

THE FOURTH ANNUAL LIBRARY RULES

Meeting of the Western Division of the State Teachers' Association.

The program for the State Teachers' Association meeting to be held in Portland, June 28th to July 1, 1904, is probably the best ever prepared for Oregon teachers. It was made with a broad view of the needs and interests of all the teachers of the state, and covers nearly every line of work required in the state course of study as well as school management and supervision. It cannot fail to appeal to teachers of all grades of work, and a very large attendance may be expected.

Excursion Rates.
In view of the large number of teachers who are expected to attend, the railroad companies leading into Portland have made an excursion rate of one and one-third fare on condition that teachers pay full fare to the meeting and get a receipt for same from the local agent which, when countersigned by the secretary of the association, will entitle the holder to a return fare of one-third. These conditions should be very carefully attended to in order to secure the reduced rates.

Certificates of Attendance.
To those who attend this meeting sixteen hours will be issued a certificate of attendance which has the same legal effect as certificates issued for attendance at county institutes. As sixteen hours' attendance will legally excuse a teacher from attending the county institute, no doubt many will take advantage of the opportunity to get their certificates at this meeting. These certificates are worth \$5 to the district in which the teacher is employed and should be carefully preserved until they are called for by the district authorities.

The State Banner.
One feature of the association, intended to bring out a large attendance of teachers, is the Association Banner, beautifully designed and executed, to be given to the county having the largest percentage of paid membership. The number of school rooms in the county in use during the year is the basis upon which the percentage will be computed. The county in which the meeting is held is of course excluded from the contest. Several of the county superintendents have taken up the matter with a determination to secure the trophy, and in this connection it might not be out of place to say that it is reported that every teacher in Salem has secured a membership certificate, and teachers all over the county are daily sending in their membership fees to the county superintendent.

Hotel Accommodations.
The Hotel Committee may be found Tuesday afternoon and evening at the Perkins Hotel, and during the Association at the desk of the Information Bureau. Those desiring to engage rooms in advance, address the chairman of the committee, E. J. Steele, 235 Morrison street, Portland, Oregon.

The complete constitution and by-laws of the Salem Library Association, as adopted at the last meeting appear below, and a careful perusal will enlighten any one of the part he is expected to perform when patronizing the library.

Women as Well as Men Are Made Miserable by Kidney Trouble.
Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.
Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.
Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar sizes. You may have your sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.
Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton N. Y., on every bottle.

THE TEACHER'S SIDE.
The teacher under discussion wishes to state for the benefit of the general public that she is not at all crushed by the statements made against her, as she yet remains to be proven that she has injured anybody's child by her severe discipline, and as even the honorable school board has not been able to give her a reason for their action, she is still a candidate for re-election.
Miss Valda VanVlack has gone to Cove, Oregon, for a short visit with her uncles, Messrs. Marion and Hiram Rancho.
