BREAK RECORDS

EIGHT NEW MARKS ESTABLISHED BY ATHLETES AT FAIR GROUNDS YESTERDAY.
"Aggies" Experience No Difficulty in Running Up Victory in I. A. A. Athletic Meet—Smithson Is Star of Big Magnitude—Oregon Second.

Records went a-glimmering in the first annual athletic meet of the reorganized Intercollegiate Amateur Athletic Association of Oregon held at the state fair grounds yesterday afternoon in the presence of a crowd of about 500 enthusiasts, who cheered themselves hoarse in their efforts to show their appreciation for the great work that was being done.

Minor's Estate Settled—The guardianship matter of the person and estate of Clyde J. Thomson, minor, having been fully settled, E. N. Thomas, the guardian, was yesterday discharged from his trust by order of the Marion County court, and the surety released from further liability.

Alumni Address—The alumni association of Willamette university, at its meeting tomorrow evening, will be addressed by Hon. Henry H. Gilfrey, reading clerk of the United States senate. Mr. Gilfrey is an old alumnus of the university, and his presence is sure to attract a large gathering.

The ceremony of the presentation took place on the university field in the presence of the faculty and the student body, the players being cheered to the echo as they came forward to receive the university's recognition of the good work they did on the gridiron.

The Reform School Band—Salem has no organized band at the present time, so it is suggested that the reform school band be invited to come to town once in a while, or twice in a while, to give concerts. Also, this band may be had on public occasions, when the services of a band shall be needed. It is also suggested that the people of Salem contribute the amount that have gone monthly to the McElroy band, in order to enable the reform school band to buy some new instruments and supplies. It is an idea worth considering.

Greenhaw took the half mile from Peterson in splendid shape after a killing sprint to the tape, making the distance in the record breaking time of 1:58 4-5, clipping five and two-fifths seconds from C. A. Payne's mark made in '98.

Smithson had it all his own way in the furlong and knocked a second off Kuykendall's record when he negotiated the tape in 21 2-5 seconds. His team mate, Williams, made a splendid run of it, but could do little better than beat out Moore of Oregon.

Williams showed that he was all the good in the quarter when he breasted the worsted in the record time of 49 1-5 seconds, beating his teammate, Greenaw, and Veatch of Oregon. The previous record was that of C. A. Redmond, made in '98, in 51 seconds flat.

Smithson broke his second record of the day when he topped the high hurdles in 16 2-5 seconds, lowering Roy Heater's record of 17 seconds, made in '99.

The other record broke in competition was that of the broad jump when Peterson of Pacific cleared 21 feet 2 1/2 inches, the best previous mark being 20 feet, 6 1/2 inches, made by Kuykendall in '98.

After the pole vault had been won by Woodcock of O. A. C. he went after the association record of 10 feet 7 inches, and raised it three-quarters of an inch in the first trial.

LOVE FOR FLAG

CHILDREN SHOULD BE TAUGHT TO CHEER "OLD GLORY," COUNTRY'S BANNER.
Speech of Superintendent Moore at District No. 3 Yesterday—Splendid Program Is Given.

A flag presentation marked the closing exercises yesterday at the school in district No. 3 on the Silverton road, which was participated in by nearly every patron of that school besides several people from Salem.

The flag was the gift of Hal D. Patton of this city, and makes the eighth he has presented to the schools in and about Salem. It was hung to the breeze from the top of a ninety-two foot pole, one of the little tots of the school pulling the cord that unfurled its folds.

The exercises of the day began at 1:30 o'clock with a harp solo rendered by Miss Bessie Mitchell, which was well received. Masters Ray Breckenridge and Clarence Kenschler and E. Deaton Smith then gave a recitation in three parts, entitled "The Red, White and Blue." A quartet composed of Mr. and Mrs. Halbert and the little Misses Gertrude and Verna Henshaw sang "America" in a pleasing manner.

"Our flag might be called 'old glory' because it is twenty-three years older than the flag of Great Britain, seventeen years older than the French tricolor, nearly 100 years older than the present flag of Germany, and eight years older than the flag of Spain.

"Our flag, with what it symbolizes, is enough to stir our hearts and make our spirits burn within us. The boys and girls of our public schools, who have studied United States history know that immortal honor hangs thick on every square inch of its folds.

"It was adopted when the American people were but a human fringe along the Atlantic sea coast, their way into the interior blocked by the red savages and howling wolves of the wilderness. The whole inspiration of our life as a nation flows out from its waving folds.

"Our flag had its origin in that conflict whereby we achieved our independence. In 1812 it vindicated the principle that American seamen should not be pressed into service on foreign ships. In 1845 it again gave liberty to 4,000,000 slaves in this country.

"A teacher who fails to give his pupils a love for the flag and the country it represents has not performed his whole duty. We should remember the children of today will be the citizens of tomorrow, and if depends to a great extent, on us, as teachers, whether they shall be loyal lovers of country or not.

"A flag should be in every school room and the children taught to love the dear old 'Stars and Stripes,' for which so many brave men have fought and died.

"In these hurrying times, when so much is occupying our attention, we are in danger of allowing our patriotism to grow cold. We do not say half as much about our country as the old Greeks used to, and their country was not so big as ours.

"The formal program ended, several speeches were made by the patrons of the school and by the visitors from Salem, who were Colonel L. K. Lange, H. A. Johnson, Mrs. Charles Yank and daughter, Hal D. Patton, J. G. Graham, L. K. Stinson and E. T. Moore.
