

# THE MCKINLEY MEMORIAL

### Officers of the Association Urge Oregon to Contribute

THIS STATE STANDS ABOUT LOWEST IN THE LIST—GOVERNOR GREER ANSWERED, SAYING THE PEOPLE OF THIS STATE WOULD BE ASKED TO HELP.

Gov. T. T. Geer yesterday received a letter from F. S. Hartzell, Assistant Secretary of the McKinley National Memorial Association, Canton, Ohio, urging action in the matter of swelling the state's contribution to the memorial fund. The letter says in part: "In order that I may make a full and comprehensive statement of the affairs of the Memorial Association at a meeting of the trustees, which will be held in the near future, I write to ask you that you will acquaint me in detail with the condition of the fund in Oregon. Will you please have such funds as are now in your treasury remitted to Treasurer Myron T. Herrick, in Cleveland, and will you also give me the benefit of your opinion as to what further may be expected from the state?"

Another letter was received from the same gentleman urging renewed action in securing funds for the erection of the Memorial. "In it the writer says: "You will be surprised, and no doubt disappointed, to learn that very little has been done in your great state to assist in building the McKinley monument. The work has progressed so favorably in other localities that the monument is an assured fact, and there will be a meeting of the trustees of the Association within a few weeks, at which time some definite action will be taken toward beginning preliminary work. At this time a report will be submitted, showing what has been done by each state, and I am sure you would be sorry to have Oregon appear as last in such a list. I am endeavoring to enlist the assistance of some good man in each city in Oregon, whose attention can be attracted to our work, even if only for a day. I am taking the liberty of asking you also to give the matter the benefit of your influence and your brief attention, hoping through these channels to bring to the fund, even at this late date, such an amount as to make a creditable showing for your state."

The Governor answered both communications, stating that he would urge the people of Oregon to take up the matter with renewed vigor, and help Oregon's portion of the fund so that a satisfactory amount would be secured.

## NEW COMPANIES ORGANIZE

ARTICLES FILED IN THE DEPARTMENT OF STATE YESTERDAY.

In the State Department, yesterday, nine new companies were organized by filing articles. They are:

The South Pole Consolidated Gold Mines Company will operate in mines and mining, and do general development work, with headquarters in Sumner, and a capital of \$5,000,000. J. H. Robbins, Andrew Hansen and James H. Haley are the incorporators.

The Montezuma Gold Mining Company will do a general mining business with headquarters in Sumner, and a capital of \$1,000,000. J. R. Neill, R. L. Neill and Fred Turcotte are the incorporators.

The Black Butte Railroad & Coal Company will deal in mines, build railroads, do a general merchandise business and develop the country. The capital stock is \$1,000,000. Thomas Quaid, Henry Blackman and E. M. Matteson are the incorporators, and Heppner is the headquarters.

The North Pacific Brewing Company will operate a brewery and ice plant with headquarters in Astoria. John Kopp, Emil Schimpf and Joseph Schamberger are the incorporators, and the capital is \$200,000.

The White Island Fishing Company will engage in fishing, canning and marketing fish products, with headquarters at Portland. The capital is \$15,000, and Fritz Miller, E. House and L. A. McNary are the incorporators.

The White Swan Concert Band will maintain a musical organization in Baker City. The capital stock is \$10,000. L. E. Freitag, B. J. Lachner and James Chord are the incorporators.

The Lewis & Clarke Boom Company will engage in rafting and booming logs and handle timber and do general lumber business, with headquarters in Astoria, and H. F. Prael, R. B. Dyer and H. D. Gray are the incorporators. The capital is \$1000.

The Dead Willow Duck Club will own and control game preserves for the benefit of the stockholders. Portland is the headquarters, and the capital is \$1000. R. D. Inman, George Ray and W. J. Riley are the incorporators.

The Chickahominy Cemetery Association will own a cemetery and dispose of burial lots in Lane county. John Carlisle, Charles Shade and S. S. Miller are the trustees, and Clem Carlisle is the clerk.

## JUDGE SCOTT'S OUTING

HE ENJOYED A TRIP THROUGH THE CASCADES—FISHING AND HUNTING WERE GOOD.

County Judge John H. Scott is delighted with the splendid outing he had in the Cascade Mountains. Accompanied by Professor Busnell, of Albany, he made a trip over the Lebanon road, past Upper Soda, to the Matules country, across the lava beds, then back by the McKinley road to Belknap and Foley Springs. During their outing a large amount of game was encountered, deer being plentiful, and easily hunted. He pronounces Foley Springs the most pleasant place on the road. At Fish Lake the tourists met several forest rangers. These men are cutting a foot trail from Fish Lake to Belknap Springs. About fourteen miles of the trail has already been cut, and the passageway, cut through the virgin forest, will be completed next year, thus making the trip from one road to another, by means of this cross trail, an easy one for pedestrians and packhorns, though too narrow for teams. At Clear Lake fishing was enjoyed, and Judge Scott spoke of one man who had caught, in one day, 140 large trout. This man had been there all summer, and had canned several hundred cans of trout. Judge Scott says provisions are just as cheap, or nearly so, in the mountains as they are in the valley, and the best of everything was secured without trouble or annoyance. The Judge is much improved in health as a result of his trip through the mountains.

## CIRCUIT COURT IN SESSION

### A Foreclosure Suit Heard and Decided by Judge Boise

TESTIMONY IN THE SILVERTON INJUNCTION SUIT HEARD BY THE COURT—TRIAL OF THE CASE WILL BE RESUMED TODAY.

Judge R. P. Boise, of the second department of the State Circuit Court, held a session of court yesterday during which a verdict was rendered in a foreclosure suit and the testimony taken in an injunction suit.

Upon default of the defendants in the case of Phebe A. Tolman, plaintiff, vs. Mary A. and Harvey L. Wright, defendants, the plaintiff was granted a verdict for the sum of \$326.10 with interest at 8 per cent from date; for \$26.50, costs and disbursements, and for \$50 attorneys' fees. A decree of foreclosure was also given the plaintiff upon lot No. 1, of block 3, of Addition A to Woodburn. E. P. Morcom was the plaintiff's attorney.

The testimony in the suit for an injunction wherein the Union Light & Power Company, plaintiff, seeks to restrain John Lichty, the defendant, from operating a flood dam on Silver Creek, at a point six miles above a dam owned and operated by a plaintiff for the purpose of generating electricity for transmission to Woodburn and Mt. Angel, was taken and, owing to the lateness of the hour at the time when the testimony was concluded, the court adjourned until 9 o'clock this morning, when the case will be resumed.

Josh Westhafer, of Lookout, Ind., is a poor man, but he says he would not be without Chamberlain's Pain Balm if it cost five dollars a bottle, for it saved him from being a cripple. No external application is equal to this liniment for stiff and swollen joints, contracted muscles, stiff neck, sprains and rheumatic and muscular pains. It has also cured numerous cases of partial paralysis. It is for sale by Stone's Drug stores.

## THE REPORT FOR AUGUST

### Supt. J. F. Calbreath Shows Conditions at the Asylum

GENERAL HEALTH OF PATIENTS IS GOOD—IMPROVEMENTS UNDER WAY IN THE BUILDINGS—THE STATISTICAL STATEMENT—A SLIGHT DECREASE NOTED.

Supt. John F. Calbreath, of the Insane Asylum, yesterday filed his report with the Board of Trustees, and at a meeting of the Board it was audited and filed. The report is accompanied by the Superintendent's letter of transmittal, in which he says regarding conditions in that institution: "I am pleased to report the general health of the inmates of the institution as good. The smallpox reported last month was limited to the one case, which made a quick recovery and we have been out of quarantine for the past three weeks."

"The work on the closed cottage has been delayed by the mill company not being able to furnish the necessary material as soon as we expected."

"The fire escape on ward 25 is practically completed and we expect to repair and repaint a considerable portion of the old tin roofing this week. The work on the quarantine building and the hothouse will be commenced as soon as building material can be put on the ground."

"I have had a survey made and have asked for bids on fourteen inch sewer pipe to connect the Asylum building with the new sewerage system. It will require 1,040 feet."

"The plaster has been at work repairing the buildings at the farm."

"I have received from the United States Treasury Department \$223.06 for the care of the Alaskan insane for the quarter ending June 30, 1902."

The report of the patients in the Asylum on July 31, 1902, and the number received, discharged, died and eloped during the month of August, 1902, shows the following statistics:

No. patients July 31st.....577 354 1261  
No. received in August.....23 3 26  
No. returned escapes.....3 3 3

No. under care.....903 357 1290  
No. discharged recovered.....2 1 3  
No. dis. much improved.....1 3 4  
No. dis. improved.....2 3 5  
No. died.....10 5 15  
No. eloped.....4 4 4

Dis. died, eloped.....19 12 31  
No. patients remaining  
Aug. 31.....884 375 1259  
Average No. daily, 1263 2-31.

The report of the persons, officers, employees and patients fed and lodged in the Oregon Insane Asylum during August shows:

No. officers and employees.....156  
Ave. No. patients daily.....1263 2-31  
Total No.....1419 2-31

The average monthly and daily expenses of the Asylum during August were:  
Per capita, monthly, \$9.20 8-100.  
Per capita, daily, 29 68-100.

## EXCELLENT PROSPECTS

### The State Fair Board Is Highly Pleased With Conditions

### THREE NEW SPRINKLING WAGONS ORDERED TO KEEP THE DUST DOWN ON THE RACE TRACK DURING THIS YEAR'S BIG EXPOSITION.

The State Fair Board is highly elated over the splendid prospects and the indications are that the Fair will present a spectacle such as Oregon has never before witnessed. Every inch of space will be crowded and it will tax the ingenuity of the management to provide space for all the exhibits that will be presented, while in the stalls and stables for exhibition stock, there will be found a scarcity of room, never before seen. All this is the result of the realization on the part of breeders of fine stock that the Oregon State Fair has become a valuable institution and is the means of improving all lines of endeavor in Oregon's industrial life.

President W. H. Wehrung and Secretary M. D. Wisdom spent yesterday at the grounds, and superintended some important arrangements and repairs now being undertaken by the Fair. Among other arrangements made is the purchase of three more sprinkler wagons, to be run on the track and at the Fair Grounds, during the Fair, to keep the dust down.

The new granite walks that were laid last year are in perfect condition this year, and add much to the beauty of the grounds, as well as to the pleasure of a stroll from one department to another. Rain or shine, the visitors can travel all over the ground dry-shod. The substantial appearance presented by the granite walks is in keeping with the idea of permanency which is conveyed by a view of the buildings which have been constructed in the last few years. Since the people know that the Fair is a permanent institution, and that its managers could have no object in presenting a fake show after advertising a good one, the attendance is always satisfactory. The State Fair is in reality the People's Fair. It is from the public treasury that the money comes to provide the premiums for agriculture and stock exhibits; the people at large send in the products of farm, garden, orchard, range and workshop to compete for those premiums. The industries and advantages of every section of the state are represented, and people from every county and town make up the crowds that come to see the display.
