THANKSGIVING PROCLAMATION

STATE OF OREGON, EXECUTIVE DEPARTMENT, SALEM, NOVEMBER 7, 1888. This year now drawing to a close has been one of unexampled peace, plenty and prosperity within the borders of the state.

By the governor: GEO. W. MCBRIDE, Secretary of State.

VICE-PRESIDENT-ELECT LEVI P. MORTON is a Congregationalist.

A LADY of Massachusetts has spent over \$1,000,000 in the establishment of Day Nurseries.

LUCY PARSONS, wife of the anarchist, spoke in London recently, advocating the use of bombs.

NEARLY one-half the newspapers published in the world are said to be printed in the English language.

EMPEROR WILLIAM is now on good terms with his mother, a reconciliation having taken place.

GLADSTONE is his own letter writer, and he does not use his secretary for the purpose of correspondence.

AN order from the Congo for rum contained also the order: "Send us some handcuffs." Comment is unnecessary.

NEW YORK CITY has ten reformatories for the rescue and help of fallen women. Fifty years ago there was not one.

CORONER Hertz of Chicago held eleven inquests over bodies last Thursday. Half a dozen of them were suicides, one of them being an Indian medicine man, Ignatius Hole in-the-Day.

IN the Forty-fifth congress there were 198 bankers and bank stockholders, ninety-nine lawyers, and the other thirty-five were divided with the industrial classes, but the farmers were without a representative.

AJT-GEN. HASTINGS has arranged with the Pennsylvania Railroad Company for the transportation of the entire organization of the national guard of Pennsylvania, 7500 men, to Washington on the occasion of President Harrison's inauguration.

HARD ON THE CABINET.

One of the painful reflections for Mr. Cleveland's advisers is that every State represented in his Cabinet gave Republican gains. Mr. Bayard can point reproachfully at Delaware, which elects a Republican legislature, and in due time will send a Republican to the Senate.

"MR. HARRISON'S selection of Elijah W. Halford as his private secretary, proves the president-elect to be possessed of a keen love of humor and appreciation of the eccentric," said Wesley Bart, an Indianapolis newspaper man.

RECENTLY, at Mollendo, the Peruvian authorities seized a house owned by a United States citizen, evicted the United States Consul, and removed the coat-of-arms. The American Minister at Lima protested, and after six days' occupancy the Peruvians vacated the premises.

THE vote of the state of New York has been officially canvassed, and the returns made in all but two counties—New York and Kings. The official returns for the two counties mentioned will not differ to any great extent from the figures already published.

RECENTLY packages of silver dollars were received at the treasury department from the New Orleans mint, from which about \$1,500 had been taken, and shot and pieces of lead substituted therefor.

THE Canadian Government has re-used the request of the Mormon settlers of the Northwest to be allowed to bring in machinery and implements duty free, and will not consent to cohabitation women to whom the Mormons had been married previously according to the Mormon custom.

Mrs. HARRISON and Mrs. Morton are literary women. One was educated at Oxford, Ohio, and the other at Vassar.

TO CONSUMPTIVES. The undersigned having been restored to health by simple means, after suffering several years with a severe lung affection, and that dread disease consumption, is anxious to make known to his fellow sufferers the means of cure.

Comfort Under the Waistband.

The call of the stomach must be answered even at the cost of subsequent discomfort. How to make the digestion a regular sequence of the satisfaction of appetite so long as the medical investigation that it was almost given up in despair, and dyspepsia viewed as well nigh incurable.

Can you imagine any ailment that will make a good natured person so peevish, dissatisfied, ill tempered and cranky as biliousness? There is no reason, whatever, why anyone should suffer from indigestion, dyspepsia, torpid liver and loss of appetite, when Dr. HENRY'S Dandelion Tonic, which everyone knows is a certain cure, can be so easily obtained.
