Valuable Horses Shot.

Saturday night some mean fellow shot two horses at the asylum which belong to the state. One of the drivers noticed the horses running around the pasture near a b. ystack but did not mistrust anything and on Sunday moraing he went to the pasture and d scovered one of those fine black horses which are driven in the back, lying dead. He imucdia ely called for Dick Wes a 2014 who was at the bern, and Dr. Irvi e was cent for. An exemination was made and lit was thought at first that the an'mai had been cut by some sharp instrument going in at the shoulder, but on belog cut open it was found to be shot through the beard and passing out at the back bone. On examing the other horse it was found that the white horse, which is rico driven in the wegon, was shot in the muscle just between

villian who did the shooting.

The Men We Want

The following terse remarks vie gage in all enterprises that aid in shares of \$100 each. the development of our natural resources and increas? the sum of material wealth. Men who do not care to engage! in such enterprises had better keep away; there is no place for them. It is one of the poorcal places in the world for young men without means, who despise manuel lebor. So.t places, "soaps," where high salaries are paid and nothing to do, have no en scence bere, and success is only to be won by hard labor and prod yous amount of it. For young men who have to sar, from the lowest round of the ladder and women, too. No others need which, apply."

The Co.val's Court House.

The new court house, says the Corvall's Care e, is finished, e :eep, ng a small amount of work to the bind legs, the best said for the bestone in placing the boiler, used left leg, but it is thought that this for the s.cam heating purpose, in nalmal will recover. No clue to the position. To view the inside of the building the expression is that it is en elegant piece of workmanship. From the Cont to the back en-A glance in the windows of Kel- trance every laing has a rich looking a visit.

Chuck-Hole...

It has been suggested that now would be a good time to haul gravel to the mountains. Workmen are very busy putting from the river while it is low and up new stables for the race horses fill up the numerous chuck-holes morning train for Eugene she was just west of the grand stand, and about the city. There are many accompanied by her mother and the stable where the horses formerly hitching posts stuck here and there sister of that place. were kept will be used for stock. A and around every post there is a good many tons of hay have been deep hole made by the continual cut from the ground and a hay stamping of horses. These places baller is now at work bailing it up, ought to be filled before the rainy will visit Oregon soon. The track is in a very poor condition season sets in. Nothing looks so but there is plenty of time to make bad or so inhuman as to pass by one will meet at Newport, Yaquina Bay, it smoothe before the fair. There is of these hitching posis on a cold now one running horse on the winter day and see a horse standing will be a large number of them, shivering with cold. Now is the
