A Woman's Discovery.

"Another wonderful discovery has been made and that too by a lady in this county. Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. King's New discovery for Consumption and was so much relieved on taking first dose that she slept all night and with one bottle has been miraculously cured. Her name is Mrs. Luther Lutz." Thus write W. C. Hamrick & Co., of Shelby, N. C.—Get a free trial bottle at H. W. Cox's drug store.

Bunchgrass Blade: The grand jury found a true bill against Mrs. Jennie Bradley for arson, in being an accomplice in burning Beane's stable. The next thing is finding the woman.

The Verdict Unanimous.

W. D. Sult, Druggist, Bippus, Ind., testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles, and was cured of Rheumatism of 10 years' standing." Abraham Hare, druggist, Bellville, Ohio, affirms: "The best selling medicine I have ever handled in my 20 years' experience, is Electric Bitters. Thousands of others have added their testimony, so that the verdict is unanimous that Electric Bitters do cure all diseases of the Liver, Kidneys or Blood. Only a half dollar a bottle at H. W. Cox's drug store.

L. T. Barin, of Oregon City, will probably be appointed chairman of the republican central committee. The chairmanship was offered to Multnomah county, but it was declined with thanks.

California Cat-E-Cure.

The only guaranteed cure for catarrh, cold in the head, hay fever, rose cold, catarrhal deafness and sore eyes. Restores the sense of taste and unpleasant breath, resulting from catarrh. Easy and pleasant to use. Follow directions and a cure is warranted, by all druggists. Send for circular to Abietine Medical Company, Oroville, Cal. Six months' treatment for \$1; sent by mail, \$1.10. For sale by D. W. Matthews & Co., 106 State St., Salem.

Heppner Gazette—Next Monday morning, at the month of Eight Mile, the sheep-shearing season of 1888 will be duly inaugurated by the crew of "hundred-strikers" that has been for the past few years engineered by Captain George Bitters and Lieutenant Johnnie Hinton. The first band shorn at this point will be the wether band, owned by the Rhea brothers, after which other bands of candidates for the mutton market will be brought in such numbers as to keep the swift-shifting shears in motion until the stock bands are ready to be relieved of their winter coat.

Now is the Time

Now that the political campaign is upon us it is reasonable time to subscribe for the CAPITAL JOURNAL. It will contain full reports of all political conventions, meetings and elections, and a candid discussion of the questions at issue, and will be delivered anywhere in the city for 15 cents per week, or will be sent by mail for \$5 per year. Leave orders at this office or with the route agent.

Only one More Week

And the removal sale and your chances for special bargains in boot and shoes at Stalger Bros.' close. Don't fail to call.

THE apostate republican, St. John, will deliver three addresses in this city, on Sunday and Monday. As the local committee who have this platform orator in charge, impose an admission fee, it is to be supposed he adheres to his old plan of charging \$50 for every lecture. Beside gathering in a few ducats his object is clearly to damage the republican cause in this state. Those who listen to him will do well to scrutinize his statements with great care. W. T. Mills, "the little giant," showed fine powers of invention in his talks, and this more distinguished apostle is no whit more scrupulous. He comes here with hatred to the republicans in his heart, and his purpose being known beforehand, there should be a determination to frustrate his fell design.
