TELEGRAPHIC SUMMARY.

OUR NEXT PRESIDENT. Benjamin Harrison of Indiana. NOMINATED ON THE EIGHTH BALLOT. Made Unanimous and the Convention Adjourned till 6 p. m.

CHICAGO, ILLINOIS, June 25.—The republican convention on the eighth ballot, to-day, nominated Benjamin Harrison of Indiana, for the presidency of the United States. Levi P. Norton of New York, and William Walter Phelps of New Jersey, in the lead for the second place.

SIXTH BALLOT. CHICAGO, June 15, 11 55 a. m.—Alger 137, Allison 73, Gresham 91, Harrison 231, Sherman 244, Foraker 1, Blaine 10, Fred Grant 1, McKinley 12.

SEVENTH BALLOT. CHICAGO, June 23, 12:30 p. m.—On the seventh ballot Texas cast one vote for Creed Haymond, of California.

CHICAGO, June 25, 12:32 p. m.—Alger 120, Allison 76, Blaine 15, Foraker 1, Gresham 91, Harrison 278, Lincoln 2, McKinley 16, Sherman 231, Haymond 1.

CHICAGO, June 25, 12:37 p. m.—Henderson, of Iowa, withdraws Allison. Wants Them to Let up on Blaine.

CHICAGO, June 25.—10:30 A. M., Mr. Manley of Maine, Mr. Blaine's friend, is quoted as saying this morning that Blaine will accept only the unanimous nomination of the convention, which at present seems impossible, and he hopes there will be no more voting for Blaine.

CHICAGO, June 25.—The News this morning gives Wm. Walter Phelps as authority for saying that every candidate but Sherman stands ready to call on Blaine to make the race, but that so long as Sherman has a chance, Blaine's friends will do nothing to hinder it.

The Tribune says the New York delegation has decided to give Sherman a chance to-day, after first voting for Harrison. The Herald thinks Blaine will be nominated. The Times says Sherman is leading.

CHICAGO, JUNE 25.—At 11:08 A. M. the convention was called to order, and at 11:15 A. M., Boutelle, (Maine), took the platform to withdraw Blaine's name from the convention. He says: "without attempting to give any construction to the language I will read the dispatch from Blaine." He then read a dispatch from Edinburg, earnestly requesting his friends to refrain from voting for J. G. Blaine.

11:20 A. M.—The balloting begins on the sixth ballot; Alabama votes Blaine 1; California casts 16 votes for Blaine; Georgia casts one vote for Fred Grant; Maine cast one vote for Foraker, two for McKinley; Maryland cast three for Blaine; New York gave Harrison 72; Ohio voted solid for Sherman. The vote was challenged and the delegation was polled.

In the poll of the Ohio delegation Luckey voted for Harrison. Vote of Ohio was Sherman 45, Harrison one. Tennessee gave Blaine 9—hisses, roll call demanded.

CHICAGO, June 25, 1:50 p. m.—Foraker (Ohio) moves to make the nomination unanimous. Horr of Michigan seconds the motion; Senator Farwell (Ill.) seconds the motion to make nomination unanimous. Hastings (Penn.) seconds the motion, also Henderson of Iowa, Boutelle of Maine, Haymond of California and Davis of Minnesota; Boutelle says "in the front of the fight will be found the white plume of Maine's Henry of Navarre. (Great cheers, delegates on their feet.) Alger telegraphed his sympathy, and pledges the support of Michigan. This telegram was also greeted with applause.

STATE NEWS.

Wise of Virginia seconded the motion amid great applause, and the nomination was made unanimous. Harrison Nominated. CHICAGO, June 25.—On the 8th ballot, Colorado gave Harrison 6, Connecticut gave Harrison 12, Iowa gave one vote for Alger, and Gresham and 22 for Harrison; with Kansas Harrison gained 49; Massachusetts gave Harrison 25; New Jersey gives 18 for Harrison. Harrison has with New York 325 votes again of 16. Pennsylvania gives Harrison 59, Harrison has now 411 votes.

1:57 P. M. Harrison is nominated. Texas and Vermont each vote solid for Harrison. The result of the 8th ballot was as follows: Harrison 544, Alger 100, Sherman 118, Blaine 5, McKinley 4, Gresham 59. Great confusion reigned, and soon the delegates were on their feet cheering and the band playing.

At 2:19 p. m. it was moved that a recess be taken till 5 p. m. Declared not seconded amid great confusion. At 2:21 p. m. roll is being called for nomination for vice president.

Denny, of Kentucky, nominates Bradley for vice president. Sewell, of New Jersey, presented Phelps' name. Moved a recess till 5 p. m. Afterward take till 6 p. m. Conger, of Ohio, says the nominee for vice president will be Levi P. Morton, of New York.

How the News Was Received. The close of the contest was hailed with delight by all republicans in this city, and on all sides were heard words of satisfaction at the choice of the convention. Every republican in Salem to-day stands ready to vote and work like a tiger to elect Benjamin Harrison of Indiana to the presidency of the United States.

The boys are preparing, as this is written, to use up a good deal of powder this evening, to sort of "carry the news to many," as it were. Organization will be the word, say prominent republicans in this city, and aggressiveness and victory will be found to be the watch word of the republicans in Oregon, as it will everywhere else.

A Great Discoverer. A morning paper published in this city has made a great discovery recently. It has discovered, among other things, that the teacher, Tuek, who was arrested for whipping a child too severely in Polk county, recently, set fire to the jail at Dallas, a few nights ago. It is the memory of this paper that it made such a statement when the fire was first reported.

The same paper, in its issue of yesterday morning, notes the discovery of the "fact" that Miss Halle Parrish, when last heard from was in "Boston." A brief reference to the Saturday evening edition of this paper shows that the last information had from Miss Parrish was to the effect that she was about leaving, or had just left Grand Rapids, Michigan, for a visit to friends in a New York town.

Silverton Election Case Appealed. Attorneys Ford and Shaw, who represent the defendants in the Silverton election case, have filed a bill of exceptions in that case, and have given notice of appeal. Pending a hearing and decision by the supreme court, the defendants remain in possession of the offices of councilmen at Silverton, and the plaintiffs will enjoy the pleasure of waiting until about the close of the terms of the present council to hear whether they are entitled to the aforesaid seats as "aldermen of the city of Silverton" with the "magnificent emoluments" thereunto attached.

Supreme court does not meet again for the trial of cases until October. The earliest date at which a decision is likely to be reached is the first of December. It will be readily seen, therefore, that if the case should be decided in favor of the prohs. In the end, they will hardly receive much good from the offices.

STATE NEWS.

Trouble is anticipated in Grant county between owners of ranges and sheepmen. Range-owners are determined to protect themselves against roving bands of sheep by force of arms if necessary.

Coquille City Herald: Coquille City has one Chinaman among her population and during the past couple of weeks there have been two or three looking the town over with a view of locating here.

Albany Democrat: Some Benton county men have been trying to ascertain when Bush Wilson was first elected county clerk; but have not yet succeeded. They think it was sometime after Columbus discovered the Columbia river, probably ten or fifty years.

Baker City Democrat: Several thousand sheep will be shipped by rail to the Chicago market from Baker City within the next few days. One party from Grant county will load 3,000 head. Upwards of 100,000 head have been taken out of the country up to the present time, this year.

Grant County News: Grain crops will be a failure in this county, as the rain came too late in many instances. Hay crops will be benefited by the rain, if it continues, and as a great portion of the grain will be mowed for hay, the financial outlook is not so gloomy after all.

Itemizer: Ira Smith has been over from Independence consulting with sheriff Groves as to arrangements for hanging Landroth. They have decided to build an inclosure of about 12 by 20 feet directly in front of the jail. The law requires 12 witnesses to an execution, and not more than twenty persons all told will be admitted to the enclosure.

The corner stone of the court house at McMinnville will be laid on Thursday, the 28th inst. The citizens, societies and orders of the county are invited to attend. Hon. N. L. Butler, of Dallas, will deliver the address of the occasion. The ceremonies of laying the stone will be conducted by the Grand Lodge of Masons.

After being virtually closed for two years, the Northern Pacific railroad company has reopened its board of immigration office in San Francisco. Circulars describing cheap lands in Oregon, Washington and Idaho will be distributed to immigrants and information of a general character furnished by a local agent. A fresh supply of cereals from the northwest is expected soon.

Baker City Democrat: A reporter of the Democrat visited S. A. Heilner's warehouse at the depot yesterday, and noted the immense lot of wool stored there ready for shipment. Mr. Heilner has now in his warehouses 1600 sacks, aggregating 1,000,000 pounds of wool. The total amount handled by dealers in the city up to date is about 1,500,000 lbs, and Mr. Heilner estimates the amount to be shipped from the city this year at 2,000,000 pounds. The yield this year in Baker county is much larger than in former years and shows this industry to be assuming huge proportions.
