AN EDUCATIONAL CIRCULAR.

A Good Immigration Scheme, A Good way to Advertise the State.

State Superintendent McElroy T. C. Smith's, 92 State street. has issued a circular to the superintendents of schools in the several countles setting forth the fact that the National Educational Association will be held in San Francisco, bgeinning July 16. He extends an earnest invitation to all superintendents, teachers and friends of eduention to attend, and places before them the importance of this great

convention to them. Superintendent McElroy has also superintendents as an executive dry goods, committee. The circular further states that very low round trip rates of travel have already been secured from the Oregon Pacific and the Oregon Rallway & Navigation companies. The O. These tickets will be good for 60 days, and will be sold to all persons who attend the national association. The O. R. & N. The Oregon Rallway & Navigation company will also furnish reduced rates from all points in Eastern Oregon to Fortland. Negotiations are now in progress with the Oregon & California railroad relative to reduced rates. An educational bulletin will be issued soon setting forth all details of the trip, etc. "It is expected to establish headquarters (for Oregon) at the Baldwin hotel, Market street, San Francisco. These headquarters will be maintained during the association and will include a bureau ofinformation (relative to Oregon) for that the National Association will tage. give an opportunity equal, if not superior, to any other ever afforded for disseminating information and knowledge relative to the advancement and development of our great and growing state. We hope, therefore, to secure the co-operation of all our superintendents and teachers in this effort in behalf of enterprise and education, and shall be glad to hear from you at the earliest practicable Superintendent McElroy will likely leave for San Francisco in
