## Their Work in the West Has Damaged White Labor

A MINERWORKERS' OFFICIAL HAS GONE TO WEST VIRGINIA TO DIRECT THE MOVEMENT OF THE STRIKERS—MAY VIOLATE INJUNCTION ORDERS.

CLEVELAND, O., Aug. 12.—The National Convention of United Garment Workers today ordered a general committee to pay special attention during the coming year to the matter of Chinese labor in the West. It is said that 5000 Celestials are employed as garment makers in that section of the country, and that the low wages for which they work have destroyed the possibility of a fair wage scale.

### The Injunction Order.

Charleston, W. Va., Aug. 12.—Secretary W. B. Wilson, of the Mineworkers of America, who is here, stated today that the object of his visit was to direct the movement of the strikers, and that he would observe the injunction order of the court as far as he believed the court had a right, until it became necessary to violate the court's order to carry on the business of the strike, when he would do so.

### One Strike Settled.

Wilkesbarre, Pa., Aug. 12.—President Mitchell stated today that he had received official information from Pittsburg that the strike of the coal miners along the West Pennsylvania Railroad was about settled and that the men would be back to work in a short time. He said it was gratifying to him to know that all such strikes were being settled. These would enable the miners' union to concentrate all its strength in the anthracite region and the West Virginia strike region. Mr. Mitchell said he was confident that the hard coal miners were going to win.

### Miners Released.

Parkeburg, W. Va., Aug. 12.—Judge Jackson today released Thomas Haggerty and six other members of the United Mineworkers who were serving 60 and 90 days in jail for contempt of court. The prisoners filed a petition for release, alleging that they had not known they were violating the injunction, and that they were not guilty of any crime. The court granted their release, and they were allowed to return to their homes.

### Senator Quay Appealed To.

Atlantic City, N. J., Aug. 12.—George Llewellyn, of the Citizens' Alliance of Wilkesbarre, called upon Senator Quay here and asked him to use his good offices in an endeavor to end the strike of the anthracite coal miners. Senator Quay, after talking with Mr. Llewellyn, said: "I am ready to do anything in my power to bring about a settlement of the strike in the anthracite region." The Senator said he deeply regretted the present difficulties and that he was willing to meet the miners and operators, or both, if it would aid in restoring industrial peace. Any suggestions, he said, that may be made by Chairman Llewellyn will be promptly taken under consideration.

According to the Gates faction, it is quite certain to gain control of the company at the annual meeting to be held in Denver the latter part of the month.

TACOMA, Aug. 12.—The Tacoma Tug & Barge Company's tug Fairchild has arrived from the salmon fishing grounds, after an absence of a few weeks, with the fishing boat. She has on board Buyer Smith, of the Pacific Cannery Company, of Vancouver, B. C. The run of sockeyes is now over.

ESPECIALLY WERE THE FOREIGNERS SUFFERERS, AND AMERICANS, ITALIAN AND DUTCH CONSULATES HAVE BEEN ROBBED—CRUISER CINCINNATI SAILS.

## PORT OF SPAIN, Trinidad, Aug. 12.—

The details of the fighting at Barcelona, Venezuela, show that the battle started Sunday, August 23, and the following Wednesday the revolutionists entered the city. On Friday the Government strongholds were carried, and the last survivors of the Government officers made one last stand after which at noon they surrendered. The dead on both sides numbered 167. All the houses were sacked and in some instances the women and children were maltreated and killed. All stores were pillaged, especially those belonging to the foreigners and the American, Italian and Dutch Consulates were pillaged.

United States Minister Bowen, at Caracas, has cabled the cruiser Cincinnati to go to Barcelona without delay.

## More Orders Issued.

WASHINGTON, Aug. 12.—Minister Bowen has cabled the State Department from Caracas that our Consul at Barcelona has been taken by the revolutionists, and that they are sacking the town, and that in his judgment the protection of a vessel should be immediately accorded him. Minister Bowen says he has cabled the Cincinnati to return without delay. He notes that the Topeka is at Porto Cabello and the Marietta up the Orinoco river. After a conference between the State and Navy Department officials in regard to Minister Bowen's dispatch the following instructions to the commander of the Topeka at Porto Cabello were prepared: "Vessel needed immediately at Barcelona. If you sail before the Cincinnati arrives from Cacao leave for her instructions cabled you yesterday." Before the instructions were sent the Cincinnati reported her arrival at Porto Cabello, whereupon the instructions were modified so as to direct that one of the ships proceed immediately to Barcelona. This leaves it discretionary with Captain McLean, of the Cincinnati, the senior officer present, to send the Topeka or go himself with the Cincinnati. The vessel which remains will be prepared to land blue jackets at Porto Cabello in case of necessity.

## Secret Revolutionists.

Vienna, Aug. 12.—The Arbeiter Zeitung declares the recent assassination of the officials in Russia to be the work of a vast secret revolutionary society which embraces the whole empire, and numbers 12,000 members. The society has ample funds, is well organized, and every member has sworn to give his life if required for the cause.

Shirley was then arrested, and his wound dressed. Shirley is a peaceable citizen, except when drunk, and the habit has got him into trouble before.

## A HORRIBLE MURDER

THE FOUR MISSING PHILIPPINE TEACHERS WERE KILLED—ONE BURIED ALIVE.

MANILA, Aug. 12.—An investigation by the constabulary to clear up the facts in the killing of a Cebu coaching party of four school teachers, shows that the party was ambushed twelve miles from Cebu. Two teachers were shot and killed at the first volley; a third, who ran, was shot in the back, and a fourth, who was captured, was shot in the chest while he was praying for mercy. It is suspected that the fourth man was buried alive, as his wound was slight, and probably would not have caused death. Dogs dug up two of the bodies and devoured the flesh.

It is believed that sufficient evidence has been secured to convict all the parties connected with the crime. The bodies of these teachers were found on July 24th, after the teachers had been missing since June 18th. The police killed the leader of the band of murderers and captured eight other alleged participants in the crime. One man escaped.

## WILL OWN JERUSALEM

DeHaas, an English Hebrew, secretary of the Federation of the American Zionists and a member of the Supreme Council of the order. He said that the success of Dr. Herzl's mission was practically assured, and the difficulties in the negotiations with the Sultan recently received concerned diplomatic features of the desired concessions to the Hebrews, and were not because of financial questions.

Louis Lipsky, chairman of the propaganda committee, presided, and the other speakers were Rabbi Isidore Myers, vice-president of the Federation of San Francisco; Rabbi Joseph Friedlander, formerly secretary of the English Zionist Federation, now of Beaumont, Tex., and Rabbi H. Maslanski, a well-known Zionist orator.

The parade marched through the principal business streets, past the reviewing stand at Main and Third South streets to the corner of First South and West Temple streets, where the parade was dismissed.

Perfect weather greeted the visitors. Last night's rain had laid the dust and cooled the atmosphere, and a cool breeze from the canyons made conditions perfect for the parade, which was witnessed by thousands, the crowds forming a solid mass on both sides of the streets along the whole line of parade.

The exercises at the Auditorium were brief though impressive. After prayer and a selection on the immense auditorium organ, the second in rank in the world, Grand Exalted Ruler Pickett, of Waterloo, Ia., was introduced and delivered his annual address.

G. E. Cronk of Omaha, was elected Grand Exalted Ruler at the Grand Lodge, E. P. O. Elks; W. B. Brock, of Lexington, Ky., was elected Grand Leading Knight; and Judge J. C. Pickett, of Denver, Colo., was elected Grand Loyal Knight, all by acclamation.

## IMITATORS OF TRACY

THREE SPOKANE BOYS IN TROUBLE—THEY SEARCHED FARM HOUSES FOR MONEY.

SPOKANE, Aug. 12.—Emulating the deeds and career of the notorious convict, Harry Tracy, three youthful Spokanites started on a tour of their own last Tuesday. They are alleged to have stolen a Winchester, money and ammunition and to have lived in a lawless and irregular way until yesterday when they were picked up by the police, and are now in jail, awaiting trial on the charge of burglary.

The youths are by name William Terrell, aged 14 years; Charles Dickey, aged 11, and a youth named Nash. The three, with what paraphernalia they could collect, left home Tuesday, and not satisfied with their outfit, they broke into a rancher's house just outside the city limits, and there appropriated the sum of \$15 in cash and a considerable amount of clothing and other goods.

Thus provided they started out in earnest, secured a rifle, by theft, so it is claimed, and proceeded as far as Coeur d'Alene city, Idaho. They soon tired of the experience, however, and returned Spokanewards, where they were picked up by officers yesterday.

It appears that the oldest of the party took possession of the rifle and stating that he was no longer "BIB" but Harry Tracy, made his companions stand around as he wished, and refused to let Dickey leave him when that youth announced his desire of returning home to mother. They will probably be sent to the Reform School, as this is not the first trouble of the kind they have been engaged in.
