HAVE CONCLUDED TO STAY.

An Opportunity That Should Not Be Lost To Consult the Famous Drs. Darrin.

REMARKABLE CURES.

Through the earnest solicitation and request of their patients and others to extend their visit in Salem they have concluded to do so, and can be consulted at the Chemekete hotel until further notice.

During their practice here in this vicinity they met with great success, and proved themselves physicians worthy of confidence and of unquestionable reputation, as their cures and testimonials can be substantiated by personal investigation.

That Drs. Darrin have effected extraordinary cures after all efforts elsewhere have failed, is a fact supported by the strongest evidence. Their cures, moreover, are rapid and permanent, as the following testimonials and letters will show:

A PROMINENT LADY OF CORVALLIS, OR., RECITES HER EXPERIENCE UNDER DR. DARRIN.

DR. DARRIN- Dear Sir: I wish to express my gratitude to you for the wonderful results your electro-magnetic system of cure has done in my case. Two years ago I was stricken down with apoplexy. Numbness and great pain in my head and neck followed for a long time; other afflictions came thick and fast. I had chills, liver and stomach derangements, causing vomiting for weeks. In short, my whole system was thoroughly permeated with malarial poison, and continued so until I had a second stroke of paralysis. Hearing of you, I put myself under your care, and now, after three months treatment, I rejoice to tell you I am restored to health, and can be referred to at Corvallis, Oregon. If this will be of any service to you, publish it.

Mrs. N. P. BRUGGS.

ANOTHER OPEN LETTER.

SEATTLE, W. T., 1888. DES. DARRIN- Gentlemen: I now take the pleasure of writing you that after a full course of your electro-magnetic treatment I am now entirely cured of a pain in my chest, which has troubled me for over eight years. Having been under treatment of doctors of Liverpool, Glasgow, Calcutta and San Francisco, none of them did me any good until I came under your treatment, which I am sure has permanently cured me, for which, gentlemen, I beg to remain, Yours gratefully, WILLIAM LITTLE.

DISCHARGING EAR CURED.

DR. DARRIN- Dear Sir: This is to certify that I have been under your treatment for a discharging ear, of one year's standing, and been cured by you. Refer to me at Tillamook, Or. Yours truly, ALFRED LETCHER, Jeweler.

NERVOUS DEBILITY AND DEAFNESS CURED.

MR. EDITOR- Dear Sir: It affords me a great pleasure to certify that my daughter Tullia, who for a long time was afflicted by nervous debility, the result of a serious attack of malarial fever, followed by deafness and discharge from the ear, and who has wasted away practically to a shadow, has been fully restored to health and strength by the skillful treatment of Drs. Darrin. Those who saw her two or three weeks ago are astonished at her rapid and complete recovery. I am glad to have an opportunity thus publicly to thank these skillful physicians for their kind offices and skillful treatment. I may be referred to at No. 94, corner Fifth and Columbia streets, Portland. Mrs. S. A. WOODEN.

OFFICE HOURS AND PLACE OF BUSINESS.

Drs. Darrin can be consulted free at the Chemekete Hotel, Salem, Or., until further notice.

They will under no circumstances take a case they cannot cure or benefit. Charges are reasonable, and the poor treated free from 9 to 10 a. m. daily. Office hours from 10 to 4 daily; evenings, 7 to 8; Sundays, 10 to 12. All curable chronic diseases, loss of manhood, blood taints, syphilis, gleet, gonorrhoea, stricture, spermatorrhoea, seminal weakness, or loss of desire of sexual power in man or woman, catarrh or deafness, are confidentially and successfully treated. Cures of private diseases guaranteed and never published in the papers. Circulars sent free. Most cases can receive home treatment after a visit to the Doctor's office.

TELEGRAPHIC TIDINGS.

Important Events of the Whole World for Twenty-four Hours.

The Wrecked Yaquina Bay.

SAN FRANCISCO, Dec. 27.-General Manager Hoag, of the Oregon Pacific railroad, left to-night for Corvallis again. He states that the steamer Yaquina Bay, that went ashore at Yaquina bay, has not been abandoned in the full sense of the term. Although she is now under charge of the underwriters, it does not release or prevent him from exerting an effort to raise her. Whitelaw, the wrecker, with some of his best men, also left for Yaquina this evening. Mr. Hoag states that they will make another effort to raise the hulk of the Yaquina Bay, and if successful, the steamer will be solidly repaired, made into a comparatively new steamer, and put on the line again between Yaquina and San Francisco.

Sleet and Snow.

KANSAS CITY, Dec. 25.-Last night's sleet and snow made havoc among the wires. The telegraph companies escaped with the usual embarrassment, delay and roundabout service. The electric light company's loss is \$15,000, and the rail roads suffer temporary inconveniences. The heaviest loser is the telephone company, which estimates its loss at \$20,000. To-night it is growing colder and the snow-fall has ceased.

Electricity From Coal.

AKRON, Ohio Dec. 27.-Thomas Edison says he is now working on an invention whereby electricity would be produced direct from coal dispensing entirely with boilers, engines, dynamos, etc., now required. Besides, he says, it will use nearly the entire heat of coal instead of only about 5 per cent., as is done by the present system of burning.

A Trip Around the World.

LONDON, Dec. 27.-An English postal card, which was mailed in October to Hong Kong, by the way of the United States and Yokohama, reached Hong Kong Nov. 23d, and was directed to London, by the way of Brindisi, Nov. 25th, and reached its original owner Monday morning within 75 days. The postage on the card was only 3 half pence.

The Canal Will Be Opened.

PARIS, Dec. 27.-In a meeting today of 4,000 bondholders of the Panama Canal Company resolutions were unanimously adopted expressing confidence in DeLesseps and voting for the payment of interest on coupons and the redemption of bonds until the canal is opened for traffic.

Tired of War.

SUAKIM, Dec. 27.-Osman Digna is sending away all the women and children. It is believed that he is preparing to retreat to the Nile, and is not desirous of again giving battle.

Shipping Oranges to Oregon.

MARYSVILLE, Cal., Dec. 27.-The Shuttler Fruit Co. intend to send oranges to Oregon. A large shipment went north to-day.

A lady residing at West Nyack, N. Y. claims to have made an important discovery. She put the cream of several days' milking of a pet Jersey cow in a thick cloth, one day last summer, as it was too warm to churn, placed the bag in the ground in cool place, and threw a shovelfull of earth on it, so the oat could not get it. The next day she found the cream had turned to a great lump of yellow butter, and she had to do was to salt and mark it. The buttermilk had entirely disappeared, and there was about a third more butter than is usually obtained by churning. She does not know whether the soil has peculiar chemical properties or not, but she claims she never fails, and she wishes others to experiment. As she is modest the New York Herald withholds her name.

A lady, sitting in the same box of an open house with a French physician, was much troubled with nasal, and happened to gaze. "Excuse me, ma'am," said the doctor, "I am glad you did not swallow me." "Give yourself no uneasiness," said the lady, "I am a Jewess, and never eat pork."
