### THE ORATORICAL CONTEST. Willamette University "Spielers" Getting Ready for the Try-out-Basket Ball Talk.

(From Wednesday's Daily.)

Interest in the approaching oratorical contest is increasing as the time draws near for the local try-out. This will occur Friday, January 29, and promises to be one of the most interesting local contests held at the university for years. Four contestants will enter and strive for the honor of representing Willamette in the state contest, which will be held at Forest Grove, March 11. They are: Miss Grace McConnell, of Portland; C. E. Skidmore, of Halsey; W. C. Winslow, of Salem, and J. Ray Andrews, of Sunnyside, Washington.

President Thomas, of the State Association, has called a meeting of the executive committee to be held in Albany January 22. This committee consists of one member from each of the schools composing the association, and their duty at this time will be to select judges, both on composition and delivery, and to make all arrangements necessary for the holding of the con-

Basket Ball the Craze.

In athletic circles all interest is now centered on the basket ball game with O. A. C. next Friday night. The have entered into the race for the coast | to the rear of Mr. Ratliff's structure, 'farmers' are certainly hummers and championship with a vim. In defeating was totally destroyed, and with no inthe famous Portland "All-Stars" Friday night on the Portlanders' own floor by a score of 26 to 16, they fully established their right to enter the race. Swan, the little O. A. C. forward, is certainly a wonder, throwing twelve out

of a possible thirteen baskets. Willamette has never been defeated but once on her on floor and the team is determined to keep up the good record and add another victory to her credit Friday night. Every man on both the first and second teams has been out every night this week practicing hard, and they are now fully prepared for one of the hardest games of, their lives. Judd is nursing a sprained ankle at present and will not be in the line-up Friday night, but his place will be ably filled by Miller, who made such a good showing in the practice game with the local Y. M. C. A. last Thurs-

# WAS A TOTAL LOSS.

Dr. F. F. Snedecor's Kesidence in Alabama.

(From Wednesday's Daily.)

Brief anonuncement of the fact of the destruction of Dr. F. F. Snedecor's residence, at Birmingham, Alabama, on Tuesday, January 12, was contained in the Wednesday issue of the Statesman, Such facts as were given at that time were obtained from a dispatch which was received by Mrs. E. Breyman, mother of Mrs. Snedecor, who was formerly Miss Magdalena Breyman. The Birmingham News, of the date of the conflagration, gives the details of the disaster, extracts from which follow:

"The residences of Dr. F. F. Snedeor, C. B. Ratliff, of Bessemer, and the kindergarten of Miss Williams, and three-fourths of the residence of John Lewis, adjoining property on Nineteenth street and Eleventh avenue, South, were destroyed this morning by fire which originated about I o'clock. The total estimated loss will be about \$20,000, of which about \$15,000 is covered by insurance and builder's risk, it

dence was \$6000 and the furniture \$2500, of which \$3000 was covered by insurance. The cost of building Mr. Ratliff's residence is estimated, being almost completed. There was no insurnnee taken out by Mr. Ratliff, but it is reported that the contract for the erection of the building called or a builders' risk for the full value. John Lewis, whose residence is valued at about \$7300, will be the smallest loser, it is believed, having \$5000 msurance and the building not totally destroyed. Platt Has Found Out Why the Demo-The kindergarten building belongings to Miss Allen, sister of Vassar Allen, surance. The house was estimated at about \$500.

## Y. M. C. A. MAY BUILD The Proposition Is to Erect a \$10,000 Structure Near the

CORVALLIS, Or., Jan. 19 .- Members of the Y. M. C. A. organization are contemplating the erection of a \$10,000 building near the college campus. State Secretary Stone was in this place during the week, looking over the ground and he states that he will advise that such a structure be erected owing to the importance of being in close touch

with student life. The College Y. M. C. A. is strong numbers, and great interest is taken in the work by the students, the great drawback being lack of accommodations for meetings, etc. Mr. Stone states that there is on hand about today in the ease of Alderman Jacob \$4,000 available for such a purposo, P. Allen, charged with having acceptand he has no doubt the remainder can ed a bribe of \$350 from ex-City Attorbe raised by public subscription. A site for the structure would have water deal scandal. The jury was out to be purchased, as it is not allowable a little less than two hours.

COUNCIL COMMITTEES WILL CON-SIDER RECOMMENDATIONS IN MAYOR'S MESSAGE.

Much Business Disposed of During Council Meeting Last Evening-Committees Failed to Report so No Action Was Taken on Bicycle Ordinance and Other Important Matters.

(From Wednesday's Daily.) When Mayor Waters called the city ouncil to order last evening all mem bers were in their seats with the exception of Aldermen Catlin and Sims. It had been generally expected that the preposed bicycle ordinance and other importan; matters now in the hands of the various committees would be brought before the meeting for final action, but owing to the short interval between the adjourned meeting held on last Friday and last evening's meeting, the committees did not have sufficient time in which to consider the matters referred to them, and consequently did not bring in their reports.

The committee on streets, however, reported favorably upon the petition of the Citizens' Light & Traction Company, asking permission to build waiting rooms at the terminals of the company's street railway lines in South Salem, Yew Park and the Fair Grounds, the report being adopted by a unanimous vote of the council. The committee asked further time in which to report upon the pctition of Miss Celeste Liston, which asked that the council reimburse the petitioner for amounts paid out for medical attendance; etc., was granted.

Alderman Gesner took a step in the right direction, when, realizing the importance of the recommendations contained in the able message of Mayor Waters, moved that the message be taken up and the various suggestions contained therein be referred to the proper committees for consideration, the committees to report upon the same and make such recommendations as they may see fit. The motion was unani

mously carried. W. A. McIntyre and others petitioned the council to have the electric street lamp at the intersection of Eighteenth and Mill streets removed to the intersection of Nineteenth and Milk. The petition was referred to the committee

Alderman Gesner introduced the folowing resolution, which was adopted: "Whereas, the new conditions, now existing, regarding fire protection, to our increased population and territory, require a greater proficiency in the service of the fire department, and to the end that the department shall be kept in the best possible condition;

"Be it resolved, that the committee on fire and water is hereby requested to make a full investigation of our present appliances as well as their present conditions, together with such needs as the committee may deem necessary for the betterment of the service, and report the same to the council assoon as practicable."

Alderman Downing introduced a resolution to the effect that the committees on streets, and on bridges and approaches, be instructed to investigate and examine the different streets and bridges within the city for the purpose of ascertaining their condition, and finding out what steps might be taken to improve the condition. The resolution was adopted.

A resolution was introduced by Alderman Crossan providing for the appointment of a committee of three, the mayor to act as chairman, to review the records in the various departments of the city, and ascertain the exact financial operations for the past five years, and prepare an itemized statement of the receipts and expenditures, during such period, and ascertain the. different sources of income and expenses, the statement to be used by the council as a future guidance and reference. The resolution was changed to cover a period of six years, after which it was unanimously adopted. Aldermen Crossan and Walker were apspecial committee.

The city recorder was instructed to advertise for bids from the daily newsapers of the city for the city's printng during the ensuing year.

The recorder, upon motion of Alder man Gesner, was also instructed to advertise for bids for the furnishing of 50,000 feet of bridge and crosswalk

H. P. Minto and others, the present owners of Minto's island, asked the council for a reconsideration of contract made between the city and J. W. Minto, Sr., now deceased, by ferred to the committee on streets. After reading the bills against the
