A Chinaman from the Aurora district yesterday reported that J. A. Ray, the Partland dealer, had made him a bona fide offer of 27 cents on a contract, but, Mr. Ray being in Portland, this could not be confirmed.

There is a great army of pickers in the fields in the vicinity of Salem, no less than 50,000, all told, and it is safe to say that picking is in full blast in all the yards. The growers were very hopeful during the past ten days of bright, warm weather, but the present cool, cloudy and threatening weather will have a tendency to cast a shadow over their bright prospects, and, if it continues for any length of time, there is no doubt that great damage will result from mold.

Hop Contracts Filed.

A hop contract was filed in the Maden county recorder's office yesterday, by which G. A. Ottway, of Silverton, sold to the A. Magnus Sons Co., of Chicago, Ill., 10,000 pounds of his 1903 crop, at 20 cents per pound. Two contracts executed in July have also been placed on record, as follows: R. F. Myers & Sons, of Silverton, to T. A. Livesley & Co., 20,000 pounds at 15 1-2 cents per pound. L. J. Mascher, of Silverton, to T. A. Livesley & Co., 25,000 pounds at 15 cents per pound.

VANCOUVER, B. C., Sept. 4 .- Instead of carving joints two Japanese patrons of a Chinese restaurant attempted to make hash of each other. The result is that Mah Kah is in a hospital feeling very much sewn up over the affair, and his compatriot, S. Hashimoto, awaits trial in jail.

hTe two went to the Hang Flower in Chinatown to have a tasty supper together to mark the end of the fishing season. Their food seems to have disagreed with them and they quarreled. Hashimoto got the worst of the war of words, so he went to the kitchen and got a sharp knife with which he proceeded to cut up Mah. A nice gash in the throat was his preliminary; next he took off one of Mah's ears and was making a good start on the other when the police gathered him in,

John Hunt, a farmer who resides near Rosedale, met with an accident yesterday which might have been serious, but he fortunately escaped with comparatively slight injuries. He was driving a four-horse team to a load of wood which he was bringing to this city, when in coming down a steep grade, his brake broke allowing the wagon to run down upon the horses and caused them to run away. The wagon was thrown over the embankment and Mr. Hunt was hurled against the bank with sufficient force that it was thought one or more of his ribs were broken.
