The Oregon Land Company

Is a corporation duly organized and operated under the laws of the State of Oregon. It began business in March, 1888, with a capital stock of \$20,000.

The First Sale Made By This Company Was in April East.

During the nine months which have since elapsed it has made 107 sales to 104 different persons. Of the purchasers 85 have bought farming lands. It has also, during this time sold 61 residence lots in Salem. Of those purchasing but 25 were residents of Marion county prior to purchasing. The remainder were from the following localities, viz: Jackson Co. 1—Polk Co. 3—Multnomah Co. 4—Clackamas Co. 1—Yamhill Co. 1—Montana 4—Minnesota 4—Kansas 10—England 2—Colorado 2—Washington Territory 7—Iowa 5—Dakota 3—Indiana 2—California 8—Nebraska 7—Ohio 3—Wisconsin 1—Missouri 1—Illinois 1—Pennsylvania 2—Unknown 7.

This shows that sales are not confined to former residents of this locality, but that people are swarming in from the East to make their homes among us. The business of this company is constantly increasing. More than half of its sales have been made within the past three months, although this is a season of the year when sales are usually dull. The company has from 15 to 20 men constantly employed. It has representatives on Puget Sound. It has three men in Portland, two of whom give it their entire time. Rev. F. J. Strayer, who last year introduced so many immigrants into this State, is now in the East lecturing and distributing advertising literature exclusively for this company. He will start to this State with his first excursion on the 4th of April next.

This company is now spending more money to advertise Salem and the surrounding locality than

The Salem Board of Trade and All Other Agencies Combined!

Within the past twelve days it has paid for and contracted for advertising to the amount of

Over Fifteen Hundred and Twenty-Five Dollars,

The second edition of the company's pamphlet descriptive of Salem and the Willamette Valley is now in press. This is an edition of

TWENTY THOUSAND COPIES

Of a beautifully illustrated fifty page pamphlet. We cannot advertise so extensively in our home papers as we wish, for the reason that parties who most desire to reach are residents of the Eastern States, where these papers do not circulate. We do not advertise every sale we make in the local press, but we have advertised in more than

ONE THOUSAND PAPERS

In the East, as we depend upon Eastern buyers for the great bulk of our patronage. During the next few months our advertisements will be read by millions of readers of Eastern newspapers, who will thus be placed in direct communication with us, and nearly all of those who come to this coast will come ticketed for the office of

THE OREGON LAND COMPANY.

For these reasons parties desiring to sell will find it to their interest to place their lands in the hands of this company. If you wish to sell property leave it where

BUYERS COME TO BUY

If you wish to buy property come where property is left for sale. Your neighbors have land and don't want to buy.

EASTERN PEOPLE DO.

Our advertisements catch the eyes of Eastern people everywhere. We have five teams and comfortable conveyances ready at all times day or night, to convey parties to the properties we have for sale.

DON'T BE MODEST.

You are welcome to ride with us whether you buy or not.

LONG FACES.

Don't you dislike to meet people who go about with faces the length of a yardstick? And when your voice rings out in a merry "Good-morning" isn't it shocking to have a sympathetic gloom cast over your own bright self by these long-faced people, whose first thought is to tell you about the numerous ailments which afflict them and make life burdensome? But I ought to sympathize with such people, because I know just how hard it is to appear sunny and cheerful when one is afflicted almost beyond endurance. I became so discouraged that my "grim visage was long enough to scare happiness over half a dozen fences," and I was fast becoming prematurely old. At last my friends prevailed upon me to consult Drs. Darrin, and now after a few weeks' treatment, I am my girlish self again, and am into all the mischief a-going.

VERA MILLENTON. PORTLAND, JANUARY 25, 1889.

HOW MRS. CLINE GAINED THIRTY POUNDS.

For thirty-five years I have been ailing with a complication of diseases peculiar to my sex—liver, kidney, indigestion, rheumatism, neuralgia. I commenced treatment one year ago, and I have been restored to health and strength, and have gained about thirty pounds in flesh. Dr. Darrin cured me by the electric system, with very little medicine. I have lived on Sauvie's island, Or. for the past forty-five years, and now reside with my daughter, Mrs. John Sax, at 253 Second street, Portland, Or. Refer to me.

MRS. MARY CLINE.

TO WHOM IT MAY CONCERN.

This is to certify that I have been troubled with a disagreeable discharge from my ear of twenty-five years' duration, and only found relief under Dr. Darrin's skillful treatment by electricity and medicine. My ear has ceased discharging. Will answer all inquiries at Middleton, Or.

OUR PEN PICTURES.

Short Sketches of Our Law Makers And Prominent Men.

HON. G. W. GILLHAM.

Hon. G. W. Gillham is a representative from the eastern part of the state—from that section known as Grant county—where he is engaged in the practice of medicine. Our subject was born in Josephine county, Oregon, February 22, 1860, and moved to LaGrande in this state in 1863. In early boyhood he expressed the desire to become a physician and accordingly when he had attained the age of nineteen he began the study of his chosen profession. He entered the medical department of the University of California and after two years of hard and careful study he graduated with a good showing. After he completed his medical course he returned to LaGrande and practiced medicine until four years ago when he decided a better field was open for him in Grant county. He located at Harney, Grant county, where he now resides. Dr. Gillham is a strong republican, and is serving his first term in the House of representatives.

HON. J. L. ROE.

Hon. J. L. Roe is a representative from Union county. It often happens that the inquiring student of biography when delving among the records of the lives of distinguished men, is struck with the number of those who have commenced their life career on the farm. In such occupation the aspiring mind is brought face to face with the beauties of nature, the germs of after greatness very often unfold themselves and strike deep root in the fertile soil of ambition. In the present legislature more than one member can trace back the first prompting of his boyhood to the happy days when he went whistling after the plow and mimicked the song of passing birds in the balmy sunshine. Mr. Roe is a farmer representative and resides at Summerville, where he owns a beautiful farm. He was born in the state of Pennsylvania, January 10, 1832, in Huntingdon county. He came as far west as Iowa in 1856, with his parents, where he resided until nine years ago, when he came to Oregon. Mr. Roe is a trainer of the mind as well as a tiller of the soil. From 1872 to 1878 he taught school during the winter months and farmed in the summer, with the exception of '78 when he attended the Missouri State Normal school at Kirksville. Our subject is an equal suffragist and protectionist, and a close student of political economy. He has left behind him an untarnished record and has made a number of warm friends.

A MYSTIC LEAGUE.

Its Members Adopt the Methods of the White Caps.

St. PAUL, Minn., Feb. 13.—Several weeks ago Professor D. Henzel, a French professor who lives at the Clifton Hotel, received a printed notice, headed with a skull and crossbones, warning him to change his ways, and charging that he had made himself obnoxious on several occasions and was a habitual drunkard. He laughed at the notice. One week ago he received a second warning, reading: "This is the second and last warning. Beware of the Mystic League."

Again the professor laughed, but not as heartily as before. Friday night he started up street. He became aware that he was being followed, and kept a watch, but soon his pursuers disappeared. When he reached the next block, and was passing an alley, he was suddenly attacked by three men, thrown to the ground and beaten with a heavy stick. Three teeth were knocked down his throat, his nose was broken, his head severely bruised in several places and his legs left in a state of innocuous desuetude. He will not fully recover for some time.

A Corner on Beef.

St. LOUIS, Feb. 13.—Governor Humphrey of Kansas has selected St. Louis as the place and March 12 as the time for holding an inter-state convention to investigate the alleged pork and beef combine. The convention will be composed of a joint committee of senators and five representatives from the legislatures of Nebraska, Missouri, Ohio, Indiana, Illinois, Wisconsin, Michigan, Minnesota, Arkansas, Texas, Colorado, New Mexico, Arizona and Wyoming. Several of the states have already been heard from favorably, and there is little doubt but that all of them will be represented. The governor of Pennsylvania has expressed a desire to have that state represented, although Pennsylvania was not invited to take part in the movement.

We are Going to Seed.

LONDON, Feb. 13.—Cardinal Manning says: "I recognize in America a decided tendency to, as I call it, go to seed. I fear that in America freedom of divorce has done much to break up domestic life, and it certainly requires but slight observation to see that in the observance of Sunday you have drifted far, far away from the usage of your forefathers. I fear America morally is going to seed, and her Sunday newspapers must have had something to do with it."

Boulanger's New March.

St. LOUIS, Feb. 13.—The Republic announces that it has good reasons to believe that if General Boulanger obtains a divorce he will marry the divorced wife of Joseph D. Lucas of this city. The lady is very handsome, and is now in Italy. She belongs to an old and prominent St. Louis family. She first met Boulanger in New York in 1881.

The Gentiles Win.

OGDEN, Utah, Feb. 13.—The most important election that has ever taken place in Utah is just over. It was a fight by the Gentiles, or liberal party, for a foothold in the territory by the election of a mayor and council. The result of the election is a complete victory for the liberal candidate for mayor, who is elected by a majority of 440.

Big Lottery Scheme.

VIRGINIA, Nevada, Feb. 13.—It is claimed here that the vote to establish a state lottery here similar to the one in Louisiana, has carried.

Why They Take.
