

## LEFT 'FRISCO THIS MORNING

### The President Enroute to the Yosemite Valley

## DEDICATED A MONUMENT

### Commemorating the Victory of Commodore Dewey at Manila

### SAYS PRESIDIO RESERVATION IS IN DISGRACEFUL CONDITION AND WILL HAVE IT THOROUGHLY RENOVATED—CHINESE CHILDREN WANT EDUCATION.

SAN FRANCISCO, Cal., May 14.—President Roosevelt bade farewell to San Francisco tonight, his last day, like the others here, having been so completely taken up that it served to certify the smiling remark he made yesterday that the city of the Golden Gate had given him everything except sleep.

Early this morning the Presidential party with an escort of sailors and marines left the Palace Hotel and participated in the dedication of a monument commemorating the victory of Commodore Dewey and his fleet at Manila Bay. Here the President dwelt strongly on the necessity of a stronger navy and of practical training at sea.

Afterwards came a visit to Vallejo, where the corner-stone of the Y. M. C. A. building for Uncle Sam's sailors was laid. An inspection was then made of Mare Island Navy Yard, and the party returned at 7 o'clock to attend the Union League Club banquet. Shortly after midnight the President left to view the wonders of Yosemite valley.

### Will Renovate the Presidio.

SAN FRANCISCO, Cal., May 14.—The Bulletin says: "President Roosevelt has reached the conclusion that the quarters and barracks at the presidio are disgraceful, considering the size and importance of the reservation. He is therefore going to make it his immediate business to write to Secretary Root and ask that a large sum of money be diverted immediately to the renovation of the Presidio."

### He Was Banqueted.

SAN FRANCISCO, Cal., May 14.—President Roosevelt was given a farewell banquet tonight by the Union League Club at the Palace Hotel. Covers were laid for 300 people and included most of the judges of the Supreme Court, the president of the club, George Pippy and Judge John Davis, who bade the President welcome. Mr. Roosevelt made a response.

### Are Poorly Educated.

SAN FRANCISCO, Cal., May 14.—President Roosevelt has been asked to assist the native born Chinese children of San Francisco in obtaining an education in the public schools of the city. The complaint is made that the Chinese are confined in a special school and are there insufficiently instructed.

## FILIPINO GIRL'S VIEW

### SENORITA LOPEZ GRATEFUL TO GENERAL MILES FOR HIS REPORT.

CHICAGO, May 14.—A dispatch to the Tribune from Boston says: Senorita Clemencia Lopez, the Filipino girl who is here to do crusade work for the independence of her people, has spoken for the first time in English at an anti-imperialist luncheon. She said she came to make an appeal to President Roosevelt.

"Now that General Miles has spoken," she said, "it may be that some of the fear will disappear that has hitherto prevented most of my countrymen from protesting against the oppression that we are suffering from the United States. The only proper way is for a commission to go to the Philippines, appointed either by Congress or privately charged to ascertain the real situation and the real sentiments of the Filipinos."

## FESTIVAL IS OVER

### MOST SUCCESSFUL EVER HELD—THE CHORAL UNION HAS ELECTED OFFICERS.

EUGENE, Ore., May 14.—The annual May Festival of the Willamette Valley

## A LONE HIGHWAYMAN HELD UP IDAHO STAGE

BOISE, Idaho, May 14.—At noon today this stage which left Boise this morning for Idaho City was held up by a masked highwayman a mile and a half beyond the Half Way House. The

Choral Union, which has been held here for the past three days, came to a very successful conclusion tonight when the largest crowd of the series of concerts was in attendance and the excellent program rendered was received with the greatest of enthusiasm.

Election of officers for the ensuing year was also had and the following were chosen to serve: President, Professor Francesco Seley, of Salem; secretary and treasurer, C. D. Minton, Salem; vice-presidents, Albany, Professor W. H. Lee; Corvallis, O. Herse; Eugene, I. M. Glenn; Portland, Mrs. Bushong.

Professor W. H. Eger's chorus of Portland, was tonight admitted to the union and the latter is greatly augmented thereby. Eight of the most prominent singers of Portland, together with twenty-three members of the Portland Symphony Orchestra and eight basses from Eugene, will stop off at Salem today to take part in the concert which is to be given there tomorrow (Friday) evening, for the benefit of Professor Seley, who has just recovered from a severe attack of typhoid fever. This is the most successful festival the Choral Union has ever held.

## CHIEF'S SCALP IN DANGER

### GAMBLERS OF SEATTLE DETERMINED TO RUN THE POLICE DEPARTMENT.

SEATTLE, Wash., May 14.—A clique of gamblers, who formerly controlled Chief of Police Sullivan, but subsequently were turned down by the chief when he refused to allow them to open public gambling in Seattle, is now actively engaged in an effort to cause Sullivan's removal from office.

They intend to set up in his place Charles Wapenstein, a detective who was connected with the Police Department scandal two years ago, prior to the murder by John Considine of Chief of Police Meredith. At that time the council committee that investigated the Police Department brought in a report that neither Meredith nor Wapenstein was fit to be a police officer. Wapenstein then resigned, but six months ago went back on the force. He is the man the gamblers are now trying to install in place of Sullivan.

Chief Sullivan has refused to allow open gambling in Seattle since the first of the year, and his order has displeased the big gamblers, who are now seeking revenge. Yesterday afternoon they had a meeting, in which it was pledged that every power should be used to get the undesirable officer out of office. There is a political power back of it.

## ACCUSED BY WIFE

### HAROLD REED CONFRONTED IN CHICAGO BY A SERIOUS CHARGE.

CHICAGO, May 14.—The Tribune today says: A deserted wife last night confronted Harold C. Reed, who is accused by Miss Laura Stickler of luring her to the Newport Hotel, where she fell from the third story in an attempt to escape. "He is Harold C. Mills," said the wife. "We were married October 26. I suspect that he is a bigamist, and I want him tried on that charge."

Harold C. Mills was the president of the Guarantee Home Security Company, and he disappeared New Year's day. Detectives representing 1000 stockholders searched for him without success. He left Chicago, he said, to negotiate a loan in Buffalo. Since then his whereabouts had been unknown until Mrs. Mills appeared last night at the Harrison street police station, where he is a prisoner.

Mrs. Mills says that she has received letters which indicate that the man had been married in Detroit, Pittsburg and St. Louis. He came to Chicago from St. Louis, where he was engaged in the picture business. Reed, or Mills represented himself, his wife said, as being a son of Horace Mills, a millionaire lumber merchant of Buffalo. He also said that he was related to the Jewetts of that city.

## ABERDEEN CONVENTIONS.

ABERDEEN, Wash., May 14.—The annual conventions of the Orders of Foresters and Red Men for Washington and Idaho, are now in session in this city. Many prominent people of all sections are in attendance and about 500 delegates in all are expected to be present during the three days of the session. An interesting program has been prepared for the entertainment of the guests, including a banquet, grand ball and an excursion to the beach.

The streets and business houses are appropriately bedecked and decorated in the colors of the orders, and in the National colors.

See the Signatures of *Chas. H. Plitt*

## SPREADING OF RAILS CAUSES LOSS OF LIFE

WASHINGTON COURT HOUSE, Ohio, May 14.—The Cincinnati & Pittsburg Express, on the Midland division of the Baltimore & Ohio South-western, was wrecked by the spreading of the rails, five miles east of Washington Court House at 10:10 this

passengers were compelled at the point of a rifle, to turn over their valuables and the registered mail sack was rifled. The lone highwayman then retreated to the hills.

morning, and two persons were killed and several wounded seriously.

### Street Car Collision.

Indianapolis, Ind., May 14.—Two street cars collided this evening on Central avenue at Seventeenth street. Ten women were more or less injured.

## MUST INCLUDE THE HELPERS

### In Computing the Percentage of Double-Headers

## GREAT NORTHERN STRIKE

### Has Been Averted Through Having Reached an Agreement

### BOTH SIDES MADE CONCESSIONS BUT MEN CLAIM TO HAVE BEST OF COMPROMISE—THEY GET AN INCREASE OF WAGES ON THE ST. PAUL SCALE.

ST. PAUL, Minn., May 14.—All danger of a strike on the Great Northern Railway system has passed and an amicable agreement between the company and its trainmen has been reached, the schedules being signed this afternoon. Both sides made concessions although, on the face of the terms of the compromise, as stated by A. E. Garrison, the assistant grand conductor of the Order of Railway Conductors who with Mr. Newman, of the Brotherhood of Railway Trainmen, has conducted the negotiations, the men have somewhat the better of it.

They are granted an increase of wages which averages 5 per cent; the yardmen get the Chicago scale, which is 3 cents an hour higher than the St. Paul scale; new men are given increased wages after one year's service, instead of five, as proposed by the company and upon the double-header question, which was the cause of the deadlock in the negotiations, the men modified their demands to a slight degree.

East of Minot, according to the agreement, the road may run one-half of one per cent of the gross mileage as double-headers. On the Mountain division, west of Minot, 2.3 per cent of the gross mileage is allowed to be double-headers. But in computing the percentage of the double-headers, the helper engines must be included.

## THREE EVILS TO SHUN

### PROFESSIONAL WOMAN TELLS HER SISTERS WHAT TO GUARD AGAINST.

CHICAGO, May 14.—"Cocktails, man and flattery are the three evils that the professional woman must shun just as completely as the ambitious man must turn his back against wine, woman and song." She is susceptible to them all, and each is a barrier to success.

This declaration was made by Miss Grace Noble, who is to manage a New York playhouse next year, at a meeting of the Hull House Woman's Club. Miss Noble declared that the society women are victims of the cocktail as often as professional women.

"But," she declared, "the society woman has not a career to ruin. She may rest at home and recuperate, while the professional woman has to continue her work, no matter how unfit her mind is for it."

Miss Noble declared that success to the professional woman entails greater privation, longer study and more suffering and disappointment than to the professional man.

## NEW LOG MACHINE.

PENDLETON, Ore., May 14.—C. E. Bowsley and E. B. Bowley, of this city, have invented a steam saw for sawing logs in the timber camps of the mountains. The saw is swung from a derrick and the whole machine is built on a low wheeled wagon so as to be easily transported from one place to another. The logs are skidded to the machine and can be sawed into any length. It will be given its trial run in the timber at the Minnis lumber camp near Meachem. It has been tested and did good work in the test. If it is a success in the forests, it will be a great saving in the cost of the production of logs for the market.

## DISPUTE AMONG FRIARS.

NEW YORK, May 14.—The conflict caused by the refusal of the abbot of San Benitos Convent to allow the entrance of foreign friars, who came to assist at a meeting of the order, has resulted in a serious dispute, cables the Herald's representative at Rio de Janeiro, Brazil.

At a meeting of the friars held in the capital it was resolved with the archbishop's support to excommunicate the abbot of San Benitos. The friars elected as his successor Father Domingo Transfiguracao. The federal judge ordered the abbot to leave San Benitos. Believing that force might be needed to oust the abbot, Father Transfiguracao went to the convent with the chief of police and a squadron of cavalry. Father Juan Mercedes, the excommunicated abbot, promptly admitted the new abbot and acknowledged his title to succeed him.

It was thought that this had ended the trouble, but a meeting was held later, at which the followers of Father Mercedes protested against the foreign friars. A procession was formed and marched to the convent with cheers for the deposed abbot, and forced the foreign friars to leave and seek refuge in the archbishop's palace.

Troops were called out. They entered San Benitos with fixed bayonets and drove out Father Mercedes' friends. The foreign friars returned later, accompanied by the chief of police, and again took possession.

## MAY CALL OUT STATE TROOPS

### Strike Situation in Omaha Is Worse Than Ever

## UNCONSCIOUS MAN FOUND

### Lying Under Viaduct Where He Had Been Knocked From Wagon

### SIX ASSAULTS OCCURRED YESTERDAY AND TEAM DRIVERS WERE SET UPON AND BEATEN—ALL RIOTERS WILL BE HELD WITHOUT BAIL.

OMAHA, Neb., May 14.—P. G. Maddeck, the driver for the Delivery Company, was found this evening under the Tenth street viaduct in an unconscious condition. When restored he said that he had been knocked from his wagon. He is a strike-breaker.

Chief of Police Donahue has ordered that all persons arrested for rioting shall not be released on bond until after their hearing. An attempt was made to secure the release on bail of the men arrested today, but they were refused. The situation seems to be more strained than at any time since the strike began, and further trouble is feared. The attorneys for the Business Men's Association intimate that the Governor will be asked to send troops to Omaha.

## Were Six Assaults.

OMAHA, May 14.—Six assaults were made on teamdrivers during the forenoon today. One driver named Flint was badly beaten, while in the other cases drivers were forced from their wagons and their loads of coal were dumped into the street. Police dispersed the crowds, but no arrests were made. Labor leaders say the guilty persons are not members of the union and deny responsibility.

The laundries did not open today and will not do so until Monday. The large hotels have private laundries and are not inconvenienced, but the smaller hostels and those restaurants which have reopened were handicapped for clean linen.

At labor quarters it was given out that nothing would be done until the conference committee should meet with the Governor again. It is believed that a compromise will be reached between the strikers and employers.

## Injunctions Galore.

Denver, Col., May 14.—The first injunction as the result of the labor troubles here was issued this afternoon by Judge John I. Mullins, of the District Court, at the instance of a joint executive committee of the labor unions against the Citizens' Alliance. It is practically the same as that issued by the District Court in Omaha against the business men's organization of that city.

The Transfermen's Association gave notice this afternoon that it will apply to the United States Court tomorrow for an injunction against the strikers from interfering with their business.

## MITCHELL IN PORTLAND

### SENIOR SENATOR CAME HOME IN BEST OF HEALTH AND SPIRITS.

PORTLAND, May 14.—John H. Mitchell, senior United States Senator for Oregon, arrived in Portland last evening from Washington, via Tacoma, where he visited his daughter. There was nothing about the Senator to indicate that he had been ill at Washington recently, or that he in any way gave foundation for the report circulated as to his precarious condition.

Senator Mitchell upon his arrival at his hotel was immediately surrounded, as usual, by a number of politicians, who wished to discuss matters of a more or less personal character. The doors of the Senator's room were open, and he had his famous hand grasp in readiness for one and all, giving a hearty welcome and a warm greeting to his visitors. The Senator will remain in Portland for some time, and will participate in the reception to President Roosevelt next week.

## ARKANSAS HARD AGROUND

### IS UNABLE TO PROCEED EITHER UP OR DOWN THE MISSISSIPPI.

ST. GENEVIEVE, Mo., May 14.—The monitor Arkansas apparently will remain here for a long time. Another slight fall in the river has precluded all hope of her returning to St. Louis, as sailing up stream shows a little over nine feet of water and the monitor draws eleven. Barges laden with coal have replenished her bunkers. E. O. Jones, chief boatswain's mate, has been honorably discharged, and the jacksies envy him his liberty.

The Arkansas is the first warship to sail up the Mississippi river since the Civil War. She was sent to St. Louis to represent the Navy at the dedication exercises of the Louisiana Purchase Exposition. She is 252 feet long, and twelve feet six inches draft, displacement 220 tons. She grounded shortly after starting on her return trip to the mouth of the Mississippi river.

## ROCK ISLAND AND FRISCO.

ST. LOUIS, May 14.—B. F. Yoakum, president of the Frisco Road, has returned from New York, where he has been for the last month consummating

the sale of the Frisco. Asked if there would be any changes in the Frisco management, Mr. Yoakum said that no changes are contemplated at present. Referring to the Rock Island-Frisco system, Mr. Yoakum said:

"The relations between the two roads are absolutely harmonious, and those conditions will, I believe, continue."

Mr. Yoakum intimated that the two systems will continue under separate management, and that the Rock Island has no intention of establishing general offices in St. Louis. He declined to discuss the report that he would move to New York.

### BODIES ARE STILL MISSING.

GRANTS PASS, Or., May 14.—All the lower Rogue river below Painted Rocks has been searched and much of it dragged in the hopes of finding the bodies of the two Walker boys that were drowned a few days ago while sailing up the stream in a small boat.

Thus far the efforts of those engaged have been futile. Owing to the treacherous nature of the current there is but a scant possibility of the bodies being recovered.

## TO ADVANCE HEARING

### NORTHERN SECURITIES CASE MAY BE HEARD OUT OF ITS TURN.

WASHINGTON, May 14.—An authoritative announcement was made today of the intention of the Attorney General to enter a motion in the Supreme Court of the United States next Monday to advance the hearing of the Northern Securities case, the appeal of which was docketed recently in that court. There is no possibility of an argument of the case before the court reconvenes on October 12th.

## PAID HEAVY FINE

### FEDERAL SALT COMPANY SENTENCED TO PAY \$1000 FOR ITS OFFENSE.

SAN FRANCISCO, Cal., May 14.—The case of the United States vs. the Federal Salt Company was finally ended in the United States Court today by Judge De Haven, who, in rendering judgment in the case, sentenced the company to pay a fine of \$1000, it having pleaded guilty to violating the provisions of the Sherman Anti-Trust Law.

## READY FOR THE RACE

### DESIGNER FIFE IS WELL SATISFIED WITH WORK OF THE SHAMROCK III.

GOUROCK, Scotland, May 14.—The weather did not clear until too late to send the yachts out. If the weather permits the two Shamrocks may sail a special match for prize money tomorrow outside Butte Island. Designer Fife says he is so well satisfied with the work already done by Shamrock III, that he is willing to postpone further trials until the yachts have been refitted in the United States.

## PASTOR CREATES SCENE.

LONDON, May 14.—There was a remarkable scene at the City Temple at the midday service today, when the pastor, the Rev. R. J. Campbell, successor of the late Dr. Parker, announced his adherence to the passive resistance movement against the new education bill.

The Rev. Mr. Campbell, who may be regarded as the head of the nonconformists in this country and as voicing the determination of the nonconformists, said he would tender payment of the portion of the rates which was not devoted to sectarian purposes, but he added that the collector would have to seize his bal clock and other chattels for the balance.

The audience, numbering about 3000 persons, stood up and cheered lustily for several minutes. The pastor added that he had heard that Colonial Secretary Chamberlain was likely to advocate the imprisonment of those who participated in the "passive resistance movement," but he believed that if Mr. Chamberlain imprisoned him, his days as Colonial Secretary would be numbered, for nonconformity represented the half-religious life of modern.

## SOMETHING IN A NAME.

GRIDLEY, May 14.—T. B. Channon of this place has received a letter from his son, J. D. Channon, from Moscow, Russia, in which the young man tells of having difficulty with Russian officials through the peculiar circumstance that he has no given name except his initials. Channon is traveling with Mr. and Mrs. Henry Capper for the gold fields of Mongolia and en route he stopped in Moscow. When Capper went to register the party he took the passports to the office and registered himself and wife and essayed to do the same for Channon. The Russian officers required the full name of the party and as Channon's parents christened him with but two initials, J. D., it was impossible to comply with the demand of the police. No explanation would answer and it was not until Capper named his friend John that he was released from custody.

## DARING HOLD-UP.

HELPER, Utah, May 14.—The sheriff and a posse are hot on the trail this afternoon of the four men who held up the Rooney saloon and gambling hall here early this morning. As all are armed, a desperate battle is expected.

The robbers lined up the patrons and because he resisted shot William Everett through the ribs twice. They secured \$1500 from the tables, safe and slot machines. The patrons contributed \$400 more. The big haul was occasioned by yesterday being Rio Grande pay day.

## TREE FELL ON HIM.

TILLAMOOK, Ore., May 14.—Jerry Murphy was instantly killed at a logging camp on Bewley Creek this morning, the top of an old tree falling on him. He was a man about 40 years of age and unmarried.

## CONSULATES WERE UNDERMINED

SOFIA, May 14.—It is rumored from Sofia that the French and Russian Consulates there have been discovered to be undermined. Large stores of dynamite have been seized.

## FOR BENEFIT OF COUNTRY

### Would Like Gen Miles' Report Published in Full

## GEN'L CORBIN'S LETTER

### To General Miles Made Public by the War Department

### SPECIAL AGENT CONGER SAYS PEOPLE OF GALLATIN ARE SCORRY ABOUT SCARE NEGRO MAIL CARRIER RECEIVED—ROUTE MAY BE ABANDONED.

WASHINGTON, May 14.—Secretary Root today received a circular letter from Herbert Welsh, of Philadelphia, in reference to the report of Lieutenant General Miles. The letter desires that letters be addressed to the President, Secretary Root and others, asking them to publish, for the information and guidance of the country, the full report of General Miles regarding the affairs in the Philippines. The War Department today made public the letter of Adjutant General Corbin to General Miles.

The letter says: "Complying with your request, I have the honor to inform you that the copies of your reports, as furnished by the War Department to the public press, were complete, being your general report upon the alleged cruelties in the Philippines bearing the same date. For your convenience duplicate copies of both documents, as given out, are transmitted herewith."

Washington, May 14.—Postmaster General Payne has received a letter from W. F. Conger, special agent of the Rural Free Delivery service, at Nashville, Tenn., who is investigating the intimidation of Allgood, the negro mail carrier, near Gallatin, Tennessee. Mr. Conger reports the almost unanimous sentiment at Gallatin deprecates the occurrence and there is a general willingness to clear the situation and fix the responsibility on the guilty persons. Mr. Payne said today that the route would probably be discontinued.

## HELD UP BY "QUEEN LIZZ"

### OLD MAN COMPELLED TO DELIVER HIS GOLD INTO HANDS OF FORTUNE TELLER.

GRANTS PASS, Or., May 14.—The notorious "Queen Lizz" and her band of light-fingered gypsies arrived in Grants Pass yesterday afternoon and straightway got into trouble. An old man driving into town was overtaken by the band just outside of town and robbed of some \$40. According to his testimony later presented, the coin was forcibly taken from him by the "queen."

The man who was robbed notified the officers here at once, and after a hard chase the woman and four of the men were taken into custody. A preliminary hearing was given them at the court house and "Queen Lizz" fined \$10 and costs by Justice Maybee.

The woman's eyes snapped like a rattlesnake's when the penalty was imposed and she straightway emitted a string of oaths that would have made a crippled sailor envious. The stolen money was returned, but the fine was not paid, and the queen of the gypsies now reposes behind the bars of the county jail.

## MINNIVILLE'S TEAM.

MINNIVILLE COLLEGE, McMinnville, May 14.—The local track team shows a lack of training and the men do not seem to get up into form readily. Not having a trainer, they have no one to compel them to obey rules, and when they go into meets they are in no form whatever.

The team showed up better against Pacific University last Saturday than they did the Saturday before against the farmers, and the varsity men and farmers are very evenly matched.

Captain Cummins seems to be the only first-place man on the team. On last Saturday he won both the mile and half-mile, with ease from the varsity men.

One of the weakest places of the team is in the weights. The "big" men in school show a lack of interest along this line and they do not get out and take work.

In the sprints, jumps and hurdles the team is also without winners. In the sprints there are some good second-place men in most any meet, but they are not winners. When the team lost the Adams brothers, of last year's aggregation, the best point winners who were ever in the school, were gone.

The team profits by every meet, however, and is beginning good, consistent training now. It is impossible to get the meet with Willamette University that was expected for Saturday, as the Willamette team has disbanded.

## TILLAMOOK, Ore., May 14.

Jerry Murphy was instantly killed at a logging camp on Bewley Creek this morning, the top of an old tree falling on him. He was a man about 40 years of age and unmarried.

## CONSULATES WERE UNDERMINED

SOFIA, May 14.—It is rumored from Sofia that the French and Russian Consulates there have been discovered to be undermined. Large stores of dynamite have been seized.
