BAKING POWDER

BAKING POWDER
Absolutely Pure.

This powder never varies. A marvel of purity, strength and wholesomeness. More economical than the ordinary kinds, and cannot be sold in competition with the multitude of low cost, short weight adulterated powders, which are in vogue. It is the only baking powder that will give you a light, fluffy cake, without the use of saleratus. It is the only baking powder that will give you a light, fluffy cake, without the use of saleratus. For the Public Good.

It is an indisputable fact that the hand-somest vestibule trains that are now run on the American continent are those on the Burlington route, leaving from Union and Chicago, or St. Louis, will carry you on arrival of all through trains from the west. The first and second class coaches are magnificent, the reclining chair cars, the Pullman sleepers, extremely luxurious, and as for the meals that are served in those palace Burlington dining cars—yum yum. The next time you go east to Kansas City, Chicago or St. Louis, if you mention to the ticket agent that you want your ticket to read from Denver or St. Paul over the Burlington route, you will get it, and you will always be glad of it.

If you go via the Northern or Canadian Pacific, the elegant vestibule trains of The Burlington route, between St. Paul and Chicago, or St. Louis, will carry you along the eastern shore of the Mississippi river for a distance of 300 miles, amidst scenery that cannot be surpassed; or, if you go via the Oregon Short Line or Southern Pacific, and your ticket reads via The Burlington route from Cheyenne or Denver, you will pass through all the thriving cities and towns located in what is popularly known as the Heart of the Continent.
