SAN FRANCISCO, Nov. 1st, 1888.

Messrs. WELLER BROS., Salem, Oregon.

Gentlemen:—We had the pleasure recently of making shipment to you of our new "White Cross" Extracts, and send you by mail to-day a very neat show card which we would like you to place prominently in your store, and which will call the attention of your trade to the goods.

It has been our intention for some time past to place upon the market the finest line of flavoring extracts manufactured in this country, and after months of study and experimenting with the prominent brands now before the public we have at last succeeded in placing before you a quality which beyond doubt has no superior.

We can not too strongly impress upon you that you can unhesitatingly recommend them to your customers as the finest that can possibly be manufactured. The package and style generally is such as to attract attention, and we predict that when your trade have tested the quality of the goods your sale for "White Cross" extracts will be large.

By complying with our request you will confer a favor upon yours truly. A. SCHEMILLING & CO.

The Oregon Land Company

Is a corporation duly organized and operated under the laws of the State of Oregon. It began business in March, 1888, with a capital stock of \$20,000.

The First Sale Made By This Company Was in April Last.

During the nine months which have since elapsed it has made 107 sales to 104 different persons. Of the purchasers 85 have bought farming lands. It has also, during this time sold 61 residence lots in Salem. Of those purchasing but 25 were residents of Marion county prior to purchasing. The remainder were from the following localities, viz: Jackson Co. 1—Polk Co. 3—Multnomah Co. 4—Clackamas Co. 1—Yamhill Co. 1—Montana 4—Minnesota 4—Kansas 10—England 2—Colorado 2—Washington Territory 7—Iowa 5—Dakota 3—Indiana 2—California 8—Nebraska 7—Ohio 3—Wisconsin 1—Missouri 1—Illinois 1—Pennsylvania 2—Unknown 7. This shows that sales are not confined to former residents of this locality, but that people are swarming in from the East to make their homes among us. The business of this company is constantly increasing. More than half of its sales have been made within the past three months, although this is a season of the year when sales are usually dull. The company has from 15 to 20 men constantly employed. It has representatives on Puget Sound. It has three men in Portland, two of whom give it their entire time. Rev. F. J. Strayer, who last year introduced so many immigrants into this State, is now in the East lecturing and distributing advertising literature exclusively for this company. He will start this State with his first excursion on the 4th of April next.

This company is now spending more money to advertise Salem and the surrounding locality than

The Salem Board of Trade and All Other Agencies Combined!

Within the past twelve days it has paid for and contracted for advertising to the amount of

Over Fifteen Hundred and Twenty-Five Dollars,

The second edition of the company's pamphlet descriptive of Salem and the Willamette Valley is now in press. This is an edition of

TWENTY THOUSAND COPIES

Of a beautifully illustrated fifty page pamphlet. We cannot advertise so extensively in our home papers as we wish, for the reason that parties whom we most desire to reach are residents of the Eastern States, where these papers do not circulate. We do not advertise every sale we make in the local press, but we have advertised in more than

ONE THOUSAND PAPERS

In the East, as we depend upon Eastern buyers for the great bulk of our patronage. During the next few months our advertisements will be read by millions of readers of Eastern newspapers, who will thus be placed in direct communication with us, and nearly all of those who come to this coast will come ticketed for the office of

THE OREGON LAND COMPANY.

For these reasons parties desiring to sell will find it to their interest to place their lands in the hands of this company. If you wish to sell property leave it where

BUYERS COME TO BUY

If you wish to buy property come where property is left for sale. Your neighbors have land and don't want to buy.

EASTERN PEOPLE DO.

Our advertisements catch the eyes of Eastern people everywhere. We have five teams and comfortable conveyances ready at all times day or night, to convey parties to the properties we have for sale.

DON'T BE MODEST.

You are welcome to ride with us whether you buy or not.

WEST STATON.

Emma McNeil of Gervais, is the guest of the Misses Neal.

County Treasurer Condit spent Sunday with his father, at this place.

Mr. Carter has purchased the farm of H. B. Condit. H. B. contemplates going to Idaho soon.

J. H. and H. C. Porter have gone into the real estate business, and are becoming quite successful agents.

Our school is prospering finely, under the management of C. S. Harnish, recently from Dakota. Mr. Harnish is also teaching a singing class.

Our school clerk has finished taking the census of this district, and reports seventy-seven scholars, though the average attendance for the year has been only twenty-four.

Many of our community are on the sick list, though the majority are improving. Roy, youngest son of J. H. Porter, is yet very sick. J. M. McNeil is lying at the point of death.

That Frame Storehouse.

The property owners and city council raised serious objections to the construction of a frame storehouse by George F. Smith last fall. It was thought to be a dangerous neighbor on account of fire and it would raise their insurance rates. He was ordered to remove it but did not do it and the result is that the Recorder on Wednesday will hear evidence in the case. His arrest was for the violation of a city ordinance.

Tramps Attack an Engineer.

Yesterday morning's overland train was late, the delay having been occasioned by the men having to stop and care for a freight engineer and fireman who had been attacked by tramps whom they had put off the train while crossing the Siskiyou. The engineer was bruised up considerably, but not seriously injured.

Some Big Sales.

Several quite extensive sales of acre property, adjacent to the city limits are being negotiated, which when completed will add not a little to the real estate summary of transactions.

SUPREME COURT.

SALEM, March 4, 1889.

May Davis, respondent, vs. S. P. Sladden, appellant, appeal from Lane county (re-hearing); argued and submitted.

The shipment of smelt is very lively just now. Wednesday there were shipped by express from Kelso, 23,572 pounds, and by the steamer Kellogg 12,000 pounds. Yesterday the shipments were still heavier. The price has fallen considerably, and sales are now slow at half a cent a pound. The smelt business is a bonanza for the express companies. —Kelso Courier.

Having tried the effects of the concentrated extract of Oregon Kidney Tea, we cheerfully bear witness to its beneficial agency in affection of the digestive organs. It is simply, safe and sure; it is easily taken and restores healthy vitality to the organs it is intended to operate upon with assured success. S. J. McCORMICK, Editor Catholic Sentinel.

Sold by D. W. Mathews & Co.

Sioux city has reaped and gathered into the newspapers a varied time. The slaughter of Haddock and the corn palace have been duly billed to advertise her, and just as public attention flagged, she comes to the front with a boy who swallowed thirteen marbles. True, the queer diet killed the boy, but it gave Sioux City a new start.—Alta.

It is generally conceded by physicians that about one-half of the population of the United States are suffering from indigestion and Dyspepsia. Hurried eating and improper mastication and insalvation of food are the principal causes. Dr. Henley's Dandelion Tonic strengthens and invigorates the digestive organs and enables one to enjoy a hearty meal without any unpleasant after effects. Sold by D. W. Mathews & Co.

Thousands are afflicted with diseases of the Kidney and Urinary Organs, who suffer in silence, rather than make known their troubles. To all those afflicted we can offer a safe and speedy remedy in Oregon Kidney Tea, which is composed of herbs, selected with great care in Oregon, and warranted not to contain minerals of any kind. A few doses afford instant relief. Sold by D. W. Mathews & Co. Wright's Myrrh Tooth Soap gives Pearly White Teeth, Fulfills the Prophecy, Prevents Teeth from Decay. Sold by all druggists.

TELEGRAPHIC TIDINGS.

Important Events of the Whole World for Twenty-four Hours.

School of Acting.

YANKTON, Dak., Mar. 3.—Something over a year ago Miss Cora Belle Fellows, a teacher in the Indian school at Standing Rock Agency, was married to a full-blooded Indian named Chaska, and the pair attracted much attention on a trip through the East under the management of Koll & Middleton's dime museum.

A like affair has recently taken place at the Agency, a few miles above this city. A white woman, 27 years old, intelligent and good-looking, was married to a full-blooded buck of 30, the groom being a very ordinary appearing Indian, and as dirty as the dirtiest of the tribe.

The agent and others tried to dissuade the girl and offered her money to go East, but she was bent on the possession of a dusky lover and would not leave. She wrote for him to meet her at a certain place, and walked seven miles to meet him and refused to be comforted until she had possession of him and was married.

It is not known whether they will go on the stage or not.

Incubating Babies.

PHILADELPHIA, Pa., Mar. 3.—Raising babies of premature birth by the aid of a mechanical incubator is the latest freak of medical science. For the first time in this city this process was put to a practical test 10 days ago, when Florence Ryall, an 8-months-old child, was placed in the incubator. The baby is thriving under the process and apparently enjoying the best of health. She weighed at the time of her birth about three pounds, or one-half the weight of an average new-born child. The incubator has raised the baby's weight up to five pounds within 10 days. She rests in the incubator constantly, except when she is taken out to receive nourishment or is given a sponge bath.

Concerning the Tariff.

WASHINGTON, March 3.—Secretary Fairchild in a communication to Chapman Mills about the Senate revenue bill says it increases the ad valorem duties: "If, therefore, it shall be the policy of the government to continue and to aggravate, as is proposed, this merciless system of customs taxation, it would be better, I think, that the barbarism be made complete by the adoption of specific rates than that the present carnival of fraud and deceit shall continue."

Old Soldiers Want Oklahoma.

WASHINGTON, D. C., March 3.—Among the petitions and memorials presented and referred in the senate was one from the G. A. R., of Texas, assembled at Fort Worth, asking that at least one-half of Oklahoma be reserved for entry and settlement by old soldiers of the union without being subject to the existing homestead law requiring entry and cultivation.

Rates Going Up.

SAN FRANCISCO, Mar. 2.—The shippers of canned goods are going to make a bold determined strike for independence of the railroads. They have chartered vessels to go around the Horn and can put their goods in Chicago at 7 cents. Three hundred car loads are starting now in this way in one ship.

Assembling Guests.

WASHINGTON, Mar. 3.—Although the city is thronged and hundreds more are pouring in from the immediate vicinity, as yet the crowd is not so great as that of last year.
