

A MARRIAGE IN HIGH LIFE

George B. Gray Takes Unto Himself Mrs. Anna B. Scovell

THE BEAUTIFUL AND IMPRESSIVE CEREMONY WAS PERFORMED IN THE ST. PAUL'S EPISCOPAL CHURCH—WILL MAKE THEIR HOME IN SALEM.

(From Wednesday's Daily.)
A quiet though pretty wedding took place at St. Paul's Episcopal church, at 3 o'clock yesterday afternoon, in this city, when Mrs. Anna B. Scovell became the wife of Mr. Geo. B. Gray, of this city.

The interior of the church was neatly and tastefully decorated for the event, the altar, especially, being set with beautiful flowers. The church was well filled with friends and relatives of the contracting parties. At exactly 3 o'clock the bride entered the church as the sweet strains of Mendelssohn's "Wedding March" pealed forth, very beautifully and impressively played by Mrs. W. E. Tillson, and advanced toward the altar with solemn and stately tread, followed by Mr. and Mrs. H. B. Thielson, and bearing a handsome bouquet of white chrysanthemums, presented to her at the door by Mrs. Thielson.

The groom, attended by Mr. Geo. K. Burton, the "best man," of San Francisco, stepped from the vestry, and met the bride at the steps leading to the chancel, and together they approached the altar and assumed their proper positions, where the beautiful and impressive marriage ceremony of the Episcopal church was performed.

The bride was attired in a handsome and becoming traveling suit of royal purple with hat to match, while the groom wore a suit of conventional black.

Mr. Gray is well known in Salem, where he has lived the greater part of his life, and where he has realized unbounded success as a substantial business man and a member of the firm of Gray Brothers; the bride is also well known here as a lady of rare attainments. Both have the very best wishes of a host of warm friends in this city.

Mr. and Mrs. Gray left on the afternoon train and will visit Portland and the cities of the Sound, after which they will return to Salem and take up their residence on Thirteenth street.

ITEMS OF BROOKS

SOME OCCURRENCES OF THE WEEK IN THE NEIGHBORING VILLAGE.

(From Wednesday's Daily.)
Clyde Harris has returned from Eastern Oregon.

Arel Brothers will place their hops in the Association hop-pool.

Proceeds of the benefit supper at St. Louis amounted to about \$22, which Clara Savane, Grace Dodge and Iven Fruit are on the sick list.

Gus Arel went to Gates, Oregon, and selected a good timber claim.

The Listons, Rogers, Muneys and O'Bains are all new comers. They give excellent characters.

St. Louis people regret the illness of their pastor, Rev. La Croix.

A benefit concert will be given by K. L. C. E. at U. E. church, in Brooks, on Thanksgiving night.

Albert Egan is the proud possessor of a new gun. He is now ready to shoot wild geese.

Frank Arel's youngest child, Annie, fell in a kettle of water and would have drowned if not quickly seen.

Turn about is fair play. England has for years been getting the greater benefit of our industry. Now, let her help beautify Oregon homes.

Frank Evans was occupied last week in the real estate business for Ralph Shepherd. Three families changed locations.

M. J. Egan reported Sunday that Conrad Krebs had hops were 27 cents. M. J. thinks that any one who holds till spring may get 40 cents a pound.

From what seemed an authentic source it was reported that a Chinaman who controls a lot of hops near Fairfield was offered and refused 32 cents. An Eastern buyer could better pay that than 27 cents in New York.

Mannie Blanton wishes hops would reach 35 or 40 cents. Says it would be none too much to make up for the many years our growers worked without recompense.

Johnny Krebs and Elmer Savage, Carmichael's hop men, while waiting orders from England, are down on the farm for a three days hunt.

Mr. and Mrs. Evans have rented Lester's hotel, and had fourteen for dinner the first day. Being musical, fine entertainers and good cooks, the family are just suited for the business. Mr. Evans may conduct his store, hotel office and postoffice all in the hotel building.

Mr. Oliver Beers returned from the East on September 13th, brighter and the better for his trip. He takes pleasure in telling friends of the beautiful country he passed through. But for him there is no place like Oregon.

Mr. J. H. Frederick and Mrs. M. J. Linsley, representatives of the Modern Brotherhood of America, came down from Salem to Charles Whitcomb's. A lodge had been instituted at Chemawa.

Mrs. Homer Goulet was over on Howell Prairie to see her parents. Her father, Mr. Norwood, sold his farm and is undecided between a home in Portland or Salem, or as business, a feed stable in Portland, or commission merchant in Salem.

Conrad Krebs has up to present date, the honor of offering the highest and lowest price for Jas. Finney's hops. A year ago he offered to contract for 10 cents a pound. Friday, September 14th, he offered 26 cents a pound for the hops.

W. B. Lawler, the popular mining man, said hop growers could make a strong combine, and have cable communication of their own. He is erecting a winter residence near the Eldridge hop fields, and will reside here until spring.

The main object in dancing should

be sociability, and a desire to look one's best; attention then to neatness of attire and position. The most graceful dancers at Harding's hop house were Miss Emily Vanderback, of St. Louis, and Mr. Dave Hall, of Gervais.

The corporation is known as the San Joaquin Valley Association, and the promoters of the association, and the promoters of the large enterprise include nearly all the large owners among the Chinese of the island and river districts, so that by the combined effort of the Chinese of the island and river districts, the potato crop of the San Joaquin valley will be under their control. The association has for its object the control of the potato crop of the island and river districts, and a change in prices may be expected at any time. Already large consignments have been sent to Los Angeles and South Inc. to Texas. It is the intention eventually to cover all Missouri river points.

CITY FATHERS HOLD SESSION

Will Make Needed Improvements to the Armory Hall

MAYOR WAS CALLED UPON TO CAST THE DECIDING VOTE ON QUESTION—ELECTION NOTICE RESOLUTION—REQUESTS GRANTED AND REFUSED.

(From Wednesday's Daily.)
The Salem city council met in the police court room of the city hall at 7 p. m. last night, in regular session, with Mayor C. P. Bishop in the chair and all councilmen present except Aldermen Sims and Walker. Later in the evening Mr. Sims entered and took his seat in the circle. City Recorder N. J. Judah was in charge of the records. After the minutes of the preceding meeting were read, Judge George H. Burnett, who was present, was asked to address the council, and he made a request that the city provide the armory on the third floor of the city hall with a faucet and zinc, and with gas pipe and connections for a gas range. He stated that on the occasion of the celebration of the golden anniversary of Odd Fellowship in Oregon, the order would use the armory for a banquet hall, and that the improvements requested would be of great benefit at that time not only, but would be of permanent value to the building. The matter was discussed at length, and finally a motion was made to refer the same to the ways and means committee with power to act. The vote on this motion was a tie, Stolz, Burrows and Larsop voting for it, and Griswold, Pohle and Riggs against. Mayor Bishop voted for the resolution, thus adopting the motion.

Mr. Griswold, who opposed the improvement at the expense of the city, in order to secure an expression of the council's wishes, moved that the committee be instructed to make the improvements, and this was agreed to.

The committee on licenses filed a favorable report on the application of Fred Neckerman for a saloon license, and the same was ordered to issue.

Alderman Riggs filed his report of the expenses of the repairs to the steel bridge, showing an expenditure of \$22.25.

The report of Civil Engineer W. J. Culver on the survey and establishment of the grade for the postoffice square sidewalks was read and accepted, and a warrant ordered drawn for \$4 in payment of his charges.

The applications of LaBlanche & Roth, A. Schreiber, and F. P. Talkington, for saloon licenses, were read and referred to the license committee.

The following resolution, providing for the advertising of the city election, was read and adopted by the council:

"Resolved, By the common council of the city of Salem, Oregon, that at the election to be held in this city, under provision of its charter, on the first Monday in December, 1932, to-wit, on the first day of said month, for the election of a mayor, recorder, marshal, treasurer, and four aldermen, to-wit, one alderman from the First ward, one alderman from the Second ward, one alderman from the Third ward, and one alderman from the Fourth ward, the following named citizens of the city of Salem, aforesaid, be, and they are, hereby, appointed as judges and clerks of election to serve at said election aforesaid, in the said several wards of said city:

"First Ward—Wm. Waldo, J. M. Payne, A. T. Yeaton.

"Second Ward—G. P. Litchfield, J. C. Thompson, A. D. Palmer.

"Third Ward—Gideon Steiner, Wm. Manning, C. O. Wilson.

"Fourth Ward—A. Faxon, Chas. Wait, G. G. Gans, Sr.

"Resolved, That the following named places and locations be, and they are, hereby, designated as polling places, within the said several wards of said city, aforesaid, of, and for, the said election aforesaid:

"First Ward—Freeland's Factory, northwest corner of High and Division streets.

"Second Ward—Simpson's Livery Stables, 143 Court street.

"Third Ward—Freeland's Store, 156 State street.

"Fourth Ward—Radabaugh & Dranlet's Stable, 162 Commercial street.

"Resolved, That the city recorder be, and he is, hereby, instructed to publish due and legal notice of said election, aforesaid, for a period of ten days."

Alderman Griswold requested of the council that J. Shantz, the Court street second hand dealer, be allowed to tear down an old moss covered wooden building, and erect a corrugated iron structure. The request was not granted.

The request of the W. C. T. U. for permission to erect a stairway three feet wide over the Perry street sidewalk on the north side of their building—the old postoffice block—was refused.

Alderman Stolz again brought up the cement crosswalk question, and discussed the matter at length, showing that the walks in question were not substantial, and he introduced a resolution that the city discontinue the construction of cement crosswalks until a permanent and improved plan be adopted. This motion was discussed by several councilmen, and Street Commissioner Frizzell, and was finally defeated.

The report of the street commissioner that he had notified several property holders to construct sidewalks, was ordered placed on record, and he was instructed to proceed with the necessary construction work where the owners failed to comply with the official notice.

The bill of George G. Swart, the contractor, for the construction of a sewer in block No. 88, 374, was ordered paid, and the recorder was ordered to enter up liens in the lien docket against the property of Mrs. M. A. Ramp and the McAfee estate, the only two whose sewer assessments were unpaid. The bill of E. E. Tucker for \$10.45, for work on the streets, was also ordered paid. The report of the

committee on accounts and current expenses recommending the payment of the following bills was approved, and warrants were ordered to issue:
