The Oregon Land Company

Is a corporation duly organized and operated under the laws of the State of Oregon. It began business in March, 1888, with a capital stock of \$20,000.

The First Sale Made By This Company Was in April Last.

During the nine months which have since elapsed it has made 107 sales to 104 different persons. Of the purchasers 85 have bought farming lands. It has also, during this time sold 61 residence lots in Salem. Of those purchasing but 25 were residents of Marion county prior to purchasing. The remainder were from the following localities, viz: Jackson Co. 1—Polk Co. 3—Multnomah Co. 4—Clackamas Co. 1—Yamhill Co. 1—Montana 4—Minnesota 4—Kansas 10—England 2—Colorado 2—Washington Territory 7—Iowa 5—Dakota 3—Indiana 2—California 8—Nebraska 7—Ohio 3—Wisconsin 1—Missouri 1—Illinois 1—Pennsylvania 2—Unknown 7. This shows that sales are not confined to former residents of this locality, but that people are swarming in from the East to make their homes among us. The business of this company is constantly increasing. More than half of its sales have been made within the past three months, although this is a season of the year when sales are usually dull. The company has from 15 to 20 men constantly employed. It has representatives on Puget Sound. It has three men in Portland, two of whom give it their entire time. Rev. F. J. Strayer, who last year introduced so many immigrants into this State, is now in the East lecturing and distributing advertising literature exclusively for this company. He will start to this State with his first excursion on the 4th of April next.

This company is now spending more money to advertise Salem and the surrounding locality than

The Salem Board of Trade and All Other Agencies Combined!

Within the past twelve days it has paid for and contracted for advertising to the amount of

Over Fifteen Hundred and Twenty-Five Dollars,

The second edition of the company's pamphlet descriptive of Salem and the Willamette Valley is now in press. This is an edition of

TWENTY THOUSAND COPIES

Of a beautifully illustrated fifty page pamphlet. We cannot advertise so extensively in our home papers as we wish, for the reason that parties whom we most desire to reach are residents of the Eastern States, where these papers do not circulate. We do not advertise every sale we make in the local press, but we have advertised in more than

ONE THOUSAND PAPERS

In the East, as we depend upon Eastern buyers for the great bulk of our patronage. During the next few months our advertisements will be read by millions of readers of Eastern newspapers, who will thus be placed in direct communication with us, and nearly all of those who come to this coast will come ticketed for the office of

THE OREGON LAND COMPANY.

For these reasons parties desiring to sell will find it to their interest to place their lands in the hands of this company. If you wish to sell property leave it where

BUYERS COME TO BUY

If you wish to buy property come where property is left for sale. Your neighbors have land and don't want to buy.

EASTERN PEOPLE DO.

Our advertisements catch the eyes of Eastern people everywhere. We have five teams and comfortable conveyances ready at all times day or night, to convey parties to the properties we have for sale.

DON'T BE MODEST.

You are welcome to ride with us whether you buy or not.

LONG FACES.

Don't you dislike to meet people who go about with faces the length of a yardstick? And when your voice rings out in a merry "Good-morning" isn't it shocking to have a sympathetic gloom cast over your own bright self by these long-faced people, whose first thought is to tell you about the numerous ailments which afflict them and make life burdensome? But I ought to sympathize with such people, because I know just how hard it is to appear sunny and cheerful when one is afflicted almost beyond endurance. I became so discouraged that my "grim visage" was long enough to scare happiness over half a dozen fences, and I was fast becoming prematurely old. At last my friends prevailed upon me to consult Drs. Darrin, and now after a few weeks' treatment, I am my girlish self again, and am into all the mischief a-going.

VERA MILLERTON, PORTLAND, January 25, 1889.

HOW MRS. CLINE GAINED THIRTY POUNDS.

For thirty-five years I have been alling with a complication of diseases peculiar to my sex—liver, kidney, indigestion, rheumatism, neuralgia. I commenced treatment one year ago, and I have been restored to health and strength, and have gained about thirty pounds in flesh. Dr. Darrin cured me by the electric system, with very little medicine. I have lived on Saunvie's Island, Or. for the past forty-five years, and now reside with my daughter, Mrs. John Sax, at 259 Second street, Portland, Or. Refer to me.

MRS. MARY CLINE.

TO WHOM IT MAY CONCERN.

This is to certify that I have been troubled with a disagreeable discharge from my ear of twenty-five years' duration, and only found relief under Dr. Darrin's skillful treatment by electricity and medicine. My ear has ceased discharging. Will answer all inquiries at Middleton, Or.

A PRAYER FOR POLITICS.

Nobody Prays That Way in the Oregon Senate.

ALBANY, N. Y., Feb. 10.—Rev. Leech opened the session of the senate with prayer. He referred to the corruption which so greatly influences elections in great cities and prayed for deliverance from "the political gamblers who buy up the votes of the ignorant immigrants."

At the conclusion of the prayer Mr. Grady arose. "I move," said he, "that the officer having charge of the selection of the clergymen to offer opening prayers in this body be instructed hereafter to give no invitation to do so to the person who has just assailed the throne of mercy with this very peculiar petition. It is an outrage that prayer should be made a cover for assailing political majorities in our cities as ignorant immigrants steeped in superstition." "Perhaps the prayer was meant for the senator from the Sixth" (Grady), interrupted Erwin.

The Lieutenant-Governor ruled the entire matter out of order.

Woman Suffrage.

WASHINGTON, February 11.—The following is the concurrent resolution of congress proposing an amendment to the constitution of the Union:

"Unless this government shall be made and preserved truly republican in form by the enfranchisement of women, the great reforms which her ballot would accomplish may never be. The demoralization and disintegration now proceeding in the body politic are not likely soon to be arrested. The corruption of male suffrage is already well nigh a fatal disease. A republican form of government can not survive half slave and half free. The ballot is withheld from women because men are not willing to part with one-half of the sovereign power. There is no other cause for the continued perpetration of this unnatural tyranny. Enfranchise woman, or this republic will steadily advance to the same destruction, the same ignoble and tragic catastrophe which has engulfed all male republics of history. Let us establish a republic in which men and women shall be free indeed, then shall the republic be perpetual."

A minority report adverse to the adoption of the resolution reported will hereafter be presented.

No More Tariff, Now.

WASHINGTON, Feb. 10.—Chairman Mills, of the ways and means committee, says that the tariff bill will be reported back to the house the middle of this week. He declined to express an opinion whether there would be any legislation on the subject this session, but it was evident he believed nothing would be accomplished.

A Big Temple.

SAN FRANCISCO, Feb. 10.—A grand Unitarian temple was dedicated here to-day, and so great was the interest and curiosity that hundreds of people were turned away, unable to get standing room near the doors and windows. The Jewish Rabbi of the temple Emanuel assisted in the services.

Not All Plumb.

TOPEKA, Feb. 10.—The Kansas delegation that visited General Harrison in the interest of Senator Plumb for secretary of the treasury have returned without encouragement. They say Windom is booked for the place. Much disappointment is felt by Kansas.

A Great Point.

SAN FRANCISCO, Feb. 10.—The case of A. M. Hamilton, who was ejected from the Central Pacific cars for not signing his ticket is attracting considerable talk. The suit is to be commenced by him at Portland.

Appropriation Bills.

WASHINGTON, Feb. 10.—Congress will be occupied this week with appropriation bills almost exclusively.

National Notes.

WASHINGTON, D. C., Feb. 11.—Senator Sherman, who knows the cares and perplexities of being secretary of the treasury, warmly congratulated Senator Allison on his escape when the fact became known that Mr. Allison had written to Gen. Harrison positively and finally declining the appointment.

Evidently secretary or postmaster-general (whichever it may be) Wanamaker proposes to hold up his end of the coming administration. It is said that he has purchased for \$80,000 the elegant residence in this city now occupied by secretary Whitney.

Senator Ingalls says he will be very glad to turn the gavel over to Vice-President-elect Morton on the fourth of March and resume his old place on the floor of the senate.

At last, after many ups and downs, the Oklahoma bill has gotten through the House all right. It now goes to the senate, where its friends propose making a mighty effort to rush it through. There is a rumor here that Cleveland has promised to veto it if it gets through the senate.

Senator Blair's bill giving the noble women who acted as army nurses during the war a pension of twenty-five dollars a month, has been passed by the senate and favorably reported to the House.

OCCIDENTAL JOTTINGS.

Mr. Kay made the Brownsville Woolen mill a splendid success and proposes to put the new mill at Salem in a position to compete with the world.—Drain Echo.

Joaquin Miller offers to give fifteen acres of wood land near Oakland, California for a park, provided the elegant growth of redwood trees thereon be protected, also the pheasant and other wild birds thereon.

It is reported that the Astoria and South Coast railroad will be completed by June 1st, 1889. It has been only six months since the company was organized, and most of the right of way has been secured.—Pioneer.

Olympia is having an attack of the railroad fever, and begins to think it will be great center of travel. The citizens of the capital city are excited over the rumor that three projected railroads are to run through their town. The rapid development of the Gray's Harbor country is doing much to bring Olympia forward.
