The Oregon Land Company

Is a corporation duly organized and operated under the laws of the State of Oregon. It began business in March, 1888, with a capital stock of \$20,000.

The First Sale Made By This Company Was in April Last.

During the nine months which have since elapsed it has made 107 sales to 104 different persons. Of the purchasers 85 have bought farming lands. It has also, during this time sold 61 residence lots in Salem. Of those purchasing but 25 were residents of Marion county prior to purchasing. The remainder were from the following localities, viz: Jackson Co. 1—Polk Co. 3—Multnomah Co. 4—Clackamas Co. 1—Yamhill Co. 1—Montana 4—Minnesota 4—Kansas 10—England 2—Colorado 2—Washington Territory 7—Iowa 5—Dakota 3—Indiana 2—California 8—Nebraska 7—Ohio 3—Wisconsin 1—Missouri 1—Illinois 1—Pennsylvania 2—Unknown 7.

This shows that sales are not confined to former residents of this locality, but that people are swarming in from the East to make their homes among us. The business of this company is constantly increasing. More than half of its sales have been made within the past three months, although this is a season of the year when sales are usually dull. The company has from 15 to 20 men constantly employed. It has representatives on Puget Sound. It has three men in Portland, two of whom give it their entire time. Rev. F. J. Strayer, who last year introduced so many immigrants into this State, is now in the East lecturing and distributing advertising literature exclusively for this company. He will start to this State with his first excursion on the 4th of April next.

This company is now spending more money to advertise Salem and the surrounding locality than

The Salem Board of Trade and All Other Agencies Combined!

Within the past twelve days it has paid for and contracted for advertising to the amount of

Over Fifteen Hundred and Twenty-Five Dollars.

The second edition of the company's pamphlet descriptive of Salem and the Willamette Valley is now in press. This is an edition of

TWENTY THOUSAND COPIES

Of a beautifully illustrated fifty page pamphlet. We cannot advertise so extensively in our home papers as we wish, for the reason that parties whom we most desire to reach are residents of the Eastern States, where these papers do not circulate. We do not advertise every sale we make in the local press, but we have advertised in more than

ONE THOUSAND PAPERS

In the East, as we depend upon Eastern buyers for the great bulk of our patronage. During the next few months our advertisements will be read by millions of readers of Eastern newspapers, who will thus be placed in direct communication with us, and nearly all of those who come to this coast will come ticketed for the office of

THE OREGON LAND COMPANY.

For these reasons parties desiring to sell will find it to their interest to place their lands in the hands of this company. If you wish to sell property leave it where

BUYERS COME TO BUY

If you wish to buy property come where property is left for sale. Your neighbors have land and don't want to buy.

EASTERN PEOPLE DO.

Our advertisements catch the eyes of Eastern people everywhere. We have five teams and comfortable conveyances ready at all times day or night, to convey parties to the properties we have for sale.

DON'T BE MODEST.

You are welcome to ride with us whether you buy or not.

LONG FACES.

Don't you dislike to meet people who go about with faces the length of a yardstick? And when your voice rings out in a merry "Good-morning!" isn't it shocking to have a sympathetic gloom cast over your own bright self by these long-faced people, whose first thought is to tell you about the numerous ailments which afflict them and make life burdensome? But I ought to sympathize with such people, because I know just how hard it is to appear sunny and cheerful when one is afflicted almost beyond endurance. I became so discouraged that my "grim visage" was long enough to scare happiness over half a dozen fences, and I was fast becoming prematurely old. At last my friends prevailed upon me to consult Dr. Darrin, and now after a few weeks' treatment, I am my girlish self again, and am into all the mischief a-going.

VERA MILLETON.

PORTLAND, JANUARY 25, 1889.

HOW MRS. CLINE GAINED THIRTY POUNDS.

For thirty-five years I have been ailing with a complication of diseases peculiar to my sex—liver, kidney, indigestion, rheumatism, neuralgia. I commenced treatment one year ago, and I have been restored to health and strength, and have gained about thirty pounds in flesh. Dr. Darrin cured me by the electric system, with very little medicine. I have lived on Sauvie's island, Or. for the past forty-five years, and now reside with my daughter, Mrs. John Sax, at 253 Second street, Portland, Or. Refer to me.

MRS. MARY CLINE.

TO WHOM IT MAY CONCERN.

This is to certify that I have been troubled with a disagreeable discharge from my ear of twenty-five years' duration, and only found relief under Dr. Darrin's skillful treatment by electricity and medicine. My ear has ceased discharging. Will answer all inquiries at Middleton, Or.

OUR PEN PICTURES.

Short Sketches of Our Law Makers And Prominent Men.

HON. WILLIAM ARMSTRONG is one of the Marion county representatives. He came to Oregon in 1879. He was born in Ireland, county Lyons, February 25, 1829, and landed in America, at New York, on May 27, 1845. Sixteen years later, 1861, we find him settled down at St. Joe county, Michigan, where he officiated as postmaster under the administration of Presidents Johnson and Grant. In 1870 he arrived in Oregon and is now a highly respected citizen of Salem. Mr. Armstrong is a shoemaker by trade. He is a prominent member of the Masonic and A. O. U. W. orders. He has followed republicanism from the time that Fremont was nominated for president, which was in 1856. Mr. Armstrong is an active worker and is looking after his part of the legislation in an able manner.

HON. CHAS. A. COGSWELL is the democratic senator from the seventh district composed of Crook, Klamath, and Lake counties. Mr. Cogswell is an attorney at law, and resides at Lakeview. He was born in Rutland, Vt., Jan. 3rd, in the year 1844. He came to Oregon in 1859 and settled where he now resides. In 1852 he came as far west as Illinois and in 1862 he enlisted in the Union army, and served until Jan. 1865. He was under the command of Gen. Thurman. He is now a prominent member of the G. A. R. Post, and was lieutenant-colonel, on the staff of Governor Thayer. Mr. Cogswell has had the honor of being county judge of Lake county, and is now one of the four stockholders and directors of the Lakeview bank. Mr. Cogswell is one of the "sacred nine" in the senate.

OCCIDENTAL JOTTINGS.

News and Notes of General Interest to The Westerner.

The big steamer, Oregon, is detained at the Columbia's mouth under small-pox quarantine.

The Herald has assurance that the narrow gauge will be extended to Albany before many months.

Albany's smallpox quarantine was raised yesterday, the patients having all recovered.

The Albany Democrat, with its usual good sense, predicts that Salem will raise the \$20,000 for the woolen mill.

The general opinion is that a fine new steamer will be placed on the Yaquina and San Francisco route before many weeks.

Astoria unfurls the scarlet flag as her signal of danger and distress. Scarlet fever prevails to a limited extent within the city.

Eugene is also to have an ice factory. Arrangements have been perfected and the spray will be condensed into solidified coolness as early as May 1.

Reports are to the effect that a five morning republican paper will be started in Portland soon. It is expected to arise Phoenix-like from the ashes of the News.

Weekly Houghman died at Oregon City a few days ago. He was the largest man in Clackamas county. His weight was 325 pounds and his height over six feet.

Benton county is trying to have the office of county recorder created for them. There are but six recorders in Oregon. In the other counties the clerks transact the business of that office.

It seems that the poor immigrants to our coast are no longer to have the privilege of sleeping on their way out unless they help to swell the infinite fortune of the great Pullman car monopoly. No more free sleepers.

An eminent physician says: A healthy liver secretes from two to three pounds of bile every twenty-four hours and disposes of this secretion where it will do the most good. Now if the liver is out of order, the whole system is in trouble, the spirits are depressed, the mind is not clear, and a person whose liver is not performing its duty is very awkwardly for regular business. Dr. Hodge's Bile Beans Tonic tones the liver and enables it to perform its proper functions, thereby regulating the whole system. Sold by D. W. Mathews & Co.

FROZEN STIFF.

The Fate of Two Sailors Who Attempted to Escape a Cruel Captain.

NEW YORK, Feb. 8.—The Fall river steamer Old Colony brought in a sailor named Leander Kaldoon, badly frozen, and the corpse of another man whom Kaldoon knew only as "Bill". Kaldoon says he sailed from New York on the 4th, on the schooner, J. F. Beames, Captain McDonald, for South Africa. Before sailing, and after the voyage was begun, the crew were treated most atrociously by the captain and mate, and resolved to make a raft from some planking and logs on deck and desert at night. Finding they could not make the raft large enough to hold all the sailors they drew lots to see which two would escape. Kaldoon and "Bill" won the prize, and launched their raft at 11 o'clock last night. They expected to make shore, but the wind shifted and carried them out in the middle of the Sound. A heavy sleet storm prevailed and they were washed overboard. The Old Colony picked them up. Restoratives were used and the half-frozen men were rolled in hot blankets and rubbed. "Bill" was beyond human aid. He gasped a few times and died. The men were encased in ice when rescued, and no idea of saving the lives of either of them was entertained.

Three Strikes and Out.

BROOKLYN, Feb. 8.—The strikers or those fortunate enough to secure re-employment, took out the cars which they had abandoned fourteen days ago. Richardson was pleased when he saw all the lines operating, and promised, on their reinstatement they would have nothing to do with the Knights of Labor. As the new hands have been retained only about two-fifths of the old hands got back.

The Amendment.

WASHINGTON, Feb. 8.—The committee on woman's suffrage reported back favorably the joint report proposing a constitutional amendment to prohibit denial of right to vote by the United States, or by one state, on account of sex. It was placed on the calendar. The minority report will be made soon.

Sewell Asked to Resign.

WASHINGTON, Feb. 8.—The president asked for the resignation of Harold Sewell, consul-general to Samoa, on the ground that his views are not in accordance with those of the state department and administration.

A Cool Suicide.

RICHMOND, Va., Feb. 8.—Capt. James C. Walter, secretary to Gov. Lee, was found dead in his office at the state capital yesterday, with a bullet in his brain and a revolver by his side. No cause is known for the act.

A Pioneer's Death.

PORTLAND, Feb. 8.—Phillip Ritz, of Walla Walla, formerly a resident of Benton county, Oregon, died at his home in Walla Walla yesterday.

Short and Long Courtships.

Daisy Dandelion, Essex, Ct., is perplexed over the question of short and long courtships, and wants our advice. Well, Daisy, it is hard to make a rule to fit every case, but in general we will say that long courtships are not advisable. Many women, pale, haggard, wan and wasted from long continued uterine ailments, are forced to banish all thoughts of marriage. Such unfortunate sufferers should know that Dr. Pierce's Favorite Prescription is a positive cure for the most complicated and obstinate cases of leucorrhoea, excessive flowing, painful menstruation, unnatural suppression, prolapsus, or falling of the womb, weak back, "female weakness," anteversion, retroversion, "bearing down sensations," chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat."

For all derangements of the liver, stomach and bowels, take Dr. Pierce's Pellets.
