

REPUBLICANS SCORE ANOTHER VICTORY

Latest Reports Show that Republicans Have Elected 195 Congressmen, Democrats 180, With Eleven More Districts to Hear From.

Returns Received at Washington at 2:30 O'clock this Morning Indicate that Republicans Will Have 196 Members in the House, Democrats 176, Independents 3—Eleven Districts in Doubt—Lane May Beat Pardee.

CHICAGO, Ill., Nov. 4.—Dispatches to the Associated Press up to 3:30 a. m. show the Republicans have elected 195 Congressmen, Democrats 180, with eleven districts to hear from.

Chicago, Nov. 4. Dispatches to the Associated Press up to 2 a. m. show that the Republicans have elected 183 Congressmen, Democrats 173, with twenty-eight districts to hear from.

Chicago, Nov. 4.—Five hundred and twenty precincts out of 1,371 in Cook county, give Ruses, Republican, for State Treasurer, 50,492, and Dudenstoen, Democrat, 45,995.

WASHINGTON, Nov. 4. (2:30 a. m.)—The returns received indicate the Republicans elected 196 members to the House, the Democrats 176, and the Independents three (in Pennsylvania), leaving eleven districts in doubt.

NEW YORK, Nov. 4.—The City of Greater New York, which last year elected a Fusionist to the majority, returned to its Democratic allegiance today and polled up one of its old time majorities for that party.

Lincoln, Neb., Nov. 4.—Returns to 11:30 show the vote exceptionally close on Governor, with the remainder of the Republican state ticket elected.

The Missouri Style.
Kansas City, Nov. 4.—The votes of several negroes were purchased at \$2 and \$3 apiece. Some of the votes were bought boldly at the entrance to the booths. At one booth a Democrat offered a negro \$2, but a Republican raised the price to \$3.

Des Moines, Ia., Nov. 4.—On the basis of the returns up to 11 p. m., the Republicans elected the state ticket by about 75,000 plurality.

Judge Birdsall, Republican, to succeed Speaker D. B. Henderson in Congress, is elected by about 4,000 votes over ex-Governor Boies.

Salt Lake City, Nov. 4.—Indications at midnight are that McCarthy, Republican, is elected Associate Justice of the Supreme Court by a plurality of about 2,500, and that the Republicans will have a considerable majority in the Legislature.

Denver, Col., Nov. 4.—It is impossible to estimate the result in Colorado. That the Republicans have made heavy gains is generally conceded.

Following Bad Example.
Denver, Col., Nov. 4.—For the first time in the history of Colorado politics, a woman was arrested today on a charge of repeating. She was identified by Mrs. Harriet Hibbard, a widow, 50 years of age. It is alleged she was in the act of casting her third ballot when arrested. She admitted her guilt and said she could give no reason for her acts except a desire to make some ready money. She told the police she was a Republican. She said she had voted the Democratic ticket twice, at the request of a Democratic worker.

San Francisco Nov. 4.—Complete returns from 266 precincts outside of San Francisco give Pardee 8,099; Lane 7,347. About half of the vote in San Francisco, counted at 1 a. m., stands: Pardee 14,016; Lane 19,116.

San Francisco, Nov. 4.—At 1 a. m. the returns at hand indicate that Lane, Democrat, for Governor, maintains his present gains he will be elected by a small plurality. The Republican committee has reduced its claim for Pardee from 10,000 to 5,000. With the exception of Governor, the Republicans will probably elect the entire state ticket, but have lost one and probably three Congressmen, Lourd, in the Fifth is defeated, and Gillotte in the First, and Combs, in the Second, are running behind the ticket. The remaining five Congressmen are, according to the present figures, Republican.

San Francisco, Nov. 4.—Incomplete returns of 89 precincts in San Francisco give the following: For Governor: Lane, Democrat, 619; Pardee, Republican, 498.

SEATTLE, Wash., Nov. 4.—The returns from the state election are coming in slowly. Only incomplete returns have been received, but they indicate clearly that the Republican Congressional candidates, Cushman and Jones, for re-election and Will E. Humphrey, will be elected by a majority between 15,000 and 20,000. The vote has been lighter than expected, but both parties will suffer almost equally from this circumstance. The Republicans will control the Legislature, having from 90 to 95 members. This insures the election of a Republican United States Senator, Turner, Democrat. The most significant feature of the campaign is the fact that Hiram E. Hadley, Republican candidate for Justice of the Supreme Court, will lead the ticket.

Seattle, Nov. 4.—(10:30 p. m.)—The indications are that the state will go Republican by about 20,000 majority, with the election of three Congressmen and the control of the Legislature.

Spokane, Wash., Nov. 4.—Partial returns indicate the defeat of the Republican Legislative ticket in Spokane county. The Republican Congressional ticket will carry the county by a large majority. Harper and Graves, Democrats, for the state Senate, are undoubtedly elected.

Boise, Idaho, Nov. 4.—Returns assure a Republican majority on the entire state ticket of about 3,000. French, Congress, leads his ticket in most counties supposed to be certainly Democratic have swung into the Republican column. Republicans will have forty-seven members in the Legislature, and a majority of fourteen on joint ballot.

Boise, Idaho Nov. 4.—Scattered returns indicate the election of Morrison, Republican, for Governor, by a small plurality. The Republicans also claim

PREMATURE EXPLOSION

Of Fireworks Creates Frightful Results

MANY HORRIBLY MANGLED

Twelve Persons Killed Outright—At Least Fifty Injured

THIRTY THOUSAND PEOPLE THRONGED SQUARE WHEN EXPLOSION OCCURRED — DREADFUL PANIC ENSUED AND HUNDREDS WERE TRAMPLED UPON.

NEW YORK, Nov. 4.—By a premature explosion of fireworks in Madison Square Garden tonight, ten persons are believed to have been killed, and a number seriously injured. The panic and confusion among the crowd watching the election returns makes it impossible to make a correct estimate of the fatalities. The report was so heavy that windows were broken in the houses around the square.

When the panic had subsided sixteen persons were found unconscious on the ground. Some, however, quickly recovered. Others had been horribly mutilated. It is reported that four boys, watching the fireworks on Madison Avenue, were killed. Five hundred extra policemen were ordered on duty.

Twelve persons were killed outright, many being blown almost to pieces, at least fifty injured, many fatally.

At least 30,000 persons thronged the square at the time of the explosions, which were succeeded by a frightful panic, in which hundreds were thrown down and trampled under foot.

List of dead:
Policeman Dennis Shea.
William B. Finney.
George Bittle.

SENATE TO BE REPUBLICAN

According to Calculations, by a Majority of Eleven

A GENERAL SUMMING UP

Shows Fifty-Two Republicans and Thirty-Four Democrats

WASHINGTON, Nov. 4.—The next United States Senate will be Republican by at least eleven majority. The present Senate contains fifty-four Republicans and thirty-four Democrats in a total of ninety seats, there being two vacancies from Delaware. The terms of thirty Senators expire with the present Congress. There is also a vacancy from Michigan, caused by the death of Senator McMillan.

Including Delaware, twenty-five Senators will be elected by the Legislature chosen today. Of these the Republicans have surely carried thirteen, viz., Indiana, New Hampshire, North Dakota, South Dakota, Pennsylvania, California, Connecticut, New York, Michigan, Kansas, Wisconsin and Washington, and the Democrats seven, viz., North Carolina, Delaware, probably, Arkansas, South Carolina, Florida, Alabama, and Missouri.

This insures fifty-two Republicans and thirty-four Democrats in the next Senate. The result of the contests at this hour is still in doubt in Nevada, Idaho, Utah and Colorado, with the chances favoring the election of Democratic Legislatures in Colorado, Idaho and Nevada, and a Republican Legislature in Utah. If these probabilities should be realized, the Senate will stand fifty-three Republicans and thirty-seven Democrats, with the loss of four majority to the Republicans compared with the present political division.

A STRANGE CASE

SURGEONS EXTRACTED FROM A MAN'S BRAIN A KNIFE BLADE EMBEDDED THERE 22 YEARS.

CHICAGO, Nov. 4.—After having carried a knife blade an inch and a quarter in length in his brain for 22 years, P. J. Kent has undergone a successful operation for its removal. The blade had broken off in the skull and the point had been all these years inserted squarely into the brain. Since the injury had been received Mr. Kent had suffered from epileptic seizures. The physicians who performed the operation say the patient will recover full control of his muscles.

Mr. Kent was attacked when 16 years of age by a stranger who stabbed him on the frontal bone. Shortly after the injury had been inflicted, he was seized with dizziness and convulsions and became an invalid. The case attracted much attention in Chicago hospital, in almost all of which Kent had been a patient.

TO MOVE MUTE SCHOOL

SUPERINTENDENT CLARK TO IN-AUGURATE MOVEMENT TO GAIN THAT END.

(From Thursday's Daily.)
Superintendent Thos. E. Clark of the Deaf Mute School is starting out on a line of work toward securing the removal of the Mute School from its present location to some suitable place in or near the city. His reasons for this change are based on humane and psychological facts. To one of the Statesman's reporters he said in part: "Character is formed by heredity and environment, and by environment we can overcome heredity to a certain extent, so environment is greater in the building up of character than heredity, and through some unknown way, they have built this school and placed therein children, handicapped by natural infirmities, with Reform School inmates on the one side and the insane asylum inmates on the other. Then, if environments build and form character, what can be expected of them, to say nothing of what they lose for want of material for observation, which they could and would have if the school was in or near the city?"
