LATEST BY TELEGRAPH. The Truth About Seattle. SEATTLE, June 11.—A careful canvass reveals the situation in this city to be as follows: The business men are almost entirely without store rooms, but are putting up tents in which they will be able to dispose of their wares until more suitable quarters can be erected. This element of our citizens are abundantly able to care for themselves. There are a large number of people in this city, including clerks, etc., with and without families, who have lost their all, and a large number of persons also who are destitute and without food or shelter, except what is given them. These people are being cared for the best way possible, but as it will be some months before they can be supplied with houses, any contribution in the shape of bedding, food and household goods of all kinds will be most acceptable. Quite an amount of funds will be required to tide us over, but liberal donations of money, which are being gratefully received, will enable us to relieve the most needy. J. R. LEWIS, Chairman Relief Committee. The Valley of Death. JOHNSTOWN, Pa., June 11.—This is the last day for clearing away the effects of the flood by the civil authorities. To-morrow the state takes hold of the stupendous work. The horror of the situation is not diminished, but rather grows. The search for the dead continues, and in all sections and directions dead are being found. A number of bodies are now coming to the surface of the waters, and competent judges say that as many more bodies as have been found are lying somewhere. In many unexpected places bodies are hourly found. Where this will end, no human mind can guess. Alexander Sullivan Arrested. CHICAGO, June 11.—Immediately after the coroner's jury had reported, it was decided to arrest Alexander Sullivan, and officers were sent to his residence. Mr. Sullivan's arrest was effected without the slightest trouble. Before the verdict was rendered to the public, Coroner Hertz emerged for a moment from the room in which the jury was in session. He beckoned to an officer, and handed him a mittimus. The officer with a comrade hurriedly left the hall and jumped into a carriage and drove straight to the residence of Mr. Sullivan on Oak street. Mrs. Cleveland Plays the Fiddle. NEW YORK, June 11.—Miss Louisa Hood of Newark, N. J., has been making little excursions twice a week for some time past to this city and causing her friends any amount of curiosity in consequence. Now their curiosity has been satisfied, they having learned the object of her visits, and are happy. Miss Hood is a violinist, and her little trips to this city were to give lessons to Mrs. Grover Cleveland. Miss Hood says the ex-mistress of the White House has been making rapid progress and is now quite proficient with the "fiddle and the bow." They Don't Like Mormons. TUSCAN, Ill., June 11.—The people of Hinsboro gathered together last night and drove the Pentecost band, which has been holding meetings there, out of the town, and demolished their large canvas tabernacle. The band is supposed to be making converts to Mormonism and the people were determined to rid themselves of traveling proselyters. Gladstone and Confederacy. NEW YORK, June 11.—Henry Clews has received a letter from Gladstone, in which the latter says that the Palmerston cabinet never dealt with the subject of recognition of the Southern Confederacy, except of promptly and unanimously rejecting overtures of Louis Napoleon looking for such recognition. G. A. R. Rates. MILWAUKEE, June 11.—Word has been received here that the Western States Passenger Association, at its session this week, took up the matter of reduction of rates to G. A. R. veterans who wish to attend the national encampment here. This fixes the rate at one fare for the round trip, which is 1 1/2 cents a mile. Wright's Blackberry Cordial an infallible remedy for the most obstinate cases of Diarrhea and Dysentery. Sold by all druggists.
