

CONVENTION OF ENDEAVORERS

Which Was Held at Albany Adjourned Yesterday Afternoon

FIELD SECRETARY C. E. EBERMAN AND STATE PRESIDENT J. A. ROCKWOOD IN ATTENDANCE AND MEETING WAS GREAT SUCCESS—BANQUET TO OFFICERS.

(From Wednesday's Daily). The first biennial session of the Central District Christian Endeavor Convention which met in Albany Monday, March 9, was a grand success. The convention adjourned yesterday afternoon at 3 o'clock, just in time to permit the delegates to reach the northbound train for their homes.

The district comprises Marion, Lincoln, Linn and Benton counties, and about 75 delegates were present from these counties, besides Mr. and Mrs. C. E. Eberman, of Boston, field secretary of the Christian Endeavor Union, State President J. A. Rockwood and Secretary Case.

The meetings opened at 2 o'clock Monday afternoon in the Presbyterian church, and the preparatory service was led by Rev. Clark Bowers, of Albany. This was a most impressive service, and prepared the delegates for the devotional meetings of the session.

At 3 o'clock the convention took a recess to meet the delegates on the northbound train and at 4 o'clock the business session was convened, and after reports from the officers, a new set of officers for the following year were elected as follows: President, W. T. Jenks, Salem; Vice President, Agnes Weber, Corvallis; Secretary, Celeste M. Liston, Salem; Treasurer, Ernest Castle, Philomath; Superintendent of Junior Work, Minnie Markart, Albany.

The Junior rally at 4:15 o'clock was led by Mrs. Eberman. The evening session was held in the Christian church, and after special music by the Albany young people, Rev. C. E. Eberman delivered the address of the evening, taking as his subject, "The Mission of Christian Endeavor."

Dr. Eberman is a favorite among young people, and handled his subject in an able and inspiring manner. Following this, J. A. Rockwood, of Portland, addressed the convention on the "Advance Campaign," making a special plea for a good attendance at the International Christian Endeavor Convention to be held in Denver, Colorado, from July 9 to 13.

Tuesday's sessions were all held in the Presbyterian church. S. P. McCracken, of Salem, led an early morning prayer meeting at 6:30. There was a good attendance at this meeting and much spirituality was manifested as is usual when by an extra effort Christians gather at an early hour to open the day with a devotional service.

At 9 o'clock devotional services were led by Rev. H. A. Ketchum, of Salem, and at 9:30, Rev. G. S. O. Humbert, of Corvallis, addressed the session on "Development of the Inner Light."

The remainder of forenoon was spent in the convention was adjourned by special feature and Rev. Eberman was able to give many helpful hints for carrying on the work.

In the afternoon a strong paper was read by Miss Beulah Hinkle, of Philomath, on "The Consecration Meeting," and a praise service was led by the district president, C. E. Fuller, of Salem. The convention was adjourned by the Mizpah.

The delegates from Salem were: H. S. Gile, S. P. McCracken, Ella Rineham, Mrs. C. H. Walker, Frank Church. Last night, at the Baptist church, the Ketchum, Rev. H. A. Ketchum, Gertrude Potter, Renska Swarts, Samuel Johnson, Helen McCoy, Nina M. Dole, C. E. Fuller and Celeste M. Liston.

A Lively Banquet. Last night, at the Baptist church, the Christian Endeavorers banqueted in royal style, with Rev. and Mrs. C. E. Eberman and J. A. Rockwood as guests.

The tables were set in the Sunday School room of the church, and a large number of young people gathered to the rich spread for an hour of pleasure and profit. The banquet room and also the main auditorium were tastefully decorated in evergreens and Endeavor colors. The banqueters assembled at 6:15 o'clock, and after eating, Rev. W. C. Kantner delivered an address, with welcome on behalf of the church and city, and H. S. Gile extended a hearty welcome on behalf of the local Endeavor Union.

Rev. C. E. Eberman then conducted a workers' conference, and among the questions which he expounded were: "What is your argument for the Christian Endeavor pledge?" "How do you secure faithfulness on the part of your committees?" "What can the society do for the pastor, and the pastor for the society?"

At 8 o'clock Rev. Eberman addressed an open meeting in the auditorium of the church, taking as a subject, "A Pledge and Consecrated Life." He made an especial appeal to young persons. Rev. Eberman is a man of rare talent and strong personality, and his visit to this city and state has done much to awaken a new enthusiasm among Christian Endeavorers.

WILL GO AWAY WITH BOY. ASTORIA, Or., March 10.—W. E. Martin, who recently had trouble with his wife in kidnaping and rekidnaping his young son, has disposed of all his interests in Astoria and will remove to some place the whereabouts of which he does not disclose. His object evidently is to take the boy where he will be safe from any danger from his mother again getting possession of him.

DEEDS RECORDED

Realty transfers were filed for record with County Treasurer J. C. Stegmann yesterday, aggregating a consideration of \$10,562, as follows: W. E. Murphy, et ux., to Elizabeth Schmeizer, 74.29 acres of land in the d. l. c. of William B. Stevens, in t. 6 s., r. 2 w., w. d. 4.000 Elva R. Mosher to D. McCleary, 70% acres of land in section 19, t. 6 s., r. 3 e., w. d. 2.800 Ida B. Caldwell, et al., to Lockwood D. Denison, 4.32 acres of land in t. 7 s., r. 3 w., w. d. 1.500 John Jessen to Louisa Stevens, 2.89 acres of land of the d. l. c. of Ewing Purvine, in Marion county, w. d. 1.100 George Brown to S. T. Hobart, the southwest quarter of section 24, in t. 7 s., r. 1 e., w. d. 1.000 Sarah J. Perry to Eliza A. Lee, lot 25, in Wallers addition to Salem, w. d. 85 Cornelia Conzill, et al., to W. H. Commons, et al., lot 9 in block 25, in the town of Scotts Mills, w. d. 50 Wilford C. Hammer, et ux., to W. H. Commons, a one-half interest in lot 9 in block 25, in the town of Scotts Mills, w. d. 25 Elizabeth Williams, et al., to Conrad Lang, 2.44 acres of land in t. 7 s., r. 1 w., w. d. 1 The First National Bank of Hailley, Idaho, to O. S. Purdy, of Los Angeles, all of section 35, t. 7 s., r. 1 e., containing 640 acres, w. d. 1 Total... \$10,562

CASE IS DISMISSED

CHARGE AGAINST TYCER AND VENNUM FOR ROBBERY BANK, IS DROPPED.

ALBANY, Or., March 10.—Several cases were considered in the first day's session of Department No. 1 of the Circuit Court yesterday. O. Tycer and Thomas Vennum, charged with a felony charge of alleged robbing of the Bank of Brownsville, was dismissed, as has been predicted, by motion of the district attorney. Seven civil cases were considered, of which five were settled, one dismissed and one continued. The entire afternoon was consumed in considering the case of Oregon vs. J. H. Cooper, charged with assault with a dangerous weapon. The case will be continued today, as the testimony was not all given when court adjourned last night. Cooper severely injured G. W. McCamey in a quarrel in a Brownsville hop yard last September, and his trial is proving interesting. The six boys who attacked a Chinese swill-gatherer and were held for the Circuit Court on a charge of assault with a dangerous weapon, appeared before a justice of the peace yesterday and pleaded guilty to simple assault, so the Circuit Court case against them will be dismissed. Each boy was fined \$5 and costs.

"I suffered for months from sore throat. Electric Oil cured me in twenty-four hours." M. S. Gist, Hawesville, Ky.

DASHED TO DEATH

A BUFFALO LAWYER AND WIFE SUFFER A FRIGHTFUL AUTO-MOBILE ACCIDENT.

BUFFALO, N. Y., March 10.—Arthur R. Pennell, a young lawyer who has figured so prominently in the Burdick murder mystery, was instantly killed this afternoon in Delaware Park. His automobile, either by design or accident was run over the edge of an embankment surrounding an old stone quarry, and the woman who was with him was frightfully injured. Her identity is in doubt. She is at the hospital in a dying condition.

It Was His Wife.

Buffalo, March 10.—The woman in the automobile accident was Mrs. Pennell.

Scored Another Victory

DOUGHTY INDIAN GIRLS DEFEAT THEIR WORTHY PALE FACE SISTERS.

(From Wednesday's Daily).

About 250 people witnessed the basketball games played between the boys' and girls' teams of Chemawa and Albany High School, at Chemawa, last evening. The games resulted in a double victory for Chemawa, the girls' team defeating their opponents by a score of 21 to 5, while the Chemawa boys won by a score of 19 to Albany's 4. This adds one more to the many victories won by the Chemawa Indian girls who have not been defeated so far this season. They have contested with strong teams, among them the Agricultural College team, of Corvallis, and each time the score resulted in their favor.

FOR SPECIAL ELECTION

SHERIFF COLBATH RECEIVES THE OFFICIAL WRIT FROM THE GOVERNOR.

Sheriff B. B. Colbath has received from Governor Chamberlain the official "writ of election" commanding him to notify the several judges of election in each of the election precincts in Marion county, to hold a special election in each of the said precincts, on Monday, June 1, 1932, in manner and form as general elections are held, for the purpose of filling the vacancy in the office of Representative in Congress for the First District of Oregon, caused by the death of Hon. Thomas H. Tongue.

ROAD ROLLER FOR MARION

County Commissioners Return Much Pleased With the Road Machinery

ALTHOUGH NO DECISION HAS AS YET BEEN ARRIVED AT, IT IS SAFE TO SAY THAT ALL ARE IN FAVOR OF BUYING ONE.

(From Wednesday's Daily).

The Marion county commissioners' court returned from Portland last night where they went to examine into the merits of steam road rollers, for possible use on Marion county roads. County Roadmaster M. A. McCorkle and former Roadmaster W. J. Culver, accompanied the commissioners on the trip. Mr. Culver went in an advisory capacity, he being experienced in road building and having a thorough understanding of machinery.

In regard to the machines investigated, Mr. Culver said: "We examined two steam rollers, the Buffalo Pitts and the Port Huron. Both of these machines are in use in Multnomah county, the city of Portland operating a Buffalo Pitts roller, and the county a Port Huron machine. The agents of the Buffalo Pitts machine steamed it up and showed a practical demonstration of its operation on the streets of Portland. We were driven nine miles along the base line road to where the Port Huron road roller was in operation. This base line road is a good illustration of the practical value of steam rollers and rock crushers for road building. During the heavy storm of yesterday the road was dry and hard and has remained so all winter. Of course it is runder up and well drained at sides so that no water is allowed to stand. The Port Huron roller was operated for our benefit, packing the earth for a good foundation, and then rolling crushed rock on the ground. This machine can be used for several purposes, having wheels which are interchangeable with the rollers. It can be used as a traction engine for moving machinery and either machine can be used as a motive power for operating the rock crusher which the county already owns. With one of these rollers five or six miles of splendid road could be built in the county each year with the funds available. Another use which could be made of this roller is to roll the roads after they have been thrown up in the spring. This would pack them and prevent them from being cut up so badly. However, this machine could not be used except on dry roads as the weight of it is between ten and twelve tons."

The court has not yet decided whether or not they will purchase a road roller, and went to Portland for this investigation to aid them in making a decision, but the results of the investigation were highly satisfactory, and all of the members of the court are understood to be in favor of making this needed purchase in the interest of good roads in Marion county, and there does not seem to be much doubt but what the purchase will be made. The court meets this morning at 9 o'clock for a further discussion of the matter and Judge Scott said last night that a conclusion would be arrived at today. However, this machine is known to be in favor of making the purchase and there seems to be nothing to prevent the step being taken. The first cost will be in the neighborhood of \$2500 and, as the county is entirely out of debt and taxes are coming in very fast, the greater portion having already been paid, the county is well able to stand this small expense at this time. People are beginning to demand better methods of road building, having become tired of having large sums of money expended each summer improving the highways, only to see them destroyed during the winter, and in spring being compelled to do the same work over again. With the new process, when a mile of road is built it will remain without further expense for years as a mark of progress in the useful science of road building, and a monument to the aggressive action of Marion county officers in taking advantage of modern methods for advancing the interests of its citizens.

The choice of a machine as between the Buffalo Pitts and the Port Huron rollers is immaterial, as both are good machines, and each possesses superior points over the others, but the Port Huron seems to suit the needs of this county better on account of its value as a motive power for moving machinery and for running the rock crusher, and the probability it will be chosen.

PROTEST TO WASHINGTON.

ASTORIA, Or., March 10.—The trap fishermen and gillnetters of Ilwaco and the Lower Columbia river section are a strong protest to the Government officials against the attempt to Earl J. Armstrong to drive a fishtrap in the channel of the river directly in front of Fort Canby and under the East battery. It is asserted by the fishermen that the driving of a trap in front of Fort Canby would be a menace to the fishing industry, the trap itself being an obstruction to the channel leading out from the military reservation and also preventing the free use of the frontage for access and ingress of the life-saving service and the free use for small boats engaged in the fishing industry.

WILL APPLY FOR PROTECTION.

TOLEDO, O., March 10.—After four successive attacks had been made today on the nonunion teamsters by the striking union men, a member of the Toledo Cartage Association declared that he would make application to Governor Nash tomorrow to call out the state militia to protect the Association's men and interests. Today has been one of the most exciting in the city's history.

WAS FOUND SUCCESSFUL.

NEW YORK, March 11.—Preliminary tests of the wireless telegraph system between the harbor forts were made today and in the future wireless telegraphy will be used regularly for communicating between Fort Wadsworth and Fort Hancock, about 15 miles.

THE AMENDMENT DEFEATED.

LONDON, March 11.—The House of Commons, rejected by a vote of 245 to 154 the amendment made yesterday to reduce the army estimate of 235,761 men of all ranks by 27,000 men.

NOTHING FOR LEWIS AND CLARK.

SACRAMENTO, Cal., March 11.—Both branches of the Legislature have passed the bill appropriating \$130,000 for the California exhibit at the Louisiana Purchase Exposition at St. Louis.

MARRIED.

DOWNING-NEWTON—At the Episcopal rectory, in Salem, Oregon, Wednesday, March 11, 1932, Miss Augusta Newton to Mr. W. H. Downing, Rev. Wm. Coney officiating.

FILED FINAL ACCOUNT

ADMINISTRATOR OF MARGARETTA NIBLER REPORTS—OTHER PROBATE MATTERS.

Franz Nibler, administrator of the estate of Margareta Nibler, deceased, yesterday filed his final account in the Marion County Probate Court, and Saturday, April 1, 1932, at 10 o'clock a. m., was the time set by the court for the hearing of the petition to have same approved.

In the matter of the estate of Florence B. and Margaret E. Barnes, minors, Sidney M. Barnes Stewart, guardian of the persons and estates of said minors, petitioned the court for an order to sell certain real property belonging to the estate. The court set April 6, 1932, at 10 o'clock a. m., as the time for hearing objections, if any, to the petition.

Casper Zorn was appointed as one of the appraisers of the estate of William Case, deceased, the court having been informed of the fact that Adam Zorn, one of the original appraisers, is a resident of Multnomah county, and therefore not qualified to act.

TRAFFIC IS CRIPPLED

SNOW SLIDES IN WASHINGTON CREATE ALL KINDS OF HAVOC.

EVERETT, Wash., March 11.—Snow storms here and in the Cascades last night have caused the loss of life and property. Yesterday afternoon, at Wellington, heavy snow slides came from the mountain, demolishing a coal chute and killing two employees. The westbound Great Northern, scheduled here last night, has not arrived as the Great Northern is using the Northern Pacific tracks from Spokane to Seattle. The coast line Great Northern trains are seriously hampered by mud slides. A bridge on the Great Northern was carried away by the slide and until it is rebuilt the mountain line will be out of communication.

SEVERE ATTACK OF GRIP

Cured by One Bottle of Chamberlain's Cough Remedy.

"When I had an attack of the grip last winter (the second one) I actually cured myself with one bottle of Chamberlain's Cough Remedy," says Frank W. Perry, Editor of the Enterprise, of Shortsville, N. Y. "This is the honest truth. I at times kept from coughing myself to pieces by taking a teaspoonful of this remedy, and when the coughing spell would come on at night I would take a dose and it seemed that in the briefest interval the cough would pass off and I would go to sleep perfectly free from cough and its accompanying pains. To say that the remedy acted as a most agreeable surprise is putting it very mildly. I had no idea that it would or could knock out the grip, simply because I had never tried it for such a purpose, but it did, and it seemed with the second attack of coughing the remedy caused it to not only be of less duration, but the pains were far less severe, and I had not used the contents of one bottle before Mr. Grip had bid me adieu." For sale by Dan J. Fry, Salem.

LA GRANDE CITY ELECTION.

LA GRANDE, Or., March 11.—The city election passed off quietly Monday; no very great interest being shown. The results are mixed, as the faction in power elected marshal, recorder and one councilman, which gives them a majority of the council. The candidates received the following vote: Mayor, James D. Slater, 312; J. C. Henry, 290; Recorder, H. T. Williams, 332; William Grant, 266; Marshal, W. S. Ragburn, 376; W. T. Cross, 222; Treasurer, F. L. Myers, 534; Councilmen, J. W. Kennedy and L. D. Reavis, in wards 1 and 3, had no opposition. In ward 2 S. A. Gardner received 130 votes; George Groat, 96, and William Smith, 52. Total vote cast, 605.

ENDEAVORERS CHOOSE OFFICERS

ALBANY, Or., March 11.—The district Christian Endeavor convention, which has been in session in Albany the past two days, concluded its work and adjourned yesterday. The convention was very successful in every respect. The second biennial convention of the central district will be held in March, 1932, at a place to be selected later. The following officers were elected for the ensuing two years: President, Walter T. Jenks, of Salem; vice-president, Miss Agnes Weber, of Corvallis, re-elected; secretary, Miss Celeste M. Liston, of Salem; re-elected; treasurer, Ernest Castle, of Philomath; junior superintendent, Miss Minnie Markart, of Albany.

FOR RURAL PHONE SYSTEM.

INDEPENDENCE, Ore., March 11.—Mr. Merrick, representing the Pacific States Telephone Company, is in the city, to install a rural telephone system. Three routes will be established, namely, one south of town to Parker's Station; one north to the Bruck place, and one across the river to the farming territory there. The farmers look upon the plan favorably. This will give independence over 120 phones, and allow them a night service, which has been a long-felt want. This will also put Monmouth and Independence in close communication, as free switching is allowed between the towns.
