South side Court from west Jine Commercial to west line of

North side Court from west, line High to west line Summer. East side High from State to

by the many accidents which have been caused by reckless wheelmen during the past few weeks. Although most of these accidents, fortunately, have resulted in but slight injuries, the de Cornelius from many sources that he take action before serious damage done to some child or aged person, or any one, for that matter. There are many bicyclists who have at all times respected the law, but there are others who have abused the privilege accorded them by the officers beyond the limit of endurance, and these will be made to come to time. Among the violators are a number of young people ranging in ages from 15 to 20 years, both boys and girls, and it will not be unlikely that several of these will have casion in the near future to danate

For the benefit of the wheelmen the text of the vicycle ordinance is printed were presented to the governor by below. The penalty clause provides for a fine of from \$2.50 to \$25 for the violation of any provision of the ordi-

tricts of Salem.

The Ordinance.

"It shall be unlawful for any person or persons to ride a bicycle, tricycle or tandem wheel upon any of the folof Salem, Or., to-wit:

"On the west side of Commercial street; on the cast side of Commercial street between the south line of Chemeketa street and the north line of Ferry street; on the south side of State street between the west line of Commercial street and the east line of Twelfth street; on the west side of Church street between State street and had Kidney Trouble, which caused me south end of Bush bridge; on the east south end of Bush bridge and Mission a complete cure. I have also found street; on the south side of Court street them of great benefit in general debilbetween the west line of Commercial ity and nerve trouble, and keep them street and the west line of High street; constnatly on hand since, as I find they the north side of Court street between the west line of High street and the west line of Summer street; on the cast side of High street between the south line of State and the north line of Ferry street.

"It shall be unlawful for any person or persons to ride or use any motoreyele upon any sidewalk of the city

TO THE

OLD HOME

If you are going home-to your childhood's home-this year, remember that the NORTHERN PACIFIC leads to everybody's home.

You can go by way of St. Paul to Chicago, or St. Louis and thence reach the entire East and South. Or, you can go to Duluth, and from there use either the rail lines, or one of the superb Lake Steamers down the lakes to Detroit, Cleveland Erie, and Buffalo ... the Pan-American City.

Start right and you will probably arrive at your destination all right, and, to start right, use the Northern Pacific, and preferably the "NORTH COAST LIMITED" train, in service after MAY 5th.

Any local agent will name cates.
