Quick Arrest.

J. A. Guldage of Verbena, Ala., was twice in the hospital from a severe case of piles causing 24 humors. After doctors and all remedies failed, Bucklen's Arnica Salve quickly arrested further inflammation and cured him. It cures hemorrhoids and kills pain. 25c at Dan J. Fry's, drug store.

Will Speak Friday—

Hon. J. M. Glass, the eloquent platform orator of California, will speak at the Presbyterian church on Friday evening next, the 27th. Mr. Glass is one of the most eloquent speakers on the American platform, and he will no doubt be greeted by a filled church. Admission will be free.

Tide Land Case—

The State Land Board will be in session this afternoon will hear arguments in the tide land case from Astoria. The board made a trip to Astoria a few weeks ago to inspect the situation regarding these lands and will be prepared to understand the legal aspect of the case all the better.

They Rode Without Lights—

C. Jackson was gathered in by Officer Murphy last evening for riding a wheel without the required light. He promptly paid a fine of \$2.50 and was released from custody. H. C. Abby was arrested by Officer Lewis for a similar offense and will be interviewed by Recorder Judah this morning.

Enjoyed by Many—

The inhabitants of Salem turned out in large numbers on Sunday afternoon to listen to the delightful concert given in Marion Square by the Salem Military Band. It was gratefully appreciated by the music lovers who took advantage of the cool shade of the big firs and praised the band boys for their thoughtfulness in providing such high class entertainment.

Adams Estate Appraised—

The estate of the late Mrs. Sarah A. Adams has been appraised at \$3,671.57, according to the report of the appraisers filed in the Marion county probate court yesterday. The estate was appraised by W. B. Morse, Joseph Baumgartner and John R. Dimick, who fixed the value of the real property at \$2625, and that of the personal at \$1046.57.

Nice Pleasure Boat—

Lafe and Clarence Hill, the cigar dealers, are the purchasers of a handsome gasoline launch, which they have just received and will place upon the river for the pleasure of themselves and their friends. The little craft measures 18 feet in length, beam 4 feet 6 inches; draft, when loaded, 18 inches. Its speed is 6 1/2 miles an hour guaranteed, and it is really intended to make 8 1/2 miles. It is a very pretty boat and the boys expect to enjoy it immensely this summer.

Suspects Were Discharged—

P. Hanrahan and William Powell, the two men who were arrested by Constable Beach on Thursday of last week, on suspicion of having been connected with the Woodburn postoffice robbery a few weeks ago, and who have been confined in the Marion county jail, were taken to Woodburn yesterday morning and given a preliminary hearing before Justice of the Peace Overton. There was no evidence produced to connect the suspects with the crime and they were discharged from custody. Deputy District Attorney C. L. McNary conducted the case for the state and Attorney E. P. Moore, of Woodburn, appeared for the defendants.

Were Not Train Robbers—

Two men, supposed to be Edwin V. Gates and James Arnett, members of the gang who held up a Southern Pacific passenger train at Copley, California, a few weeks ago, and killed Express Messenger O'Neil, were arrested at Gervais on Sunday afternoon by Marshal Koester, but later were released as they clearly established their identity and proved not to be the men wanted. The men arrested had been employed in Finney's hop yard near Gervais for several weeks and as one of them closely answered the description of a member of the desperate gang the Gervais marshal kept his eye on them, and when they attempted to board Sunday afternoon's overland train for Portland he placed them under arrest.

Mr. Zorn Not Dead—

The Statesman is much pleased to announce that the very worthy informant who received and brought to this office the tidings that Caspar Zorn, the wealthy farmer near Champoeg, had died last week in a Portland hospital was mistaken. Mr. Zorn is not only living, but a telephone message from St. Vincent's Hospital early this morning brought the information that he is doing very nicely, with every prospect of recovery. He was compelled to undergo a surgical operation by which the troublesome foot was amputated, but he

has been doing well ever since, so, while it can be said that he has "one foot in the grave," there is a strong possibility that it will be a long time before the other one goes in.

Quintet of Vagrants—

with some new and untried medicine for such serious troubles as diarrhoea, cramps, dysentery, when you should know that for over half a century Pinker has cured millions of cases! Look out for imitations, there is only one genuine, "Perry Davis."

Another Beauty—

George J. Pearce is the proud possessor of a brand new White automobile similar in style to that in which Banker John H. Albert has been giving enjoyment to himself and friends lately. Mr. Pearce was sporting his new machine on the streets and it is a real beauty. For several years Salem was the greatest bicycle town in the United States, and now it promises to attain the same eminence in the use of autos.

Made Young Again.

"One of Dr. King's New Life Pills each night for two weeks has put me in my 'teens' again," writes D. H. Turner, of Dempsietown, Pa. They're the best in the world for liver, stomach and bowels. Purely vegetable. Never gripe. Only 25c, at Dan J. Fry's drug store.

Will Visit Dallas—

Chadwick Chapter of the Eastern Star, of this city, has been invited to visit the Dallas Chapter on Tuesday next, and the invitation has been accepted. The ladies and gentlemen of this order in Salem will go to Independence on Captain Skinner's new boat, if it is ready by that time, and take the motor line there for the county seat. If the boat is not ready they will meet at Judge Geo. H. Burnett's residence and take carriages.

Requisition Honored—

Governor Chamberlain yesterday complied with a requisition from the Governor of the Commonwealth of Massachusetts, and issued a warrant for the arrest and return of Joseph M. Horton, who is indicted in Plymouth county, for the combination of \$292,000 in September, 1903. William A. Boyden, marshal of Brockton, is named as the agent of the Commonwealth to receive Horton and convey him back to the scene of his crime. It is said that Horton is also guilty of eloping with a young girl whom he brought to Portland and then deserted, also leaving a wife and family in Massachusetts. A fact that might not be noticeable in a paper coming from almost any other state becomes remarkable when emanating from the vicinities of the world's hub of culture—the complaining witness, Franklin C. Gardner, signs his name to the complaint with "his mark."

Another Pioneer Gone—

On last Tuesday, Caspar Zorn, the well known wealthy farmer who has lived a long time between Butteville and Champoeg, died at the Good Samaritan Hospital in Portland, as the result of a surgical operation for the removal of one of his feet which was troubled with a chronic sore. Mr. Zorn was a German by birth and a quiet, industrious citizen. He mixed very little in public affairs and was seldom seen in the towns or cities or away from home. He lived and died a bachelor, having made his home with John Hofer, his partner in business and his brother-in-law. Mr. Hofer was married to Zorn's sister, who has been dead some years. Mr. Zorn was devoted to work and the accumulation of property, in which he and his partner have been eminently successful, as they own an immense amount of rich farm lands and have considerable money out at interest—in fact Hofer & Zorn are credited with being the possessors of the greatest individual wealth in Marion county, aside from one man. Mr. Zorn was about 70 years old. His funeral occurred last Thursday.

It has been mentioned the most exciting race of the meet was the 440-yard, or quarter mile, run. At the start Day took the lead, but Miller soon crept up, and these two were fighting it out until near the wire, where Miller forged ahead. At the same time Ford, who had been keeping well back, made a magnificent start and passed the McMinnville runner only a second before he dashed over the white line, but a few inches behind Miller.

Trained Moulton was seen last night before he left on the overland train for Palo Alto, where he is to "teach" the Stanford team in a tour through the Eastern states, where they will visit Chicago and New York. Mr. Moulton expressed himself as being well pleased with the result of the meet and with his stay in this city. He said he had never handled a finer bunch of fellows, or a better "fighting bunch." The finish of the 440-yard run was "the best fight I had ever seen in any meet. No crowd had yet been signed, but he will no doubt train the team next year, as the men will spare no effort to effect his return, as he has proved himself very popular as well as efficient, making a winning team out of raw material in

HOME BOYS WIN

WILLAMETTE UNIVERSITY ATHLETES CARRY OFF HONORS OF FIELD MEET.

The Boys From McMinnville College Put Up a Game Contest and Won Several Events But Could Not Capture Sufficient Points to Be Victorious.

(From Sunday's Daily.)

An exciting and closely contested field meet was held on the Willamette University Athletic Field yesterday afternoon in which the Willamette University team was victorious over that from McMinnville College, by only eight points. In fact, the outcome was uncertain until the last event had been decided. This was the 440 yard run, in which Captain Miller of Willamette University, won from Day, McMinnville's star sprinter, in the closest finish of the day.

The crowd was small, and if Salem people really appreciate good sports, that fact was not apparent yesterday. It was also noticed that the number of McMinnville students in attendance almost equaled that from the home school, and it was said that only on Willamette University professor was on the grounds.

However, what the crowd lacked in numbers, it made up in enthusiasm, and both sides were cheered by their supporters. There were several surprises during the meet. In the hurdles Willamette was considered to be the weakest, yet they won the majority of the events in this line, while in the mile run Judd was considered to have a

JUDGE BOISE RENDERS DECREE IN A SUIT BROUGHT TO FORCE CONTRIBUTION.

Action Was Instituted by Plaintiff to Compel Defendants to Contribute Toward Payment of Note Executed for Purpose of Raising Money to Develop Mining Property.

Judge Boise yesterday rendered a decree in favor of the plaintiff in the case of T. C. Smith vs. George Griswold as administrator of the estate of Frank Savage, deceased, W. D. Mohney and John Savage, Jr., which was recently tried before the court.

The action was brought to compel the defendants to pay their proportion of a contribution toward the settlement of a note in the sum of \$3000, executed by the plaintiff and others in 1893, in favor of Samuel Ramp, for the purpose of raising funds with which to develop the property of the Myrtle Creek Consolidated Gold Mining and Manufacturing Company, of which the plaintiff, the defendants and others are stockholders. It was alleged by the plaintiff that at the time the note was executed an agreement was entered into by the stockholders to the effect that when the note became due each of the stockholders should contribute toward the payment of same, an amount in proportion

to the shares of stock held by the respective contributors. It was further alleged that all made settlement with the exception of the defendants, and a decree was asked for, requiring them to contribute their portion of the money as follows: Frank Savage estate, \$530; W. D. Mohney, \$559; John Savage, Jr., \$559, with interest at the rate of 6 per cent per annum from September 16, 1892.

Attorneys John H. and C. L. McNary conducted the case for the plaintiff and H. J. Bigger, W. H. and Webster Holmes appeared for the defendants.

A Startling Test.

To save a life Dr. T. G. Merritt, of No. Melchopony, Pa., made a startling test resulting in a wonderful cure. He writes, "A patient was attacked with violent hemorrhages, caused by ulceration of the stomach. MARION COUNTY W. C. T. U.

(From Sunday's Daily.) Marion county W. C. T. U. held its fifteenth annual convention in Salem on Tuesday and Wednesday, May 17 and 18. The convention was opened on Tuesday morning. Mrs. Steele presiding. A very enjoyable as well as profitable time was had. Much good work was done, and plans were made for the work of another year.

Reports from the different departments of work were read, all showing that the faithful women were still striving to uplift the fallen, cheer the broken-hearted, make smooth paths for weary feet, and to so brighten the lives of those around them.

Worthy of special mention was the lecture by Rev. C. E. Grendall in the evening. It was one of the best lectures it has been our privilege to hear.

The officers elected to serve the county the coming year were: President, Mrs. R. M. Steele, re-elected; corresponding secretary, Mrs. Mary Rhoder, re-elected; recording secretary, Mrs. Grace Austin; treasurer, Mrs. Ora H. Beers.

The local union served dinner each day to the delegates and visiting members.
