## Do People Read Advertisements?

## Ask FRIEDMAN and hear what he has to say about it.

Since publishing my price list a few days ago I have sold nearly 300 steel thimbles at 2c each. 6 dozen \$1.00 white shirts at 50c each, Nearly 100 black sateen shirts, 75c grade for 50c each.

Our clothing counters look as if a cyclone had struck them. Nearly every other man you meet on the street with a new hat or cap, if you ask him where he purchased it, he will tell you

## "At FRIEDMAN'S."

The ladies are having a picnic with my linen insertion, passementery and jet trimmings.

We have sold nearly 500 silk girdles worth from \$1.00 to \$1.25 for 25c each.

You should see the amount of silk cord we have sold. Our notions are going rap

Yes, people read advertisements, and they are the judges, and when they find the goods as advertised, the shelves and counters become

empty in a short time. Friedman likes this, as he will certainly be able to close the business here by January 1st.

## Important Battles Are Imminent

Official news from the sent of war is till lacking but the war office at St. Petersburg appears to not anticipate a great battle in the immediate future. Officials believe the next movement of the Japanese will be directed against Tie Pass.

Public interest is again apparently entered on Port Arthur and reports ! Dalny with powerful cannon. that the Japanese are tunnelling the fortifications there are received at the ussian capital with some credulity.

Correspondents Must Guard Secrets Tokio, Sept. 17 .- Owing to friction field attaches and correspondents, Field ing in time. Marshal Yamagata, the chief of staff, today telegraphed to Gen. Oyama, com-

mander of the Japanese forces: "The sole object of the war is to insure the safety of the Empire, guarantee peace to the Orient, and promote the displaying no special concern over the dents of this city where they are well interests of all nations. Therefore it continual skirmishing, regarding the is hoped these principles will find ex- natural desire of the Japanese to keep pression in the treatment of foreign in touch with the Russian forces rather officers and correspondents so long as a premonitory symptom of a forward gives detailed list of stores Oku capther ple of military secreey is not infringed.

## the younger son, Willis, was with him, GREATEST THE BIG STATE FAIR COMES TO

eral from residence, Wednesday, at 1 Plenty of Labor Has Completed Half HAPPY CONCLUSION.

A SUCCESS IN EVERY RESPECT

State Fair Board Is Congratulated Upon Excellent Conduct of the Institution

President Myers of Lewis and Clark Commission, Thinks Should Be Two Weeks of Fair Next Year and Conducted Upon Larger Scale.

The forty-fourth annual State. Fair s a thing of the past but will go down der, under whose auspices the funeral visted his big yard here Saturday. best, that has ever been held upon the Horst Bros, are the world's biggest hop Pacific coast. This is not an idle boast but the opinion of some of the best authorities who were in attendance, to be held in the state. From the attendance and financial poit of view also it was a howling success. From an entertaining and educational point of view it could not have been beaten under the circumstaces. The character of entertainment furnished the visitors in the evening was unquestionably testified to by the immense crowd which short this year. In California the yield would listen with rapt attention to every number on the program. Every one who spoke of the exhibtion expressed Horst finds no fault with the present himself enthusiastically over the success of it, and encouraged the board to

> "In my estimateion," said President livestock exhibit. New buildings are becoming necessary also, and the Legislature should do its very best for the

"There should be enough money appropriated to allow the Fair to run at least two weeks next year, on account of the Lewis and Clark Fair. The State state and the State Fair, situated as it free at D. J. Frv's Drug Store. is in the heart of one of the best and richest agricultural and horticultural belts in the world, will attract them into the interior. Two weeks will be none too long to conduct the Fair next year as it will have many features which the Lewis and Clark will not, that is for the farmers whom we should strive to eater to if we want immigra-One thing the State Fair will have that we will not will be the races and this will prove a great drawing card, especially so since the State Fair. has a repuation of conducting nothing but the straightest kind of race meets. No books are allowed to be conflicted connection with them.

Lewis and Clark Preparations.

"You can say for me," continued Mr. Myers, "that we have purchased the exhibits of Washington and Linn counties, the former for \$100 and the latter for \$150, and the grains and grasses in these exhibits will be used need, at 50 cents per can, and these D. J. Fry. ruggist. will be securely packed and shipped to Portland to be installed in the horticultural display. The best of the display of grasses, made by the Union governmental experiment station, bas together with what we will get from addition to over a ton of this class of goods which we have on hand in storage and at St. Louis, will give us a very good start in this line.

"The grain and grasses which we are gathering now will only be used for the ing Genera. Hotel, Independence, Oregon

W. M. Kaiser and W. T. Slater are the supreme tour institution of the strong of the s

prices though he is buying some hops. lie has made some purchases in Lane exert greater efforts for the Fair of county. Asked as to the price he replied 26 and 261/2 cents and said there and been some contracts as high as 27 Fair Commission, "the State Fair of this year, taking into consideration the through Geo. Doreas to Klaber & Wolf some things, especially stock for dis-play, since the best of the herds which could and should be materially enlarged Considering the large number of people brought together, and coming as were on exhibition last year are now on they do from all classes it has been a display in St. Louis, is the best in its should be extended, especially for the peaceful season in the hop yards. There history, but it can and should be made year 1905." This is substantially the and Chinese at the Krebs yard the last State Fair, as an educational institu- of the old board. was some trouble between the whites 100 per cent better for next year.
