Railroad Rumors. It is rumored that the Astoria & South coast railroad has signed a contract with Dundee Field and his associates for the construction of a railroad from Astoria to some point in the Willamette valley.

Mr. Reid and his associates are to furnish the necessary capital to construct the road, under the direction and management of the Astoria board of directors. The company represented by Mr. Reid, to have issued to it \$20,000 in first mortgage bonds and \$10,000 in stock per share, as fast as the road is completed and accepted.

A Fine Entertainment.

The presentation of the Golden Giant at the opera house last night by the George Woodthorpe company was a really meritorious performance. The opera house was packed as it had not been for years by a theatrical performance.

On Account of Fire.

The city council prohibits those old wooden buildings from being moved on the grounds near the water works. These buildings are so old that they cannot be moved without being patched up to stand the trip.

Among the Crippled.

Richard Savage, who had his hand badly mashed, is improving nicely. Mr. Dorrance, who mashed his leg in his lumber mill, is able to walk around. James Batchelor, who has been suffering from a very sore hand, is better to-day.

New Sidewalk Needed.

A new sidewalk should be built along Marion square on Commercial street. As the boards have rotted away new ones have been placed in their position, causing a shabby appearance.

Ran Over a Man.

This morning at the eight o'clock train was about one mile south of the depot it ran over a valuable mare, breaking her leg and throwing her off in a ditch.

A Nice New Cottage.

Contractor Royal has commenced work on a neat 2100 cottage in Queen Anne addition, on State street. This residence is for Mrs. Adams, and will be a neat one, as well as being a nice improvement for that rapidly growing portion of the city.

THE BOARD OF TRADE TO MEET.

They Are to Consider Railway and Factory Propositions. The letter appended is self-explanatory and shows that the future of Salem is just what her citizens choose to make it.

FALLS CITY, Polk Co., June 20.

Mayor of Salem—Dear Sir:—At a meeting of prominent citizens and business men of Dallas held June 18, 1889, a committee was appointed to confer with the business men of the city of Salem in regard to the feasibility of forming an incorporation to construct a line of railroad from Salem through important sections of Polk county, via Dallas and the Luckiamute falls, to some point on the coast.

Our committee are prepared to express the urgent desire of this section of country for the enterprise and to show very strong inducements to all parties concerned to proceed as soon as possible with this move toward needed development of our natural resources and of your trade.

MATTHEW YOCUM, Secretary.

Notice is hereby given that a special meeting of the Salem board of trade will be held at the council chamber in the city of Salem, on Thursday evening June 27th, at 8 o'clock, for the purpose of considering propositions for a railroad through Dallas, the erection of a soap factory and such other business as may come before it.

JOHN G. WRIGHT, Pres.

As this is a matter of the greatest importance to the business interests of Salem it is particularly desired that there be a full attendance at the meeting of the board on this occasion. A railroad from the heart of Polk county to Salem and connection with the coast would be of untold worth to the city.

Extending the Fire Limits—Testing the Pumps—Building Cisterns.

At a meeting of the city council last night the petition of the Salem street railway company asking certain changes in the ordinance regulating street railways was read, and referred to the committee on ordinance for the purpose of having the amendments made as per request.

A STREET RAILWAY EXTENSION.

The Line to be Extended on to the State Fair Grounds. At a meeting of the directors and stock holders of the Salem street railway company this morning it was decided to at once extend the line from its present terminus in Highland avenue to the grounds of the State agricultural board.

THE NARROW GAUGE ATTACHED.

Street Croisina Levels on Locomotives, Cars, and Tools for Taxes. At one o'clock this afternoon Sheriff Croisina returned from Ray's Landing, where he had gone to attach some rolling stock and property of the Oregonian railway company.

THE NARROW GAUGE ATTACHED.

The attachment was made to secure the payment of the taxes of that company due Marion county for the year 1888, which amounted to \$1377. Alexander McKay, attorney for the liquidator of the narrow gauge lines, was at the depot here a few weeks ago and telegraphed the Sheriff to meet him. He said at that time that the taxes for 1888 would be forthcoming, but as they failed to come Sheriff Croisina thought best to secure them while there was yet a chance.

THE NARROW GAUGE ATTACHED.

NOB HILL.

This new plat just put on the market is the most desirable now offered in Salem for building lots. They have no equal. The whole plat is in a fine state of cultivation, seeded in clover, with a good turf. No grubs, no stumps, no rocks or gravel, soil good, elevated and level, has a fine view of the city, surrounding country, the mountain ranges and snow-capped peaks. Pure cold well water. Is twelve blocks south of the Chemeke hotel and postoffice blocks. These lots are offered by Jones & Watson on installments, one-tenth cash and one-tenth in quarter yearly payments without interest until paid. These lots are now actually worth in cash more than the prices named for them on long time without interest. Several lots have already been sold on which fine residences will be erected, and a number more have been optioned. If you want one or more lots call on JONES & WATSON, who will show you the plat and the lots.
