The services were carried out as indicated in the program printed in the Sunday morning issue of the Statesman, and everything connected with the opening of the new ediffce passed off very creditably. The addresses of Mrs. Blanche Hogue and Mr. David B. Ogden, of Portland, and Mrs. R. S. Bean and Mr. W. A. Moores, of this city, were very appropriate and received marked attention. A beautiful Easter carol was tion; sung in the morning by Mrs. W. A. Moores and the "Holy City," at the afternoon service by Miss Hortense Kimball. The Portland visitors were very much pleased with the new church and expressed themselves warmly. During the evening the doors were thrown open to callers and all were made welcome Many prominent and representative people were present at the services and withal the event was one to be pleasantly remembered by both the Salam workers in this new field of religion and those who were in attendance.

Warm baths with Cuticura Soap to cleanse the skin and scalp of crusts and scales, gentle applications of Cuticura Ointment, to allay itching, irritation and inflammation, and soothe and heal, and mild doses of Cuticura Resolvent Pills, to cool the blood in the severer cases, are all that can be desired for the afleviation of the suffering of skin tortured infants and children, and the com-
