CHICAGO, May 21.—A world's record and four conference records were broken in the track meet at Marshall Field today, between the University of Michigan and the University of Chicago. Michigan won by a score of 70 to 56. In the shot putting contest, Rose, of Michigan, put the 16-pound shot 48 feet. Then in an effort to lower the world's record he hurled the 16-pound weight 48 feet 7 1/2 inches. The former record was held by Horgan, of Ireland, and was 48 feet 2 inches. Rose also broke the conference record in the hammer throw, with a distance of 154 feet 1 1/2 inches. In the half mile run, Hall, of Michigan, went the distance in 2 1/2 minutes, which is 2 1/2 seconds better than his old mark, made last June. Another conference record shattered was the discus throw, which Parrott, of Chicago, captured, with a throw of 121 feet 2 inches. In the two mile run, Kellogg, of Michigan, won in 9:54 1-5, the fourth conference record broken.

Three Records Broken. Tacoma, May 21.—Seattle won the eighth annual Western Washington inter-scholastic field and track meet today. The victors scored 75 points; Tacoma getting second place with 44 points; Ballard third with 11 points, and Everett last with 4 points, no other high schools being represented. Three records were broken. The pole vault by Tuttle, of Tacoma, 10 feet 6 inches; the mile run by Watson, of Tacoma, in 4:48; the half mile by Clark, of Tacoma in 2:06 4-5.

Colored Troops Fight Nobly. Vancouver, Wn., May 21.—The three days' program of athletic sports among the army troops came to a close this evening with a baseball game between the Ninth cavalry team (colored), of Fort Walla Walla, and the Eighth Battery of light artillery of Vancouver Barracks, which was won by the cavalry, 15 to 5. Out of ten competing teams the Eighth Battery of light artillery won the silver cup offered as a prize for the team winning the most points. The Ninth cavalry, of Fort Walla Walla, the only colored team contesting, was a close second. Following are the winners today: Hurde race 220 yards—Corporal Peters, Troop E, Ninth cavalry, 28 seconds; 120 yard run—Corporal Peters, Troop E, Ninth cavalry, 15 seconds; 440 yard race—Corporal Burroughs, Seventy-first coast artillery, 56 seconds; potato race—Private Bowlett, Troop E, Ninth cavalry, 1 minute 57 seconds; bicycle race—Private Saitis, Eighth Battery, 6 minutes 5 seconds.

Yale Downs Harvard. Cambridge, Mass., May 21.—Breaking dual records in the two mile run and hammer throw, with close competition in most other events, lent interest to the Yale and Harvard dual athletic meet, won by Yale on the soldiers' field today. Yale score a total of 57 7-12 points against 46 5-12 for Harvard. In the two mile run, King of Harvard, won in 12 minutes 54 1-5 seconds, lowering the dual record by 1 3-5 seconds. In the hammer throw, Shevlin, of Yale, hurled the weight 153 feet 9 inches, or six inches further than the dual record. In the pole vault, William McLanahan, of Yale, R. B. Ewing, of Harvard, and B. C. Preston, of Yale, tied for the first place at 11 feet 6 inches. Points for events: Yale, 57 7-12; Harvard, 46 5-12.

FAVORITE WON ENGLISH LAD, BACKED HEAVILY, CAPTURES CHICAGO DERBY YESTERDAY.

The Racing Authorities Retaliated on the Western Union Telegraph Company for Its Recent Pool Room Order, and Excluded It From the Track.

CHICAGO, May 21.—English Lad, a heavily backed favorite, won the Chicago Derby at Hawthorne today by half length in a fierce drive with Prince Silver Wings. Moharib, winner of the Kansas City Derby, was third; time 2:06. English Lad's victory was a popular one and when he passed under the wire a winner, a tumult among the 15,000 persons that packed the grandstand and crowded in the field was caused. Getting off promptly Prince Silver Wings took the lead and remained in front until the stretch was reached. As the horses turned into the stretch English Lad sprang forward, passed Prince Silver Wings. From that point on English Lad held his place and passed under the wire a winner by half a length. For the first time in the history of Chicago race tracks, the Western Union Telegraph Company was barred from the track. The order was made, it is believed, because of the recent action of the telegraph company in refusing to continue its racing ser-

vice to pool rooms. Newspapers and all other customers of the telegraph company suffered from the order.

Every Healthy Boy likes to get himself into places of danger. Hence bruises, strains and sprains. Mother scolds and brings out the bottle of Perry Davis' Painkiller and rubs it on the injured spots with an energy and frequency depending on the seriousness of the case. There is nothing like Painkiller to take out the soreness. There is but one Painkiller, Perry Davis' Price 25 cents and 50 cents.

MISS EGAN GIVES RACY DESCRIPTION OF PRESENT WOMAN'S COLUMN IN PAPERS.

Melville E. Stone, of the Associated Press, Says Not a Line of Scandal Would Be Printed in American Newspapers Were It Not for the Women. ST. LOUIS, May 21.—Before the press section of the biennial convention of the General Federation of Women's Clubs today, held in the German Government Pavilion at the World's Fair Grounds, the "Woman's Column" was the subject of an address by Miss Egan, the Louisiana member of the World's Fair Board of Lady Managers. She said the "Woman's Column" in the average newspaper is filled with "Paudits and platitudes and puerile and pudding." "No woman," continued Miss Egan, "is fit for the ballot or for equal rights with men as long as she permits a woman's column of the accepted type." Melville E. Stone spoke on the influence of women on newspapers. He said not a line of scandal would be printed in the American newspaper were it not for women.

Whooping Cough.

"In the spring of 1901 my children had whooping cough," says Mrs. D. W. Capps, of Capps, Ala. "I used Chamberlain's Cough Remedy with the most satisfactory results. I think it is the best remedy I have ever seen for whooping cough." This remedy keeps the cough loose, lessens the severity and frequency of the coughing spells and counteracts any tendency toward pneumonia. For sale by all druggists.

THE RUSSIANS VICTORIOUS

REPORT OF SUCCESSFUL SORTIE FROM FORT ARTHUR AND DEFEAT OF JAPANESE.

STORY, HOWEVER, IS DOUBTED

Russian Cruiser on Her Way to Receive Armament Is Said to Have Been Damaged.

An Attempt Said to Have Been Made to Wreck Train Carrying the Czar Frustrated by Precaution to Send Pilot Train Ahead, Which was Detained.

ST. PETERSBURG, May 21.—The Government received news today that General Stoesel has made a successful sortie from Fort Arthur, resulting in a repulse of the Japanese. The Japanese loss is over 1000. Russians, 116 killed and wounded. The sortie was made in combination with an effort to get an ammunition and supply train into Port Arthur. After the engagement the Russians retired into the fortress, together with the train.

Memorial Services to Be Held at the First Baptist Church on Sunday, May 29, to Which All Veterans Are Invited—Address and Program on the 30th.

ST. PETERSBURG, May 21.—Current accounts from the Port Arthur sortie are somewhat conflicting, and there is some doubt as to whether the version mentioning the train is correct. The Russian troops fought with great bravery, breaking the Japanese line and carrying the enemy back for a considerable distance.

Russian Cruiser Disabled. St. Petersburg, May 21.—Reports which lack confirmation are in circulation here that the Russian cruiser Orel, while on her way to Cronstadt to receive her armament, sustained damage which rendered it difficult for her to keep aloft. The Orel, which is a new vessel, went on the ground in evt recently, but was refloated.

Precaution Saved Czar. Paris, May 21.—The Petit Journal's St. Petersburg correspondent reports that an attempt was made to wreck the train bearing the Czar on his tour, at Krenozing station. The pilot train, which preceded the Czar's was derailed, killing several people.

TIME FOR WORK

THE STAYTON MAIL SAYS SALEM SHOULD MOVE FOR MOTOR LINES.

Possibility That Salem May Be Left Out Should the Estacada Line Be Extended South Through Silverton and Along the Foothills to the Santiam.

(From Sunday's Daily.)

Salem ought to make a campaign for motor lines, and keep it up everlastingly, until there are lines in every direction. The Statesman is thinking of opening such a campaign; getting the addresses of all the big men in the United States who are interested in motor line construction, ownership and operation, and printing the advantages offered here, then sending copies of the paper containing such matter to their addresses, and keeping at this persistently until all who ought to be concerned know what we have to offer here. If this sort of campaign were supplemented by the formation of a local company to secure rights of way to hang up for the benefit of all comers, it would be successful. It would likely take time, but it would bring them.—Salem Statesman.

It is up to the people of Salem to wake up on the question of motor lines and the newspapers of that city should commence hammering until a stock company is organized, a survey made and right of way secured for a motor line from Salem to this place. A few years ago it would have been possible to secure a right of way at very little expense, while now it is different, and every day's delay will add to the cost of this important feature in railway construction. If Salem waits for Eastern capital to come here and build motor lines without some inducement being offered, it is very probable that Portland will receive the benefit instead of Salem. A line of road from the upper Santiam valley, through Stayton, Silverton and along the foothills east of the line of the Southern Pacific railroad, would be able to reach a large body of timber, would be adjacent to numerous fine water powers, and would prove a "breadwinner" to Salem. If it is true that the Oregon Water Power & Railway Co., who last week completed their road to Escanada, in Clackamas county, owns the water power at Niagara, and has already made a survey to

FRANCE HAS RECALLED AMBASSADOR TO VATICAN

Silverton, it may happen a line will be built along this route that will not reach Salem. In order to head off anything of this kind it might be well for Salem to "get busy."—Stayton Mail.

APPRAISERS FILE REPORTS.

Will of the Late Miss Evans Admitted to Probate in County Court.

The will of the late Ellen G. Evans was yesterday admitted to probate in the Marion county court. The estate consists of real and personal property valued at about \$225, all of which is bequeathed to D. William Evans, a brother of the deceased, who is also named in the will as executor and is to serve without bonds.

NOT BAD AS REPORTED. CHEYENNE, Wyo., May 21.—Only two lives were lost in the flood which swept through the west and south of Cheyenne last night, the victims being the Clayton boys, four and two years old. Others who were missing were found today. Ranchmen living along Crow Creek report that none of their families were lost, but they were drowned out. The damage is estimated at \$50,000.

French View of Situation. Paris, May 21.—The formal announcement of the recall of M. Nisard was made this evening and the following official statement was communicated to the press: "Ambassador Nisard is recalled and the secretary of affairs during his absence." It is understood that M. Nisard's interviews with the papal authorities were unsatisfactory to France, hence his recall. It is learned that the government does not intend immediately to denounce the concordat. No further steps are contemplated at present, unless parliament directs further action. Efforts are being made to induce the premier to follow up the ambassador's recall by a denunciation of the concordat, but M. Combes does not wish to go to that extreme. The result of the rupture promises materially to strengthen M. Combes' administration.

MEMORIAL DAY

WILL BE CELEBRATED WITH DUE REVERENCE BY VETERANS OF SALEM.

Arrangements are nearly completed by the committee of the G. A. R. for the exercises and ceremonies of Decoration Day. On Sunday, the 29th, the members of the Post and of the Woman's Relief Corps and all veterans of the Civil war and their families who desire to do so, will attend memorial services at the Baptist church. It is desired that all Veterans of the Civil war, who can do so, meet at the Post headquarters over Harritt & Lawrence's grocery store, and march with the members of the Post and be seated with them in the church. On Monday there will be the usual parade through the streets, after which the veterans will take the electric cars for the cemetery, where the ritualistic services of the order will be observed and the graves of deceased comrades appropriately decorated with flowers.

A Sure Thing. It is said that nothing is sure except death and taxes, but that is not altogether true. Dr. King's New Discovery for Consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. McMetre of Shepherdstown, W. Va., says: "I had a severe case of bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely." It's infallible for croup, whooping cough, grip, pneumonia and consumption. Try it. It's guaranteed by Dan J. Fry, druggist. Trial bottles free. Reg. Sizes 50c, \$1.00.

A. F. McAtee, who now lives in Portland, visited in this city over Sunday and returned home yesterday afternoon. Mr. McAtee is well pleased with his new location and is building a new house on property he recently purchased.

SOCIAL ITEMS.

Birthday Party. Helen Rose the little daughter of Mr. and Mrs. Geo. L. Rose, of this city, celebrated her third birthday, Friday, May 19th, by entertaining her little neighbor friends. The lawn was prettily decorated with rugs and cushions, and a dainty little tea table most pleasing to the eyes of the little ones. During the afternoon many different games were played and a happy good time was enjoyed by all who were present, the time passing too soon for all. Dainty refreshments were served by Claudine Rose and Mabel Smith. Those present were: Maxine Boren, Lillian Slater, Eugenia Belle, Lelia Slater, Lou Emma Walters, Ethel and Edith Mulligan, Mabel Smith, Claudine Rose, Kenneth Smith, Broymann Poise, Wolcott and Window Boren, Northrup Waters, Charles Craig, Clarence and Donald Byrd.

DISPLEASURE AMONG CARDINALS

The Papal Secretary Is Blamed for the Way in Which He Has Brought Trouble About.

Cardinal Satolli Pays Farewell Respects to the Pope and Starts For United States as Papal Delegate, Bringing Apostolic Benediction and Good Wishes of the Pontiff.

ROME, May 21.—M. Nisard, French ambassador to the Vatican, acting under instructions from Paris, left Rome tonight for an unlimited vacation, as a protest against what France regards as the indecise attitude of the Vatican in compiling two different notes concerning the visit of President Loubet to Rome. The Pope is greatly worried over the conflict between the Vatican and France. Today His Holiness conferred at length with the papal secretary of state, Cardinal Merry Del Val, who stated to him what he had said to M. Nisard. He said France had misunderstood his intention and he had omitted the phrase regarding the recall of the nuncio from the note to France out of regard to that republic, while he inserted it in the notes to the other governments. Among the cardinals there is considerable feeling against the papal secretary, and condemnation is expressed of the way in which he has brought about almost an official rupture with France.

Cardinal Satolli's Farewell. Rome, May 21.—Cardinal Satolli, as prefect of the congregation of studies, was received in the usual forthrightly audience by the Pope today and took the opportunity to pay his farewell respects to the Pontiff before leaving for America. The Pope wished him a pleasant journey and gave the cardinal his apostolic benediction.
