SEEKING FOR INTERVENTION

And Macedonians Are Provoking Turks to Massacre

BALKANS PREDICTED IT

And Blame Sarafoff, the Agitator, for the Existing Troubles

POWERS DECIDE TO SUPPORT AUSTRIA AND RUSSIA IN THEIR EFFORTS TO ESTABLISH PEACE—MACEDONIANS ISSUE AN APPEAL TO THE POWERS.

ROME, Aug. 10.—It is stated here that there has been an exchange of views between the powers regarding the situation in Macedonia, and apparently the powers have decided to support Austria and Russia in the efforts to re-establish peace.

The reports previously received here from the Italian Consuls in the Balkans predicted the present revival of the insurrection which the Consuls considered to be almost entirely the work of Boris Sarafoff, the Macedonian agitator. The plan of Sarafoff, as understood, is to bring about European intervention by provoking Turks to massacre.

Sofia, Aug. 10.—The Macedonia committee has issued the following appeal to the powers: "The Mussulmans systematic persecution has compelled the Christians in Macedonia to institute a general rising. They have had recourse to this extreme measure after exhausting all the pacific powers to secure the intervention of Europe. The sporadic efforts of the powers to secure reforms have failed; they have resulted merely in greater oppression.

HOLDS FIFTY PROXIES

SECRETARY TREASURER OF NATIONAL BUILDING TRADES COUNCIL A FACTOR.

DENVER, Aug. 10.—Over 100 delegates were present when President E. L. Smyth called the sixth annual convention of the National Building Trades Council to order in the Cham-

ber of Commerce today. Many of the delegates hold proxies for others who are unable to be present. Secretary-Treasurer H. W. Stebbins announced that he alone held proxies for fifty votes. The greater part of the day was devoted to the routine business of organization. The delegates were formally welcomed by President Meyer Friedman, of the Chamber of Commerce, and President Allison Stocker, of the Material Men's Association. Responses were made by President Smyth, of the National Building Trades Council, and President T. M. Hyder, of the local council.

HAD TOO MANY GIRLS

A JAPANESE BUSINESS MAN REFUSED LANDING BY IMMIGRATION COMMISSIONER.

SAN FRANCISCO, Aug. 10.—Commissioner of Immigration North has ordered that Yashoi Yakoto, who arrived on the Coptic from Japan, be refused a landing until the court of inquiry passes upon his case. Yakoto is a wealthy merchant, and runs a store opposite Union Square, on Geary street. It is charged that the Japanese runs several disreputable houses in towns on the coast. It is also stated that he has just returned from Japan, where he secured about twenty girls to come to the United States. They are in Vancouver awaiting a chance to get to San Francisco.

This is the first case held for deportation under the new immigration law, which permits the commissioner to refuse a landing to such persons. It was inserted at the suggestion of Commissioner North to shut out undesirable aliens.

SLIGHT FALLING OFF

CONDITION OF GRAIN IS NOT SO GOOD, ON AN AVERAGE, AS LAST YEAR.

WASHINGTON, D. C., Aug. 10.—The monthly report to the Department of Agriculture indicates a winter wheat crop of about 400,000,000 bushels, or an average of 12 1/2 bushels per acre compared with 13 1/2 last year. The average condition of spring wheat, August 1, was 77.1 compared with 82.5 last month and a ten year average of 82. The condition in Washington of spring wheat is 74 against 82.5 on July 1, and a ten year average of 91. The condition of flax, August 1, was 89.3 against 96.2 a month ago.

CAUGHT FIRE IN A TUNNEL

A Terrible Catastrophe Takes Place in Heart of Paris

NINETY PERSONS KILLED

Eighty-Two Bodies Were Already Recovered From Wreckage

TRAIN BROKE DOWN IN TUNNEL; FOLLOWING TRAIN PUSHED IT THROUGH, WHEN FIRE BROKE OUT—TERRIBLE PANIC ENSUED—DEED OF A MADMAN.

PARIS, Aug. 10.—A catastrophe occurred last evening on the Metropolitan Electric Underground Railway, from which eighty-two bodies have been recovered. The total number of victims is estimated at ninety. One of the trains broke down at Melinmontant. This train was promptly emptied and the train which followed was ordered to push it to the repairing sheds. On the way these two trains caught fire. Meanwhile the crowded train reached Les harolines, the preceding station, and the officials seeing the smoke pouring out of the tunnel, gave the alarm. A panic ensued, the passengers struggling to escape.

The firemen for several hours were unable to enter the tunnel, owing to the dense smoke. Finally they succeeded in flooding the burning mass, and shortly afterward they were able to enter the tunnel.

Buffalo, N. Y., Aug. 10.—Kent T. Stowe shot his wife dead in their bedroom at their home in this city today. Stowe then sent a bullet through his head. He was removed to the hospital where he died tonight. The police can find no motive for the crime. Stowe was employed by the Lake Shore railroad, and was a grandson of James Tillinghast, former vice president of the New York Central railroad.

YORAN NOT ARROGANT

EUGENE SOLDIERS COMMEND HIS ABILITY AS AN OFFICER VERY HIGHLY.

EUGENE, OR., Aug. 10.—The allegation of the Roseburg militia boys that Colonel George O. Yoran is an officer

who delights in showing off his authority among the state soldiers is false. No one who knows the Colonel would accuse him of being unduly "inflated" or arrogant in his position. The militia boys of Eugene respect Mr. Yoran for his knowledge of military affairs, and for his ability as a guardsman. Other companies in the regiment just disbanded speak for his ability as a soldier and field commander.

The statement published in Friday evening's Telegram from Roseburg must have been written by an irresponsible correspondent who did not sound the sentiment of his home company very deeply," said one guardsman. "There are those who kick at every officer and at any kind of work done. Colonel Yoran has received as few complaints as any other officer who has served in the National Guard as long as he has. The Eugene officers refuse to believe that the statement published is a true imprint of the sentiment of Roseburg's militiamen."

"Colonel Yoran's action in recommending Roseburg as the place of encampment was entirely unselfish. He was under orders to select a place, and as the companies of the regiment and separate battalions could not assemble in the same place on account of a lack of funds, selected Roseburg because that city has not had the enjoyment of witnessing a military encampment for a number of years. Roseburg should feel honored for the selection instead of registering a kick."

Captain J. M. Williams, of Company C, believes that as much good will come of the separate battalion encampment as would have resulted in an encampment of the state in one spot. "The companies would have to do battalion drill anyway," said he "and what is the difference where it is held? Of course there would be more dress parade and a bigger showing at a single camp, something the soldier boys are looking for, of course, but in the actual benefit to National Guardsmen, the separate encampments will be of as much or more value to the companies than the single encampment."

WILL DESTROY RAILROADS

LEADER OF THE MACEDONIAN FORCES GIVES WARNING NOT TO SELL TICKETS.

VIENNA, Aug. 10.—Boris Sarafoff, the active leader of the Macedonian insurgents, has warned the directors of the Oriental Railway not to sell passenger tickets for all the railways, he says, will be destroyed.

METERS COULDN'T SWIM

EUGENE, OR., Aug. 10.—While bathing in the Willamette river yesterday afternoon Gus Meyers, aged 17, was drowned. The body was recovered, but too late for resuscitation.

Meyers, who could not swim, ventured beyond his depth, believing that he could reach shore all right, as he had seen others do without much difficulty. He lost his presence of mind and after making a short struggle went down for the last time. The drowning occurred near Saginaw.

CLAIMS SHE IS NOT HIS WIFE

Heirs of Henry Oilschlager Take a Hand in the Proceedings

ASK TO HAVE PETITION OF MARY OLSCHLAGER DISMISS, AND THAT GEORGE G. BINGHAM BE APPOINTED GUARDIAN—ESTATE VALUED AT \$20,000.

An answer was yesterday filed in the Marion county probate court to the petition of Marie Oilschlager, which petition asked for the appointment of Theo M. Barr as guardian of the person and estate of Henry Oilschlager, an insane person. The answer was filed by J. M. Geo. C., Margaret M. and Gertrude D. Widmer, children of Elizabeth Widmer, deceased, who is alleged to be a niece of Henry Oilschlager. The heirs deny the allegations set out in the petition of Marie Oilschlager, and in particular that the petitioner is not the wife of Henry Oilschlager, or any other relation, but only his housekeeper, in which capacity she has served the past many years.

They also deny that the petitioner's name is Marie Oilschlager, and allege that her first name is Sabilla, her last name being unknown, and ask that her petition be dismissed.

The heirs also filed a petition asking that the court appoint George G. Bingham guardian of the person and estate of Henry Oilschlager, in which it is alleged that the estate is valued at not less than \$20,000, instead of \$12,500 as claimed in the first petition.

The legal heirs of the ward as given in the petition filed yesterday, are as follows:

J. M. Widmer Margaret M. Widmer and Gertrude D. Widmer, of Seattle, Wash.; George C. Widmer, of Eugene, Oregon; Christian Sulzen, Hubert Sulzen, Karl Sulzen, Peter Sulzen and Elizabeth Sulzen, of Kilsengraben No. 35, Cologne, Germany, and Joseph Sulzen, of San Francisco, California. The latter named are children of Gertrude Sulzen, deceased, who, it is also alleged was a niece of Henry Oilschlager.

Yesterday was the time set by the court for the hearing of the petition of Marie Oilschlager, but by agreement of the attorneys, the matter was postponed until some time next month. P. H. D'Arcy, the attorney for the original petitioner, and Bonham & Martin appear for the heirs.

In the matter of the estate of William Fowler West, deceased, the cause wherein Anna E. West, et al. were the plaintiffs, and Fort Boise West, executor, the defendant, was dismissed by the court without prejudice.

A WOMAN DROWNED.

KLAMATH FALLS, OR., Aug. 10.—While in a fit of insanity, Mrs. Clara Batchelder, wife of George Batchelder, of Lakeview, drowned herself Saturday night by jumping into Klamath river from the bridge at this place. She had been in poor health for some time, and her brain seemed affected. With her husband she arrived from California Thursday and stopped here to visit their parents, Mr. and Mrs. Paul Breitenslein.

Being left alone in a room for a moment she escaped from the house, but was soon followed by her husband and brother. They reached the bridge a time to hear the water splash as she leaped from the railing. By the use of boats the body was recovered in fifty minutes.

Mrs. Batchelder's sickness, resulting in her rash act, is thought to have been largely due to brooding over the death of her sister, Mrs. William Nail, who suicided herself about a year ago.

Boise, Ida., Aug. 10.—Governor Morrison has accepted the resignation of H. H. Davis as Commissioner of Immigration, Labor and statistics and has named T. C. Eggleston, of Caldwell, to succeed him.

Rev. George C. Ritchey and family left yesterday for Anaheim, California, where he has accepted a call in the First Christian church.

THE SALOONS MUST CLOSE

Bremerton Saloon Keepers Lose Important Point

LOWER COURT IS UPHELD

By the Supreme Court in Denial of Writ of Supercedeas

UNDER OPINION, CITY COUNCIL HAD RIGHT TO REVOKE THE LICENSE PRIOR TO ITS EXPIRATION—SUFFERERS OF PHILADELPHIA DISASTER.

OLYMPIA, Wash., Aug. 10.—The Supreme Court today denied the writ of supercedeas asked for by a Bremerton saloon keeper permitting him to run a saloon pending the determination of an appeal from the decision of the lower court upholding the Bremerton town council in its contention that it had the right to revoke a saloon license prior to its expiration. This in effect upholds the lower court.

This was the case that grew out of Bremerton's revoking all the saloon licenses as the result of the Navy Department's order that, on account of the immoral surroundings, no more vessels should go to Bremerton.

Philadelphia, Pa., Aug. 10.—Two actions at law were instituted today to recover damages for injuries received in the accident at the baseball park

Saturday, when nine persons were killed and 200 wounded. The suits are directed against the lessees of the grounds to determine the liability. The remaining two games of the series with Boston were postponed. One of the wounded died today, which makes the ninth fatality.

MUST VOTE AGAIN

FAILING TO COMPLY WITH PLANS SCHOOL LOAN REQUIRES NEW ACTION.

ROSEBURG, Or., Aug. 10.—Since the school election held here last Monday it has been found by the board of directors that a certain technicality of the law specifying as to whether the bonds shall be issued on the popular loan plan or as a regular bond issue to be placed upon the market and sold, has not been complied with.

As this matter must be settled by a vote of the taxpayers, another bond election has been called for Wednesday, August 26. This will cause no delay in the erection of the new High School building, because in the meantime the plans will be received and considered.

MARKET MUCH MORE STABLE

Banking Interests Took Measures to Revise It

STOCKS MADE ADVANCES

Most Active Rose From One to Two Points Over Saturday

UNION PACIFIC SHOWED GREATEST GAINS DURING THE DAY—FINANCIAL DISTRICT MEN HURRY TO RECOVER FROM LOSSES FROM LAST VIOLENT BREAK.

NEW YORK, Aug. 10.—Measures were adopted in Wall Street today similar to those of last Thursday when a demoralized break in stocks was controlled by opportune protection measures of the large banking interests. There was a similar hurrying back to the financial district by men in the financial world to repair the damage by Saturday's violent break in prices.

The downward plunge of prices was checked for a time, but there was no such sustained tendency to a recovery as was the case Thursday and the settlement continued feverish and unsettled throughout the day.

The market turned strong in the last hour and active stocks rose from one to two points over Saturday's closing level. Union Pacific was conspicuously strong and advanced 3/4 over Saturday to 90. The closing was quiet and steady with the advances well maintained.

GETTING CHALLENGER IN TRIM FOR THE APPROACHING RACES

NEW YORK, Aug. 10.—A small army of dock yard employes besides her own crew and some of the crew of Shamrock I swarmed about Shamrock III as she lay in dry-dock in the Erie Basin today and began the task of putting her in trim for the cup races. She will be cleaned, repainted and re-named. The day before the first race with Reliance, she probably will be measured by the official measurer of the New York Yacht Club to ascertain her racing length, and whether either boat will have to give the other time allowance.

Toronto, Ont., Aug. 10.—The second race for Canada's Cup was won by Strathcona, the defender from Irondequoit, by over eight minutes elapsed time.
