An Infinity Of Ring Designs

When one sets out to buy a ring it is no small part of the pleasure of selection to have a large number of kinds and designs to choose from. At the Barr store there are so many, many different rings on view-of all sorts, kinds and sizes that it would take hours to accquately look over the entire stock. Our largest business is of course done in ladies' rings, and we have these in many styles of solitaires, clusters and combinations of diamonds, rubies, saphires, opals, pearls, terquoise, amethysts, garnets, bloodstones and many other -precious stones at all sorts of prices from \$1.75 up to \$200 each. Mens' rings, stone, seal, and plain; wedding frings—the "Barr" brand, and babies' rings, as cute as can be; are carried in adequate variety.

New Passenger Agent Arrived-

TO THE OLD HOME

If you are going home-to your childhood's home-this year, remember that the NORTHERN PACIFIC leads to everybody's home.

You can go by way of St. Paul to Chicago, or St. Louis and thence reach the entire East and South. Or, you can go to Duluth, and from there use either the rail lines, or one of the superb Lake Steamers down the lakes to Detroit, Cleveland Erie, and Buffalo ... the Pan-American City.

Start right and you will probably arrive at your destination all right, and, to start right, use the Northern Pacific, and preferably the "NORTH COAST LIMITED" train, in service after MAY 5th.

Any local agent will name rates.

The ceremony was performed in the presence of the immediate relatives and a few invited friends. Later in the evening a grand reception was given in the parlors of the Willamette Hotel, with dancing in the elaborately decorated ball room. This function was at tended by a large number of Salem's hest society people, and also a goodly number of friends from Portland and other valley cities. The affair was superb in every particular and almost precludes description, being one of the most brilliant social functions ever given in the Capital City. The happy bridal couple departed on the night ov erland train for a several week's wedding tour, presumably in California, although they refused to disclose their destination.

word of God is its own best interpreter on all questions of vital importance. Let us look at the word for a little time and see if we can catch its mean-

ing and importance. "We have two words, repentance

and repent, one a verb and the other a noun, and they occur no less than sixty-four times in the New Testament. Forty times the verb repent oceurs, so that it is a matter of importance and should excite your interest. "It is necessary then that we know what we mean by these terms. In the old version of the Scriptures the words were left in some ambiguity. And hence later revisions give a clearer idea of the meaning of the terms. The

word, not only has a meaning, but it

has different meanings. "Repeut some times means regret, sometimes sorrow for sin, sometimes reformation of the entire life. Judas repented and went out and hung himself. Paul indicates in the Corinthian letter, that he repented of a good action and that there was a repentance to be repented of and a repentance not to be repented of. This seems paradoxical, but the words are differentdifferent in meaning and in applica-

"Every one knows that a person may regret or be sorry for a good action, especially when conferring a favor on any one that favor is abused to the injury of him that receives it. Paul regretted that he had written a good letter to the Corinthians because it produced excessive grief. But seeing that it resulted in a "repentance to salvation," he ceased to regret that he had written it.

"God is said to 'repent and not to repent,' but as there is no change in his affections, no reformation in his repentance, the term used is not that connected with the Gospel.

"'I have sworn and will not re pent, Thou art an eternal priest.' He simply means, he does not regret and will not recall the appointment. He could not have meant anything else. "Such use of the word is not that

which indicates repentance unto life. Or repentance that changes the life. When John the Baptist came as the harbinger of Christ, he preached the baptism of repentance for remission of sins. He preached that the Kingdom of God was at hand, and for this reason there must be a reformation of life in order to be ready for the new conditions. When Jesus came, and before he established his church, he said, repent for the Kingdom of Heaven is at hand. It was the restoration of life, the throwing off of the ins of the people and turning about that they might enjoy the fellowship of the new order of things.

"The same proclamation was made by the seventy whom Christ sent out is his first messengers. Those who vere sent to the lost sheep of the louse of Israel. Repentance under the ew dispensation takes on a new dress. After the setting up of the new hurch, the new Kingdom of God, the irst enunciation of the importance of repentance was made on the day of Pentecost. When the Holy Spirit had aptized the apostles, and gave them Gist of Lessons for 1904, 25 cents. hem utterance, three thousand were ut to the heart over the preaching of eter, who had accused the Jews of rueifying the Lord of Glory, proving o them by their own prophet that Cancer Cure Guaranteed. hey were speaking as was prophesied, and they cried out, men and brethren, with X-rays when you have something what must we do?
