MISS WELLS BROS., Salem, Oregon.

Gentlemen:—We had the pleasure recently of making shipment to you of our new "White Cross" Extracts, and send you by mail to-day a very neat show card which we would like you to place prominently in your store, and which will call the attention of your trade to the goods.

It has been our intention for some time past to place upon the market the finest line of flavoring extracts manufactured in this country, and after months of study and experimenting with the prominent brands now before the public we have at last succeeded in placing before you a quality which beyond doubt has no superior.

We can not too strongly impress upon you that you can unhesitatingly recommend them to your customers as the finest that can possibly be manufactured. The package and style generally is such as to attract attention, and we predict that when your trade have tested the quality of the goods your sale for "White Cross" extracts will be large.

By complying with our request you will confer a favor upon yours truly,
