The Oregon Land Company

Is a corporation duly organized and operated under the laws of the State of Oregon. It began business in March, 1888, with a capital stock of \$20,000.

The First Sale Made By This Company Was in April Last.

During the nine months which have since elapsed it has made 107 sales to 104 different persons. Of the purchasers 85 have bought farming lands. It has also, during this time sold 61 residence lots in Salem. Of those purchasing but 25 were residents of Marion county prior to purchasing. The remainder were from the following localities, viz: Jackson Co. 1—Polk Co. 3—Multnomah Co. 4—Clackamas Co. 1—Yamhill Co. 1—Montana 4—Minnesota 4—Kansas 10—England 2—Colorado 2—Washington Territory 7—Iowa 5—Dakota 3—Indiana 2—California 8—Nebraska 7—Ohio 3—Wisconsin 1—Missouri 1—Illinois 1—Pennsylvania 2—Unknown 7.

This shows that sales are not confined to former residents of this locality, but that people are swarming in from the East to make their homes among us. The business of this company is constantly increasing. More than half of its sales have been made within the past three months, although this is a season of the year when sales are usually dull. The company has from 15 to 20 men constantly employed. It has representatives on Puget Sound. It has three men in Portland, two of whom give it their entire time. Rev. F. J. Strayer, who last year introduced so many immigrants into this State, is now in the East lecturing and distributing advertising literature exclusively for this company. He will start to this State with his first excursion on the 4th of April next.

This company is now spending more money to advertise Salem and the surrounding locality than

The Salem Board of Trade and All Other Agencies Combined!

Within the past twelve days it has paid for and contracted for advertising to the amount of

Over Fifteen Hundred and Twenty-Five Dollars,

The second edition of the company's pamphlet descriptive of Salem and the Willamette Valley is now in press. This is an edition of

TWENTY THOUSAND COPIES

Of a beautifully illustrated fifty page pamphlet. We cannot advertise so extensively in our home papers as we wish, for the reason that parties whom we most desire to reach are residents of the Eastern States, where these papers do not circulate. We do not advertise every sale we make in the local press, but we have advertised in more than

ONE THOUSAND PAPERS

In the East, as we depend upon Eastern buyers for the great bulk of our patronage. During the next few months our advertisements will be read by millions of readers of Eastern newspapers, who will thus be placed in direct communication with us, and nearly all of those who come to this coast will come ticketed for the office of

THE OREGON LAND COMPANY.

For these reasons parties desiring to sell will find it to their interest to place their lands in the hands of this company. If you wish to sell property leave it where

BUYERS COME TO BUY

If you wish to buy property come where property is left for sale. Your neighbors have land and don't want to buy.

EASTERN PEOPLE DO.

Our advertisements catch the eyes of Eastern people everywhere. We have five teams and comfortable conveyances ready at all times day or night, to convey parties to the properties we have for sale.

DON'T BE MODEST.

You are welcome to ride with us whether you buy or not.

LONG FACES.

Don't you dislike to meet people who go about with faces the length of a yardstick? And when your voice rings out in a merry "Good-morning" isn't it shocking to have a sympathetic gloom cast over your own bright self by these long-faced people, whose first thought is to tell you about the numerous ailments which afflict them and make life burdensome? But I ought to sympathize with such people, because I know just how hard it is to appear sunny and cheerful when one is afflicted almost beyond endurance. I became so discouraged that my "grim visage" was long enough to scare happiness over half a dozen fences, and I was fast becoming prematurely old. At last my friends prevailed upon me to consult Drs. Darrin, and now after a few weeks' treatment, I am my girlish self again, and am into all the mischief a-going.

VERA MILLETON, PORTLAND, January 25, 1889.

HOW MRS. CLINE GAINED THIRTY POUNDS.

For thirty-five years I have been alling with a complication of diseases peculiar to my sex—liver, kidney, indigestion, rheumatism, neuralgia. I commenced treatment one year ago, and I have been restored to health and strength, and have gained about thirty pounds in flesh. Dr. Darrin cured me by the electric system, with very little medicine. I have lived on Sauvie's Island, Or. for the past forty-five years, and now reside with my daughter, Mrs. John Sax, at 253 Second street, Portland, Or. Refer to me.

MRS. MARY CLINE.

TO WHOM IT MAY CONCERN.

This is to certify that I have been troubled with a disagreeable discharge from my ear of twenty-five years' duration, and only found relief under Dr. Darrin's skillful treatment by electricity and medicine. My ear has ceased discharging. Will answer all inquiries at Middleton, Or.

OUR PEN PICTURES.

Short Sketches of Our Law Makers and Prominent Men.

HON. J. K. WAIT.

Mr. Wait is one of Oregon's oldest law makers and has the honor of holding a seat in the Senate chamber. Mr. Wait is one of East Portland's Senators and a staunch republican. He represented Polk county in the first Oregon legislative assembly ever held in Oregon, which was in 1859. He assisted in electing Delazon Smith and Gen. J. Lane in 1859. In 1885 he was one of Clackamas county's representatives and cast his vote for Mitchell for senator. This year he is looking out for the people in East Portland in the Senate and voted the re-election of Senator Dolph. Thus he has been instrumental in electing four U. S. Senators and if he lives he will have an opportunity to vote for Senator Mitchell's successor. Mr. Wait is a very pleasant gentleman and an earnest worker.

HON. JUDSON WEED.

Mr. Weed is the republican representative from Columbia county. He is serving his first term in the house and is doing good work. He is successfully engaged in farming near Vernonia. Mr. Weed was born at Jackson, Ohio, April 14, 1847, where he continued to reside up to his seventeenth year when he and his six brothers enlisted in the war. At the close of the war he went to Lebanon, Ohio, where he attended a normal school until he had completed his education, when he began teaching school, and continued to follow that occupation until he came to Oregon in 1875. In the spring of 1876 he settled upon the homestead he now occupies and has been very successful in farming. He also taught school in Washington, Columbia and Linn counties, and was elected county school superintendent of Columbia county in 1878, assessor in 1886 and in 1888 was elected to the House of Representatives by a good majority.

JEFFERSON ITEMS.

Jefferson is having its share of the boom, as the people's interests are fully awakened.

The fine residence of Mr. Schultz is nearly completed. It is now receiving the first coat of paint.

Work has just been commenced on the proposed residence of Mr. Schoemaker. It will be a good one.

Smith & Russell are pushing the work on their new store building, which will be the finest in town.

Joseph Metzger has bought W. T. Rigdon's house and will take possession soon. The latter will move to Salem.

Mr. Barendrick, of Salem, is about to consummate a trade for the large Grange warehouse of this place. This warehouse does a good business.

J. A. Winters' new photograph gallery is now completed. He is an old photographer of much experience, and will no doubt have a liberal patronage.

Roland Bros., formerly of this place and lately from Albany, will, in a few days open a stock of general merchandise in the store building of E. J. Hearn.

Our school is in first-class condition. New students are still coming in, some from quite a distance. The teachers are laboring hard to make this a successful year.

Geo. Richardson has just started a first-class jewelry shop in Young & Co.'s drug store. Mr. Richardson is an experienced jeweler and deserves a good trade. He is from Colfax, W. T.

It is reported that the grist mill of this place is about to change hands, and if this trade is consummated new machinery, of roller process, will immediately take the place of the old.

A writing school of fifty-eight pupils is progressing nicely under the efficient management of Miss Flora Herren, of Turner. Miss Herren is a fine writer and successful teacher.

The ladies of Jefferson have very judiciously organized a reading club which, for the present, meets once in two weeks. This is a wise step of the gentler sex, and its influence will no doubt be widely felt.

Important Events of the Whole World for Twenty-four Hours.

WOMEN SOLD INTO SLAVERY.

Opium Smuggling and Brazen Lawlessness on the British Border.

CHICAGO, Feb. 7.—The Tribune recently sent a reporter to Victoria, B. C. and it devotes an entire page to his report of the condition of affairs there. The report deals at length with the smuggling operations across the border, and declares that the United States is cheated out of millions of dollars revenue every year by organized bands of opium smugglers, also that many federal customs officials on the border are corrupted by them, while others are so stupid as to be useless. The correspondent further declares the laws against Chinese immigration to be flagrantly violated under the very noses of federal officials. Chinese women in hordes are smuggled across the border and sold into slavery in the United States. In general it is asserted that the people of the United States have not the slightest conception of the brazen lawlessness that exists on the north-frontier.

DeLesseps on His Feet.

PARIS, Feb. 6.—Dissolution of the old Panama Canal Company has been decided on, on petition of parties acting in accord with DeLesseps.

The tribunal authorizes dissolution of the old company as a preliminary to the formulation of a new company. The liquidator appointed by the court is given full power to dispose of the property in the best interests of the company.

New York Strikers.

NEW YORK, Feb. 7.—Yesterday strikers were flocking into the various street car headquarters applying for work. In all cases they are required to sign papers declaring that they will no longer be subject to the orders of any labor organizations. The collapse of the strike is a very heavy blow to the Knights of Labor.

Psalm Jones' Agony.

Can you imagine any ailment that will make a good natured person so peevish, dissatisfied, ill tempered and cranky as biliousness?
