sympathy in their sad hour to the relatives and family of Frank Ferrell, but as citizens we should remember that he died at a post of danger, as truly a martyr to liberty and law, and to all high interests of the commonwealth as though he had died on the field of battle."  
Following the services, the Woodmen of the World took charge of the remains of the murdered guard, and escorted them to the Rural cemetery, where, in the Ferrell burial lot, they were tenderly laid to rest, with the beautiful and impressive burial service of the Woodmen order. It was one of the most affecting funerals ever seen in the city, and the parting of the grief-stricken family from the loved form of the deceased only intensified the indignation all felt for the ruthless and wanton slayers of the young men.

The remains of B. F. Tiffany were buried from the residence of B. F. Southwick, on 13th and Center streets. Rev. John Parsons conducted the services, and a large concourse of friends and neighbors were present to sympathize with the deeply stricken family. The floral offerings, as at the Ferrell funerals, were numerous and beautiful. The remains were tenderly laid to rest in a slightly walled in the City View cemetery.  
The funeral of S. R. T. Jones, the third of the victims of the murderous fury of the convicts, was held at Hubbard yesterday, at 11 a. m., under the auspices of the Odd Fellows and Workmen, to which orders he belonged. The floral pieces sent by friends from this city and throughout the state, were many and beautiful.

Life.  
The poet's exclamation: "O Life! I feel, thee bounding in my veins!" is a joyous one. Persons that can rarely or never make it, in honesty to themselves, are among the most unfortunate. They do not live, but exist; to live is to live implies more than to be. To live is to be well and strong—to arise feeling equal to the ordinary duties of the day, and to retire not overcome by them—to feel life bounding in the veins. A medicine that has made thousands of people, men and women, well and strong, has accomplished a great work, bestowing the richest blessings, and that medicine is Hood's Sarsaparilla. The weak, run-down, or debilitated, from any cause, should not fail to take it. It builds up the whole system, changes existence into life, and makes life more abounding. We are glad to say these words in its favor to the readers of our columns.

### MALCOLM

When W. G. Eaton brought the trotting bred stallion Malcolm to Oregon and placed him in the stud here he did a good thing for the breeding industry of this state. Malcolm combines the blood of two world's champions, Cresceus 2:02 1/2 and Nancy Hanks 2:01. He was sired by Robert M'Gregor, sire of the world's greatest trotter Cresceus 2:02 1/2 and many others in the list. First dam Maggie Medium (dam of Irma 2:18 1/2; Lady Aegon 2:24 1/2; granddam of Kattie A. 2:18 1/2, Tekmar 2:22 1/2 and Highland Baron 2:30), by Happy Medium, sire of the world's champion Nancy Hanks 2:01 and 93 others; sire of 52 sires of 255 in the list and 68 dams of 98 performers. Second dam Maggie Keene (dam of Happy Damsel 2:26 1/2, Spanish Maiden 2:29 1/2; granddam of Nyausa 2:12 1/2, Margrave 2:15 1/2, Irma 2:18 1/2, Lexie May 2:20 1/2, Lady Aegon 2:24 1/2, Cuban 2:23 1/2, and Ida K. 2:28 1/2) by Mambriño Patchen 58, sire of the world's champion Mambriño Patchen 58, sire of 25 in the list. His sons have sired: Lady of the Manor 2:04 1/2, Heir-at-Law 2:05 1/2, Lord Derby 2:06 1/2, Mocking Bird 2:08 1/2, Nightingale 2:08, Dare Devil 2:09, Moonstone 2:09. Their daughters have produced The Abbott 2:03 1/2, Shadow Chimes 2:06 1/2, Cornell Chimes 2:07 1/2, The Monk 2:08 1/2, Ed Eaton 2:08 1/2, Jersey Mac 2:09 1/2, Alerton 2:09 1/2. His own daughters have produced: Ralph Wilkes 2:06 1/2, June 2:07 1/2, Crawford 2:07 1/2, Brightlight 2:08 1/2, Bouncer 2:09, Bourbon Patchen 2:09 1/2, Rubber 2:10 and 141 others.  
Third dam Laura Fair, (dam of Keene Jim 2:19 1/2; granddam of Happy Damsel 2:26 1/2, Spanish Maiden 2:29 1/2), by Rattler 501, sire of Sophia Temple 2:27, Gen. Picton 2:09; a grandson of Black Hawk 5, a Morgan horse.  
Malcolm is not only a horse of good breeding, but he has size and quality, being well formed, fine action, good disposition and weighs 1400 pounds. The fact that Mr. Larrabee kept him on his breeding farm in Montana for a number of years is the best evidence of his being an exceptionally good sire of high class horses.  
Mr. Larrabee has owned Malcolm since a colt and has kept him on his Brook Nook Ranch for breeding purposes, where he breeds a high class horse for driving and carriage purposes, mostly for the Eastern market. To show the valley farmers about what kind of colts they may expect to get from Malcolm, we publish a letter Mr. Eaton received from Mr. Larrabee a short time ago which reads as follows:

"I see by the Rural Spirit that you have sold Special Telegram and trust that you received a good price for him. I have just returned from the ranch and had a good time and sold two span of horses while there by Malcolm, one a span of mares, four and five year old, light sisters, out of Kolia, by Tempest 1881, son of Almont 33. They were bays, 15 3/4 hands and very closely matched. The other team was a pair of chestnuts, 15 2 1/2 hands, also closely matched, for \$750 per team. Both teams went to Butte parties, one buyer is president of a bank and the other a physician.  
"They are both very much pleased with them, one says that he would not take \$3000 and the other values his team at \$2500, so you see that they think very highly of them. They are said to be the two nicest teams in Butte. They are very handsome, of good action and have speed. You will remember that I told you that Ala-

most mares would make a good nick with Malcolm. The sale of this pair of mares mentioned above proves this. I also bargained away a two-year-old colt by Lambert Boy, out of a Morgan mare, for \$300, so you see the Morgans are well thought of too.  
Malcolm will be in the stud this season at Holmes' Gap, Dallas, Independence and Salem. His picture appears in our paper this week.
