Mr. Pettyjohn Cured of Deafness

To the Editor: For three years my hearing has gradually become impaired until the last year. I was almost totally deaf in one ear, and the other gradually going the same way. I was almost wild with noises in my ears. I had become desperate and went to Dr. Darrin at the Willamette Hotel though I had little faith in him or any remedy. The doctor assured me I could be cured and he has kept his word. The noises are all gone and I can hear a watch tick and a whisper across the room. Please publish this that others may profit by it. Refer to me at Hall's Ferry, six miles southwest of Salem.
