### The "Pale Face."

This is the generic designation of the white race bestowed by our copper-colored brother, the "noble savage." casian, though many shades lighter, is not necessarily pallid. But when his cutlefe has the parehment-colored tint, and his cheeks the hollowness indicative of a want of bodily stamina, he well deserves the appellation of "pale face," These facial in ications should suggest a course of Hossetter's Stomach Bitters; an acknowledged rehabilitator of a firiling strength and renewer of bodily substance. It is derived excludively from botanic sources-is pure and efficient. Its invigorating action is prompt, thorough and speedily feit. Can the like be said of most tonics? Scurcely. ### Alfred Holman's New Position.

The Seattle Post Intelligencer of Wednesday last contained a double leaded announcement at the head of the editorial column, over the signature of Leigh S. J. Hunt, president of the Post-Intelligencer Publishing Company. The opening statement, which will interest many people here, is:

At a meeting of the directors of fred Holman was elected general manager; and from this date he will be the responsible head of the paper. It is scarcely necessary to the Northwest. He has long been recognized as the most energetic and capable of the younger newsbelieved that as a general newspaper organizer and administrator he has no equal here.

The president takes pleasure in presenting to the readers of the Post-Intelligencer, as the responsible bead of the paper, 'a gentleman EVANGELICAL CHURCH.-J.
