Not Very Flattering. "Mighty fine woman I saw you lifting your hat to back there, old boy."

A Cynicism. Fond spouse—Walter's hair was the loveliest color when he's little; I've got a curl his mamma cut off when he's a baby and it's pure gold.

A game of whist was being played at the Reform Club. The players were a well-known sportsman, a parliament man, a Leicestershire squire and a celebrated novelist.

The amount of material necessary in the construction of a 1200-ton steamer is simply astonishing. It takes 40,000 lineal feet of timber, twenty-five tons of iron for hog chains—in all 50 tons of iron—120 bales of oakum to chalk the seams and fully \$5,000 worth of paint.

Here is an essay on decoration day by a little Philadelphia school-boy: "Decoration day is for to decorate the soldier grave. Some year the flowers are full and plenty, and have a great many buds on. They don't only have flowers, but have ice-water and have lemonade to comodate the people.

"See that lady putting on her gloves," said a Frenchman, as he stood in front of the LaFayette hotel last evening. "Do you know that's the first means of recognizing an American lady on the streets of Paris? We would as soon think of buttoning up our vests, or putting on our ties after leaving the door for a walk in Paris.

The past year was more promising than ever before for the production of cheap aluminum. The production of metallic aluminum as an industry distinct from the production of alloys began toward the close of the year, and 500 pounds had been made up to December 31; the production of 3,000 pounds since then indicates that the industry may continue.

A WOMAN'S WAY. A Startling Business Proposition. When Mrs. Fowler, of 327 Ellis street, stopped in at a leading city druggist's to ask what effect "The California Remedy," Joy's Vegetable Sarsaparilla, would have in cases of dyspepsia and sick headaches, she was assured it would relieve both. She was so incredulous that the druggist gave her a bottle, not to be paid for unless it effected a cure.

DEAR SIR: Notwithstanding my misgivings, Joy's Vegetable Sarsaparilla did all that you promised. I had tried so many prescriptions that I had come to believe nothing would relieve my dyspepsia and sick headaches, but I have not had a return of either since. I believe I am permanently cured. You have my permission to make this public for a remedy that will cure dyspepsia and prevent sick headaches should be generally known. Respectfully,

Mrs. M. Fowler, 327 Ellis street

THE REMEDY. This remedy is becoming so well known and so popular as to need no special mention. All who have used Electric Bitters, possessing the same song of praise—A pure medicine does not exist—It is guaranteed to do all that is claimed. Electric Bitters will cure all diseases of the liver and kidneys, will remove pimples, boils, salt rheum and other affections caused by impure blood.

When an Indian dies his relatives pay his debts. And yet some people think Indians can be civilized. Oregon is one of the most productive states in the Union. Its vast mineral regions contains gold, silver, copper, iron, and coal. Its immense tracts of grazing lands support thousands of cattle and sheep, and its extensive agricultural regions produce all the cereals in abundance, the yield per acre being, in some instances, the largest in the world.

Geometry in our higher society.—Tom—"Why, Bill, don't you know May Foley? I thought that she lived in your square." Bill—"Very possibly, Tom, but yet we may not move in the same circle."

It should be generally known that Dr. Henley's Dandelion Tonic induces a hearty appetite and increased digestion, dispels nervous depression and low spirits, overcomes lack of energy and wakefulness and will infuse new life and strength into the weakest invalid. Sold by D. W. Mathews.

Lost—A Boom—The finder will be suitably rewarded by returning it to the mayor of Guthrie, Oklahoma territory. Information concerning its whereabouts will be gratefully received.

A SCRAP OF PAPER SAVES HER LIFE. It was just an ordinary scrap of writing paper, but it saved her life. She was in the last stages of consumption, told by physicians that she was incurable and could live only a short time; she weighed less than seventy pounds. On a piece of wrapping paper she read of Dr. King's New Discovery, and got a sample bottle; it helped her, she bought a large bottle, it helped her more, bought another and grew better fast, continued its use and is now strong, healthy, rosy, plump, weighing 140 pounds. For fuller particulars send stamp to W. H. Cole, Druggist, Fort Smith. Trial bottle of this wonderful discovery free at Dan'l J. Fry's drug store.

It is suggested that chess and checkers ought to receive a wonderful boom this season. All a good many young men need to do is to carry the men in their pockets; they can use their trousers for a board.

This is the season of the year when the raw, cold winds create sad havoc with the hands and complexion. Soft white hands and a clear "peachy" complexion can be assuredly preserved by the frequent application of Dutard's Specific. It is rubbed into the skin well; it leaves no greasy surface. The skin absorbs it. Sold by D. W. Mathews.

Bucklen's Arnica Salve. The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, tetter chapped hands, chilblains, corns and all skin eruptions, and positively cures piles or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by Daniel J. Fry, druggist.

The society man, like the turtle, is no sooner "out of the swim" than he is "in the soup."

"Miss Brown would be a charming girl," I heard a young man say. "If she had a good complexion and those spots would go away." But they spoil her looks completely." If Miss Brown would only take Dr. Pierce's Golden Medical Discovery what a happy change would make. It would drive out all the humors from her blood and make it pure, and the blemishes complained of disappear, be very sure.

This medicine is the great purifier of the blood, and disfiguring eruptions and blotches will soon vanish when it is used.

The office-seeker has been weighed in the balance and found wanting—anything he can get.

The immediate symptoms of Dyspepsia, or Indigestion, are a distressing sense of weight, oppression and fullness in the stomach, heartburn, loss of appetite, foul breath, belching, flatulency, nausea pains in the shoulders and breast. Dr. Henley's Dandelion Tonic promotes healthy digestion and removes all unhealthy symptoms. Sold by D. W. Mathews.

\$100 REWARD. \$100. The readers of the JOURNAL will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength, by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address P. J. CHENEY & CO., Toledo, O. Sold by Druggists, etc.

THE VERDICT UNANIMOUS. W. D. Sult, Druggist, Bippus, Ind., testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief. In every case. One man took six bottles, and was cured of Rheumatism of 10 years' standing." Abraham Hare, Druggist, Belleville, Ohio, affirms: "The best selling medicine I have ever handled in my 20 years' experience, is Electric Bitters." Thousands of others have added their testimony, so that the verdict is unanimous that Electric Bitters do cure all diseases of the Liver, Kidneys or Blood. Only a half dollar a bottle at Daniel J. Fry's drugstore.

LITTLE WOMEN are as a rule, possessed of happy dispositions but when these sweet dispositions become soured and irritable, in consequence of the long train of distressing features peculiar to female complaints, they are then not companionable to say the least. It is the duty, not only of little women, but of all women so afflicted, to bring about the subjection, and immediate removal, of these painful maladies. This is easily accomplished by the use of Dr. Pierce's Favorite Prescription, the great specific for "female weakness." It is a positive cure for the most flowing, painful menstruation, unnatural suppressions, profuse or falling of the womb, weak back, "female weakness," anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, and kindred ailments. All druggists.

THEIR BUSINESS BOOMING. Probably no one thing has caused such a great revival of trade at Daniel J. Fry's Drugstore as their giving away to their customers so many free trial bottles of Dr. King's New Discovery for Consumption. Coughs, Colds, Asthma, Bronchitis, Croup, and all throat and lung diseases quickly cured. You can test it before buying by getting a trial bottle free, large size \$1. Every bottle warranted.

For the Public Good.

It is an indisputable fact that the handsome vestibule trains that are now run on the American continent are those on the Burlington route, leaving from Union depot in Denver, also St. Paul, immediately on arrival of all through trains from the west. The first and second class coaches are magnificent, the reclining chair cars, the Pullman sleepers extremely luxuriant, and as for the meals that are served in those palace Burlington dining cars—yum yum. The next time you go east to Kansas City, Chicago or St. Louis, if you mention to the ticket agent that you want your ticket to read from Denver or St. Paul over the Burlington route, you will get it, and you will always be glad of it. If you go via the Northern or Canadian Pacific, the elegant vestibule trains of the Burlington route, between St. Paul and Chicago, or St. Louis, will carry you along the eastern shore of the Mississippi river for a distance of 350 miles, amidst scenery that cannot be surpassed. If you go via the Oregon Short Line or Southern Pacific, and your ticket reads via the Burlington route from Cheyenne or Denver, you will pass through all the thriving cities and towns located in what is popularly known as the Heart of the Continent.
