to his many patrons and friends Marion and Polk county, Greeting-This season will close my twentieth year as a clothing and furnishing goods dealer in Salem, and I feet proud in FINDS AN UNRULY VICTIM saying that I have a number of customers that tell me they have not in all those years bought a suit outside Passenger Shows Fight and of this store. Again it gives me pleasure to say that we have never enjoyed a better business than we are having at this time. To our already large stock of clothing and furnishing goods we have added a complete line of the THE Original Packard fine shoes for men-Our sale in this line has been far beyound our expectations. We believe that we give you a better shoe for the money than any other dealer in the city. Our clothing line will be the largest we ever carried and of the highest grades. While we intend to make a specialty of the higher grade clothing at the same time we will have in stock the medium and cheap grades so that we are always ready to accommodate our customers with any price suit wanted. Our line of fancy shirts was never more complete than now. We carry the famous Lion Brand noted for neat fitting and fast colors. . Together with other brands that enables us to sell fancy shirts from 50 cents up. Our hat stock, while it is not all in yet, we have en route from New York a very large lot of the very latest styles so that we expect to be headquarters for late style hats. It would be impossible in this short space to give a detailed description of all the different lines to be found in our stock but remember this, that every line usually carried in a clothing and gents' furnishing store is in our stock. No larger or better selected stock in the city of Salem. We hope to be able to say at the close of this year that 1902 was our banner year, and to make it so will be our greatest endeavor. So come and take a look through our stock. We will take the greatest TROUBLES pleasure in showing you through whether you buy or not.

THICK AND FAST

CONFRONT SQUAT-TERS ON UNALLOTTED POR-TIONS OF RESERVATION.

PILOT ROCK, Sept. 3.-Troubles have been coming thick and fast lately on the settlers along Upper McKay Creek, in Umatilla county. After locating, virtually squatting on unalloted portions of the Umatilla Indian reservation, breaking land and putting up fine homes and fixing for life, they are met by two announcements: First, that their farms are within the boundarles proposed for the New Eastern Oregon forest reserve; second, that the remaining unallotted lands, portions of which they hold, are to be put up at public auction. The settlers are in a

Uncertainty is the chief source of their anxiety, however, If the order for the sale of unallotted lands takes precedence over the forest reserve withdrawal, they will have ninety days' prior right to file under the terms of the Moody act putting the lands on sale If the reserve withdrawal takes precedence, the position of these settlers is apt to be worse. It is a rude jarring NAL AND CONDUCT A GENERAL in either case on their tranquility for TWO GIRLS FROM CHEMAWA

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, prenounced it incurable. Science has proven catarrh to be a constitutional disease, and, therefore, requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It s taken internally in doses from 10 drops to a teaspoonful. It acts direct- with the girls, returning them to Chemly on the blood and mucous surfaces awa. of the system. They offer one hundred dollars for any case it falls to cure. TWO GIRLS RAN AWAY

INDIAN TRAINING SCHOOL AR-RESTED AT GRANTS PASS.

GRANTS PASS, Sept. 3 .- Two girls who had run away from the Indian School at Chemawa, were taken in custody by the officers here yesterday morning. Their names could not be learned, as they were not inclined to be talkative, and were averse to giving out anything concerning their would-be destination or their cause for running away. Policeman Patrick received a telephone message from the Superintendent of the Chemawa Indian School yesterday morning telling him that two girls from the school had run away, and had purchased tickets from Salem to Grants Pass. He was instructed to watch out for the girls and stop them if they attempted to go farther.

The girls arrived on the morning passenger, and made their way to a hotel, where they were identified by the police and confessed to being the girls wanted. Deputy Marshal Randall left today
