

DOUKHOBORS INTERCEPTED

In Their Great Pilgrimage Toward Winnipeg

MOUNTED POLICE FORCE

Forced Them Aboard Special Train to Carry Back to Yorkton

HAVE DIFFICULTY IN PREVENTING THEM FROM JUMPING OUT CAR WINDOWS—THE SUPREME COURT DECIDES AGAINST EXPRESS COMPANIES.

WINNIPEG, Man., Nov. 8.—Doukhobors are being held at Minnedosa. They will be forced to return to Yorkton.

Despite the persuasion of the Dominion Government authorities, the Doukhobors are inclined not to behave, and it is feared that its police reinforcements do not arrive, serious trouble may result.

The local authorities doubt their ability to prevent the continuation of the march toward Winnipeg. A mounted police detachment, stationed at Portage, La Prairie, has departed for Minnedosa. If necessary, force will be used to entrain the Doukhobors for Yorkton.

The Doukhobors have been forcibly entrained and are guarded by mounted police, who are kept busy preventing the Russians from throwing themselves from the car windows.

A special train will leave here tonight and unload at Yorkton tomorrow, when the police will drive the Doukhobors to their northern village, ending the most remarkable pilgrimage in Canadian history.

Statement Don't Count

New York, Nov. 8.—The Supreme Court handed down a decision today that an Express Company may not limit its liability for property lost through its negligence because of the statement on its printed receipts that it will not be liable for any sum exceeding \$10. Insurance Swindlers Caught.

In two instances, involving policies of \$10,000 and \$15,000, the parties insured mysteriously disappeared. The examining physician at Dallas today identified Mason as the man who represented himself as one Evans for the policy of \$10,000. Another application for \$100,000 is claimed to have been fraudulent. The bodies of the people who died at Chihuahua will be exhumed.

EIGHTEENTH REGULARS

Had No Orders Nor Did Not Burn the Towns as Charged

INSURGENTS COUNSEL'S RECORD SHOWS THAT FILIPINOS BURNED THEM—SENOR QUESADA HAS INTERVIEW WITH SECRETARY HAY.

WASHINGTON, Nov. 8.—The War Department made public today the statement of General R. P. Hughes in reply to charges embraced in the pamphlets signed by Charles Francis Adams, Carl Schurz, Edwin Barrett Smith and Herbert Welch, a committee, under the title of "Marked Severities; Secretary Root's Record in Philippine Warfare."

Hughes quotes the following extracts from the pamphlet: "The Eighteenth Regiment marched from Iloilo to Capiz under orders to burn every town from which they were attacked. The result was they left a strip of land sixty miles wide from one end of the island to the other, over which the traditional crowd could not have flown without provisions."

Hughes, who commanded in Panay at the time, says the burning of Iloilo was shown by the official records of the insurgent counsel to have been the work of insurgents. Hughes further says: "The Eighteenth regulars had no order to burn all the towns from which they were attacked, and they left the country unburned; towns and villages intact; roads improved; bridges rebuilt and 500,000 natives of the section covered were left in the full enjoyment of their property and rights."

(From Sunday's Daily.) The Oregon State Poultry Show will be held at Fred T. Merrill's cyclery, in Portland, from December 10 to 16. A larger exhibition is promised than that given last year, and in addition to the display of fancy fowls, the first exhibition of high-bred cats on the Pacific Coast will be given at the same time. There are over 100 registered felines in Oregon, and it is expected that nearly all of them will be on exhibition. Cats from neighboring states will also be "among those present," and the management hopes that the first show west of St. Paul will show what this country can do in the way of raising high-bred cats.

The services of Judge F. H. Shellaharger, of West Liberty, Iowa, have been secured as judge for the poultry show. The prizes in this will be the same as before. In a full class of 12 birds, the prize will be \$2.50, second, \$1.25; third, 75 cents. The prizes for the cats will be the same as for the poultry. C. D. school district. In answer to this question, this department has ruled that as soon as the parent or guardian has moved into the district, with the intention of making said school district his bona fide residence, he becomes a resident of such district at once; and, hence, a child of such parent or guardian is entitled to free tuition from the time he moves into the school district.

"In case of doubt, it would be entirely proper for the district board to require the parent or guardian to file an affidavit with the board setting forth his real intention as to residence. The intention of the parent or guardian is the controlling factor in determining his residence."
