HE SENT IT EAST.

For a year I was troubled with pains in my back and side, and headaches, the result of liver and kidney trouble. I was attracted to Joy's Vegetable Straparilla by the startling testimonials in the papers and which seemed so practical I was induced to try it, knowing that as it was purely vegetable, it would at any rate do no harm. It acted as a gentle laxative and after the second bottle my pains and aches disappeared and I felt like a new man. It did so much for me that I sent several bottles to my family in New Jersey, who also took it with the most satisfactory results.

J. R. Bennett
Master Caulker, foot of Clay street San Francisco.

Accidents are liable to happen at any time, and it is well to be prepared for them. Every family should keep a bottle of Dutard's Specific in the house at all times. It is worth its weight in gold for burns, scalds, bruises, old sores and skin diseases. Sold by D. W. Mathews.

A SCRAP OF PAPER SAVES HER LIFE.

It was just an ordinary scrap of writing paper, but it saved her life. She was in the last stages of consumption, told by physicians that she was incurable and could live only a short time; she weighed less than seventy pounds. On a piece of wrapping paper she read of Dr. King's New Discovery, and got a sample bottle; it helped her, she bought a large bottle, it helped her more, bought another and grew better fast, continued its use and is now strong, healthy, rosy, plump, weighing 140 pounds. For fuller particulars send stamp to W. H. Cole, Drugist, Fort Smith. Trial bottle of this wonderful discovery free at Dan'l J. Fry's drug store.

For the Public Good.

It is an indisputable fact that the handsomest vestibule trains that are now run on the American continent are those on the Burlington route, leaving from Union depot in Denver, also St. Paul, immediately on arrival of all through trains from the west. The first and second class coaches are magnificent, the reclining chair cars suburban, the Pullman sleepers extremely luxuriant, and as for the meals that are served in those palace Burlington dining cars—yum yum. The next time you go east to Kansas City, Chicago or St. Louis, if you mention to the ticket agent that you want your ticket to read from Denver or St. Paul over the Burlington route, you will get it, and you will always be glad of it.

If you go in the Northern or Canadian Pacific, the elegant vestibule trains of The Burlington Route, between St. Paul and Chicago, or St. Louis, will carry you along the eastern shore of the Mississippi river for a distance of 350 miles, amidst scenery that cannot be surpassed, and go via the Oregon Short Line or Southern Pacific, and your ticket reads via The Burlington Route from Cheyenne or Denver, you will pass through all the thriving cities and towns located in what is popularly known as the Heart of the Continent.
