The Oregon Land Company

Is a corporation duly organized and operated under the laws of the State of Oregon. It began business in March, 1888, with a capital stock of \$20,000.

The First Sale Made By This Company Was in April Last.

During the nine months which have since elapsed it has made 107 sales to 104 different persons. Of the purchasers 85 have bought farming lands. It has also, during this time sold 61 residence lots in Salem. Of those purchasing but 25 were residents of Marion county prior to purchasing. The remainder were from the following localities, viz: Jackson Co. 1—Polk Co. 3—Multnomah Co. 4—Clatsop Co. 1—Yamhill Co. 1—Montana 4—Minnesota 4—Kansas 10—England 2—Colorado 2—Washington Territory 7—Iowa 5—Dakota 3—Indiana 2—California 8—Nebraska 7—Ohio 3—Wisconsin 1—Missouri 1—Illinois 1—Pennsylvania 2—Unknown 7. This shows that sales are not confined to former residents of this locality, but that people are swarming in from the East to make their homes among us. The business of this company is constantly increasing. More than half of its sales have been made within the past three months, although this is a season of the year when sales are usually dull. The company has from 15 to 20 men constantly employed. It has representatives on Puget Sound. It has three men in Portland, two of whom give it their entire time. Rev. F. J. Strayer, who last year introduced so many immigrants into this State, is now in the East lecturing and distributing advertising literature exclusively for this company. He will start to this State with his first excursion on the 4th of April next.

This company is now spending more money to advertise Salem and the surrounding locality than

The Salem Board of Trade and All Other Agencies Combined!

Within the past twelve days it has paid for and contracted for advertising to the amount of

Over Fifteen Hundred and Twenty-Five Dollars.

The second edition of the company's pamphlet descriptive of Salem and the Willamette Valley is now in press. This is an edition of

TWENTY THOUSAND COPIES

Of a beautifully illustrated fifty page pamphlet. We cannot advertise so extensively in our home papers as we wish, for the reason that parties whom we most desire to reach are residents of the Eastern States, where these papers do not circulate. We do not advertise every sale we make in the local press, but we have advertised in more than

ONE THOUSAND PAPERS

In the East, as we depend upon Eastern buyers for the great bulk of our patronage. During the next few months our advertisements will be read by millions of readers of Eastern newspapers, who will thus be placed in direct communication with us, and nearly all of those who come to this coast will come ticketed for the office of

THE OREGON LAND COMPANY.

For these reasons parties desiring to sell will find it to their interest to place their lands in the hands of this company. If you wish to sell property leave it here

BUYERS COME TO BUY

If you wish to buy property come where property is left for sale. Your neighbors have land and don't want to buy.

EASTERN PEOPLE DO.

Our advertisements catch the eyes of Eastern people everywhere. We have five teams and comfortable conveyances ready at all times day or night, to convey parties to the properties we have for sale.

DON'T BE MODEST.

You are welcome to ride with us whether you buy or not.

LONG FACES.

Don't you dislike to meet people who go about with faces the length of a yardstick? And when your voice rings out in a merry "Good-morning" isn't it shocking to have a sympathetic gloom cast over your own bright self by these long-faced people, whose first thought is to tell you about the numerous ailments which afflict them and make life burdensome? But I ought to sympathize with such people, because I know just how hard it is to appear sunny and cheerful when one is afflicted almost beyond endurance. I became so discouraged that my "grim visage" was long enough to scare happiness over half a dozen fences, and I was fast becoming prematurely old. At last my friends prevailed upon me to consult Drs. Darrin, and now after a few weeks' treatment, I am my girlish self again, and am into all the mischief a-going.

VERA MILLETON.

PORTLAND, January 25, 1889.

HOW MRS. CLINE GAINED THIRTY POUNDS.

For thirty-five years I have been ailing with a complication of diseases peculiar to my sex—liver, kidney, indigestion, rheumatism, neuralgia. I commenced treatment one year ago, and I have been restored to health and strength, and have gained about thirty pounds in flesh. Dr. Darrin cured me by the electric system, with very little medicine. I have lived on Sauvie's island, Or. for the past forty-five years, and now reside with my daughter, Mrs. John Sax, at 253 Second street, Portland, Or. Refer to me.

MRS. MARY CLINE.

TO WHOM IT MAY CONCERN.

This is to certify that I have been troubled with a disagreeable discharge from my ear of twenty-five years' duration, and only found relief under Dr. Darrin's skillful treatment by electricity and medicine. My ear has ceased discharging. Will answer all inquiries at Middleton, Or.

A Fatal Affair.

EUGENE, Feb. 12.—Meagre particulars have been received in this city of a fatal shooting affair which occurred above Eugene Saturday night. Two farmers, J. B. Crall and a man named White became engaged in a quarrel. White had refused Crall to come upon his premises. On meeting Saturday evening words ensued, when Crall stooped down to pick up a stone to throw at White. The latter shot him in the top of the head as he was stooped over, inflicting a wound from which the physician says he cannot recover.

Want To Come In.

HELENA, Mont., Feb. 12.—The Montanians are very much stirred up and agitated about the matter of admission. The newspapers are discussing it daily, and the masses of the people are constantly talking about it. The sentiment is pretty nearly unanimous in favor of pushing any kind of a fair bill through congress, and this emanates from democrats and republicans alike.

A Terrible Accident.

CHATTANOOGA, Tenn., Feb. 12.—A horrible accident occurred at the brick works of Guild & Gillespie yesterday. A large boiler filled with tar exploded, throwing hot tar over Charles Falls and his son. If your face is marked with blotches, A red eruptions mark the skin. You may let your bottom dollar. There is something wrong within. 'Tis the blood. To purify it. There is nothing half so good, As the Dr. M. D. says in. 'Tis clearly understood I will explain that G. M. D. means "Golden Medical Discovery" (Dr. Pierce's) the popular remedy for debility, lung-troubles and weak, impoverished blood, which like scrofula, shows its presence in the system in blotches and eruptions, and pain plus. Perfection is attained in Dr. Sage's Catarrh Remedy.
