SHOULD BE HANG.

A Doctor Who Shot a Patient in the Interest of Science.

A remarkable suit will soon be brought before the criminal court of London, the causes of which are as follows:

On the twentieth of May, Dr. B., a distinguished pulmonary specialist, was consulted by a man so skeleton like in appearance that he could scarcely be recognized as a member of the human family. After a careful examination the doctor said; "I can do nothing for you; within eight days you will be dead."

With the calmness of despair, the young man, aided by his servant, prepared to depart. As he was about to cross the threshold Dr. B. detained him a moment and asked: "Are you rich?"

"Very——a millionaire in fact," replied the wretched man.

"Then order your coachman to drive you to Victoria station, start to Dover to-day by the eleven o'clock train, take passage on a steamer for Marseilles, and thence by rail to Nice. For six months——should God spare your life ——eat neither bread, nor meat, nor fruit, neither drink wine; but eat cress and only cress; even drink the broth of it. By this means only can your life be saved, if such a thing is possible. The method is rather a strange one, but I offer it to a dying man; try it."

* * * * *

Six months later a robust young man crossed the anteroom——where a number of patients were waiting——and entered the office of Dr. B. At sight of the famous physician tears filled his eyes, and rushing up to him, he embraced him and said, "My dear doctor, will you accept a million, two millions?"

"Are you crazy?" asked the doctor.

"No, no, I am sane, but I realize that you have saved my life. Don't you know me? I know you. I am P——, the millionaire, whom you saved from an inevitable death by your wonderful treatment. For six months I carefully obeyed your orders and took your inestimable cress-prescription. My improvement was so miraculous that I am now in excellent health," and, to verify his remarks, he beat his chest vigorously with his fist.

"What, what!" exclaimed the astonished physician, "you are the man upon whom I experimented with cress?"

"Yes I am he," responded the young man; "I returned to this city yesterday, and come to you to-day to express my gratitude."

The doctor signed to his assistant to withdraw, and then quickly drawing from his pocket a small revolver he leveled it, and in an instant, his patient fell dead at his feet.

Without a moment's delay he commenced to make a post mortem examination. When the police arrived he was examiningthe lungs of his victim with a microscope and studying the effect of cress upon the diseased parts. To the officer of the law he said: "I killed this man for an immediate autopsy, in order to discover a mystery which may be a boon to all mankind; for this reason I do not hesitate to sacrifice myself to the demand of science."—Adopted from Romaic.

A WOMAN'S WAY.

A Startling Business Proposition.

When Mrs. Fowler, of 327 Ellis street, stopped in at a leading city druggist's to ask what effect "The California Remedy," Joy's Vegetable Sarsaparilla, would have in cases of dyspepsia and sick headaches, she was assured it would relieve both. She was so incredulous that the druggist gave her a bottle, not to be paid for unless it effected a cure. The following is the convincing conclusion.

San Francisco, February 8, 1888.

DEAR SIR: Notwithstanding my misgivings, Joy's Vegetable Sarsaparilla did all that you promised. I had tried so many prescriptions that I had come to believe nothing would relieve my dyspepsia and sick headaches, but I have not had a return of either since. I believe I am permanently cured. You have my permission to make this public, for a remedy that will cure dyspepsia and prevent sick headaches should be generally known. Respectfully,

Mrs. M. Fowler.

Oregon is one of the most productive states in the Union. Its vast mineral regions contains gold, silver, copper, iron, and coal. Its immense tracts of grazing lands support thousands of cattle and sheep, and its extensive agricultural regions produce all the cereals in abundance, the yield per acre being, in some instances, the largest in the world. Among the useful and valuable products of the Web Foot State may be mentioned Oregon Kidney Tea, which has proved a boon to thousands afflicted with pain in the back and kidney difficulties. It is purely of vegetable composition and never fails. Sold by D. W. Mathews.

William E. Howard has been found guilty of grand larceny in the first degree for obtaining $6500 from the defunct Electric sugar company.

It should be generally known that Dr. Henley's Dandelion Tonic insures a hearty appetite and increased digestion, dispels nervous depression and low spirits, overcomes lack of energy and wakefulness and will infuse new life and strength into the weakest invalid. Sold by D. W. Mathews.

The citizens of Berlin, Germany, are contributing liberally to the Pennsylvania flood sufferers.

A SCRAP OF PAPER SAVES HER LIFE.

It was just an ordinary scrap of writing paper, but it saved her life. She was in the last stages of consumption, told by physicians that she was incurable and could live only a short time; she weighed less than seventy pounds. On a piece of wrapping paper she read of Dr. King's New Discovery, and got a sample bottle; it helped her, she bought a large bottle, it helped her more, bought another and grew better fast, continued its use and is now strong, healthy, rosy, plump, weighing 140 pounds. For fuller particulars send stamp to W. H. Cole, Druggist, Fort Smith. Trial bottle of this wonderful discovery free at Dan'l J. Fry's drug store.

About 3000 acres on Roberts' Island, California, have been burned over, and several farmers suffer heavy loss.

This is the season of the year when the raw, cold winds create sad havoc with the hands and complexion. Soft white hands and a clear "peachy" complexion can be assuredly preserved by the frequent application of Dutard's Specific. If rubbed into the skin well it leaves no greasy surface. The skin absorbs it. Sold by D. W. Mathews.

The Canadian government has impressed upon the Imperial government the urgent necessity of the early settlement of the Behring sea fishery dispute.

Bucklen's Arnica Salve.

The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, tetter chapped hands, chilblains, corns and all skin eruptions, and positively cures piles or no pay required. An exchange pertinently remarks; "Those people who are always thinking that the newspapers are "hitting" at them, are advised to look through the Bible; they will find many flings at them in the good book."

"Miss Brown would be a charming girl,"
I heard a young man say,
"If she had a good complexion and those spots would go away;
But they spoil her looks completely." If
Miss Brown would only take
Dr. Pierce's Golden Medical Discovery
what a happy change 'twould make.
It would drive out all the humors from
her blood and make it pure,
And the blemishes complained of disappear, be very sure.
This medicine is the great purifier of the blood, and disfiguring eruptions and blotches will soon vanish when it is used.

The immediate symptoms of Dyspepsia, or Indigestion, are a distressing sense of weight, oppression and fullness in the stomach, heartburn, loss of appetite, foul breath, belching, flatulency, nausea pains in the shoulders and breast. Dr. Henley's Dandelion Tonic promotes healthy digestion and removes all unhealthy symptoms. Sold by D. W. Mathews.

$100 REWARD. $100.

The readers of the JOURNAL will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrah Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh cure is taken internally, acting directly upon the blood and mucus surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength, by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, O.
Sold by Druggists, 75c.

THE VERDICT UNANIMOUS.

W. D. Sult, Druggist, Bippus, Ind., testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles, and was cured of Rheumatism of 10 years' standing." Abraham Hare, druggist, Belleville, Ohio, affirms: "The best selling medicine I have ever handled in my 20 years' experience, is Electric Bitters." Thousands of others have added their testimony, so that the verdict is unanimous that Electric Bitters do cure all diseases of the Liver, Kidneys or Blood. Only a half dollar a botile at Daniel J. Fry's drugstore.

are as a rule, possessed of happy dispositions but when these sweet dispositions, become soured and irritable, in consequence of the long train of distressing features peculiar to female complaints, they are then not companionable to say the least. It is the duty, not only of little women, but of all women so afflicted, to bring about the subjection, and immediate removal, of these painful maladies. This is easily accomplished by the use of Dr. Pierce's Favorite Prescription, the great specific for "female weakness." It is a positive cure for the most flowing, painful menstruation, unnatural suppressions prolapsus or falling of the womb, weak back, "female weakness," anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, and kindred ailments. For the Public Good.

It is an indisputable fact that the handsomest vestibule trains that are now run on the American continent are those on the Burlington route, leaving from Union depot in Denver, also St. Paul, immediately on arrival of all through trains from the west. The first and second class coaches are magnificent, the reclining chair cars suburb, the Pullman sleepers extremely luxuriant, and as for the meals that are served in those palace Burlington dining cars—yum yum. The next time you go east to Kansas City, Chicago or St. Louis, if you mention to the ticket agent that you want your ticket to read from Denver or St. Paul over the Burlington route, you will get it, and you will always be glad of it.

If you go via the Northern or Canadian Pacific, the elegant vestibule trains of The Burlington Route, between St. Paul and Chicago, or St. Louis, will carry you along the eastern shore of the Mississippi river for a distance of 350 miles, amidst scenery that cannot be surpassed; or, if you go via the Oregon Short Line or Southern Pacific, and your ticket reads via The Burlington Route from Cheyenne or Denver, you will pass through all the thriving cities and towns located in what is popularly known as the Heart of the Continent.
