

LEGISLATURE GRINDS AWAY

ROUTINE IS WELL ESTABLISHED AND BODIES FALL IN LINE

GOVERNOR'S VETOES SUSTAINED

Bills to Remedy the Many Ills of the Body Corporate Are Now Pending in Both Houses.

St. Johns Charter Bill Passes Flying, and Now Goes to the Senate—Good Batch of Committee Clerks Provided for in Usual Manner.

The Tuesday session of the Twenty-third Legislative Assembly was noteworthy for the unusual activity and consistent work in the House and for the dry and wholly uninteresting proceedings in the Senate.

Immediately upon convening the morning session in the House the bills passed at the last session and vetoed by the Governor were taken up and disposed of within a comparatively short time.

One of the most noticeable and commendable features of the House is the strict businesslike method of procedure which is maintained at all times.

The county of Wasco is the seat of all the trouble, as there are two separate factions endeavoring to have the county divided.

The other four bills are H. R. 204 to fund warrant indebtedness of Multnomah county; H. R. 281, to amend the charter of the city of Astoria; H. R. 198, pure food bill, and H. R. 363 to appropriate money for certain claims.

Three of the bills were rejected by an unanimous vote but H. R. 363 was supported by a number of Representatives who firmly believed that the bill was worthy of passage.

Mr. Bailey, of Multnomah, made a little talk in favor of the bill in which he fully explained the Governor's position upon the matter.

The bill was then passed by an unanimous vote. H. R. 48 is a bill to raise the salary of the school superintendent of Multnomah county from \$1500 to \$2500 a year.

Mr. Kay, of Marion, took the floor and declared himself in favor of the bill in a plain and unmistakable declaration.

The proposed Cascade county is known as the Hood River valley section and is noted for its fruit raising and lumber industry.

The strongest argument expounded by the Hood River propagandists is that as the sections are distinctly opposite each other in relation to their natural resources and that they should be divided.

Mr. Steiner's Irrigation Bill. H. R. 1, Steiner, was passed by an unanimous vote as its passage was expedited upon the urgent solicitation of the inhabitants of Klamath and Lake counties.

Speaker Mills introduced a resolution to have journals revised by special committee in twenty days after adjournment.

The following clerks were appointed to assist the different committees: Chief clerks—R. S. Bryson, E. E. Mumme, C. S. Jackson, J. U. Campbell.

Typewriters—N. B. Adams, S. Pape, E. U. Gray, E. P. Joseph. Clerks—Clara Foster, Myrtle Ireland, Fred Parsons, Olive Carnell, Vernon Williams, C. B. Wilson, Carl Sautridge, Thomas Paulson, J. W. McNulty, Frank Cooper, C. F. Wigan, E. C. Conaway, Iva Melcen, Mary Denton, Mable Doughton, Scott Morris, F. B. McDevitt, Mary Thompson, Elizabeth Keeton and W. H. Nelson.

A number of resolutions were rejected on the report of the committee on resolutions.

Doan's Ointment Relieves and cures Itch, Itching, Burns, and all other skin troubles. Scores of people endorse this statement.

Mrs. Dr. M. Amos, residing at 3111 East 2d Street, Albany, says: "I had for quite a long time a sore over my eye, and while it was not painful, it was very annoying and I happened to read an advertisement about Doan's Ointment and got a box. Its use cured me. The sore entirely healed up. I know that Doan's Ointment does all that is claimed for it. I have used Doan's Kidney Pills for dull heavy aching across my loins and while they did not cure me, I think them a very good remedy. You may refer to me as one who can recommend Doan's Kidney Pills and Doan's Ointment."
