He Is Wanted in Alaska____

Upon the requisition of the acting governor of Alaska, Governor Chamberlain yesterday afternoon issued a warrant for the extradition of one C. R. Riggs, who is held by the Portland authorities and is wanted in Alaska for obtaining money under false pretenses.

Caught in the Act-

Elisha Bender, a student at the Chemawa Indian school, effected an escape from that institution yesterday afternoon, but before he could get away he was apprehended in this city by the night police force. He was caught at the depot, where he intended taking the northbound train for Portland. He was returned to the school last evening.

"York Staters"-

Former residents of New York state now residing in Oregon are requested to send their names to Major Algar M. Wheeler, 225 West Park street, Portland, at once. A list is now being prepared for publication showing the present and former residence of former New Yorkers. Visitors to the exposition from New York will be interested in it, and many residents here will doubtless discover old friends and form new and personal acquaintances. The New York Society is doing a good work.
