HAVE CONCLUDED TO STAY.

An Opportunity That Should Not Be Lost To Consult the Famous Drs. Darrin.

REMARKABLE CURES.

Through the earnest solicitation and request of their patients and others to extend their visit in Salem they have concluded to do so, and can be consulted at the Chemekete hotel until further notice.

THE FOLLOWING TRIBUTE TO THE GIFT AND SKILL OF DR. DARRIN IS A REMARKABLE INSTANCE OF A GENEROUS IMPULSE WORKED OUT AGAINST POWERFUL PROFESSIONAL PREJUDICE, AND IS WORTHY OF RECORD.

Card to the public—I have for the past two years been afflicted with chronic pericarditis, accompanied with great pain around the heart all that time with excessive circulation, sleepless nights, fear and distress. I was unable to attend to the duties of my profession. I had exhausted my knowledge of medicine, as well as my colleagues, and found no relief until coming under the electro-magnetic treatment of Drs. Darrin. A little more than a month elapsed since I received this treatment, and I can truthfully say that I am cured.

TOTAL DEAFNESS CURED SIXTEEN YEARS AGO AND REMAINS PERMANENT TO THIS DAY.

Mr. Editor—In 1872 my daughter was taken with the membranous croup and upon her recovery was left totally deaf. I called on two eminent physicians who said they could do nothing for her. As a last resort I took her to Dr. Darrin, who cured her, and she has never been troubled with deafness since.

Yours respectfully, WILLIAM S. DIEBLE.

OFFICE HOURS AND PLACE OF BUSINESS.

Drs. Darrin can be consulted free at the Chemekete Hotel, Salem, Or., December 24 to December 26 only. They will under no circumstances take a case they cannot cure or benefit. Charges are reasonable, and the poor treated free from 9 to 10 a. m. daily. Office hours from 10 to 12 daily; evenings, 7 to 8; Sundays, 10 to 12.

TELEGRAPHIC TIDINGS.

Important Events of the Whole World for the Past Week.

After Death.

INDIANA, Dec. 19.—Quite a sensation has been created here by a sermon preached by Dr. Jeffrey, for many years pastor of the Free Baptist church, explaining his belief in regard to the resurrection and eternal life and the much discussed question of whether the soul and spirit are separate integers of a man's inner life.

The Old South.

NEW ORLEANS, Dec. 19.—A Picayune special from Washok says: The orators do not materially change the story of the shooting party. Sash Cobb and W. H. Moody were shot and two or three others slightly wounded. A party of 75 white men started for the hotel where the negroes are said to be hiding, and a severe fight is expected in case of meeting. It is believed the negroes have dispersed.

News And Notes of a General Interest to the Westerner.

The stranded Yaquina Bay will be sold to the highest bidder on Saturday, Dec. 23d.

Oregon has a population of 309,570, judging from the number of votes polled at the late election.

John Jack, the actor who was recently in Salem, will live in Astoria during the winter. He had a bigger house there than in all the valley towns together.

Postoffices have been established at Crescent, Crook county, and at Sunnyside, Clackamas county, and Leslie Powell and John R. Welch appointed postmasters of the respective offices.

A petition is being circulated at Pendleton asking the legislature to repeal the mortgage tax law. The tax question will attract a great deal of attention at the next session of the legislature.

Alexander Nail of Junction City is reported to have been taken with the smallpox and as he is quite aged, the probabilities are that it will be difficult for him to withstand the effects of the attack.

Some cowboys, while gathering beaver last month on the Sweetwater river, Fremont county, ran upon a herd of twenty-three buffaloes. They followed them for ten miles and captured six calves by luring.

The Braden Underwood debate at Eugene last week evidently became quite popular once in awhile. On one occasion Mr. Underwood, according to a Eugene paper, said Braden was an infamous slanderer and liar.

There is music in the air over the question of securing a franchise from the Eugene city council for construction and operating a street railway in that city. Applications have been filed by several organized parties to secure a right upon certain specified streets; and now comes a corporation composed of a number of individuals who are largely interested in water works and electric light stock. They ask a franchise embracing the whole city, and a kick is made all around.
