thorizing the erection of an aditional Grand Rapids, and also along the Sagdepartment building in Washington today was given the subject of a spir ited debate in the Senate. It remains unacted upon. The Senators were divided largely on the question of location but there was also talk as to the necessity of better office accommodations for the Senate and Supreme Court. During the day there was a renewed effort to pass the bill, but owing to the opposition of Senators who hold the bill is calculated to interfere with the rights of individual states under the guise of an effort to control interstate commerce, the vote was not reach

### BURGLARS AT CORVALLIS.

### Two Residences Entered Early Yesterday Morning-Thief Said to Be Woman.

CORVALLIS, Or., March 30.-Two Corvallis residences were visited early yesterday morning by a burglar, who from all indications, seems to have been a woman. Seymour Simpson is lamenting the loss of \$50 worth of elothwearing apparel, a fine lace bedspread, jars of canned fruit, which were taken from the fruithouse. This burglary took with him, heard a disturbance down

About 4 a. m. the house of Attorney W. E. Yates was also broken into. Mr. Yates was sleeping down stairs and was awakened by the noise of rattling dishes on the dining table. He immediately turned on the electric light and caught a glimpse of the burglar, which was either a woman or a very small man, with a long gossamer or raincoat on, in a rush that was made to get out of the house. The footprints from died soon afterward. the kitchen door across the back yard, when examined the next morning, apparently were made by a woman's shoe. Nothing was taken from Mr. Yates' house, owing to the fact that he woke up just after the entrance of the bur-

### PHONE COMPANY MUST PAY.

The Russians are reported to have left three dead behind, but to have carried off a number of wounded. It is possible the ment at Crong Ju. The name Tyoniya is not given on the maps.

Small Opening Is Left.

Washington, March 29 .- The Japan ese legation has received from Tokio Admiral Togo's report respecting the attempt to bottle up Port Arthur. About 3:30 a. m. of March 27, the bottling-up squadron, composed of four ships, escorted by a torpedo flotilla reached the outside of Port Arthur, and, in spite of the terrific fire the ships made their way into the inner roadstead, one after the other.

The steamer Chio Maru, anchored at a position about a half cable from anchor, was torpedoed and sank. The Hachi Hiko Maru anchored to the left of the Fukin Maru and blew up itself and sank. The Yoneyama Maru, collamette river has been steadily rising liding with the stern of one of the for there years. The remains were for the past 24 hours, on account of enemy's destroyers, passed by the shipped to Portland for burial. by the enemy and was carried toward the left side of the shore and sank sideways. The result of the action being there is some space left between the Hachi Hiko and the Yoneyama Maru.

> The casualities were as follows: Two officers and two sailors killed and two officers wounded. The remainder were safely taken in by our torpedo flotilla. Although both of our flotillas were subjected to terrific fire not the slightest damage was done to any of the boats.
