## The Trophies The Housewife Loves

Men may take most delight in the trophies of war or of the hunt or of the athletic field; but woman takes most pleasure in the trophies of wise shopping, especially where they are of daily home ornament and utility. The Barr Store, therefore, strongly suggest Silverware as the most acceptable of all gifts for any woman concerned in any event which makes gifts to her a necessary sequence. Our Silverware stock is without doubt the most comprehensive in Eslem. This is the only store in town handling the peerless "R. Wallace, 1835" brand; and we also carry "Rogers Bros., 1847." A greater feature still is the "John G. Barr" silverware, made especially to our order, and which we absolutely defy any store in town to equal at the prices. We earnestly urge a visit here as a necessary preliminary to any silverware purchase
