An Effective Valerian. "If you would like to say a few words before we string you up," said the spokesman of the vigilance committee, sternly, "you may have the chance."

"There is something I would like to say," responded the condemned horse thief, pale but self possessed. "All I ask is that you will permit me to say it without interruption."

"Go ahead," said the spokesman, ironically. "We'll let you finish." "Then gentlemen," began the condemned man with deep emotion, "I have a few words of solemn warning to utter. In the innocent and happy days of my young manhood, before I came to Arizona and fell into evil ways, I was engaged in a useful and honorable calling. Had I never abandoned it I might have been still a respectful and upright citizen. Though I have become a bad man and about to receive my just punishment, I have always kept a moment of these happier days. In my valise, gentlemen, you will find a copy of a little work, entitled 'The American Voter's Text Book,' of which I sold nearly 1,000 copies in one county in Pennsylvania alone. It is indispensable to every man who would keep himself thoroughly informed as to those questions concerning which it is the duty of every citizen to be fully advised. You will find in that little volume, gentlemen, full and accurate information as to the political platforms of all the parties, election returns from every state in the Union, names of members of congress, judges of the various courts, etc., with a mass of miscellaneous statistics and facts never before grouped together in one work. Bound in cloth or half calf, the price of this valuable book has always been"

He paused a moment to wipe the scalding tears from his eyes. When he looked about him again his audience had vanished. He was saved! —Chicago Tribune.

It should be generally known that Dr. Henley's Dandelion Tonic induces a hearty appetite and increased digestion, dispels nervous depression and low spirits, overcomes lack of energy and wakefulness and will infuse new life and strength into the weakest invalid. Sold by D. W. Mathews.

There is a young girl in Walla Walla who is destined to make her mark. Some one gave her ten cents one day. She bought a yard of calico, made it into a sunbonnet and sold the bonnet for forty cents. She invested the forty cents in more calico, made more bonnets, sold them, and pretty soon had \$10. With this \$10 she bought potatoes, planted them and came out with a clear profit of \$40. Most girls would have bought chewing gum and chewed and then called for more, and the majority of the boys invest their money in cigarettes and wouldn't save \$10 in a hundred years.

This is the season of the year when the raw, cold winds create sad havoc with the hands and complexion. Soft white hands and a clear "peachy" complexion can be assuredly preserved by the frequent application of Dutard's Specific. If rubbed into the skin well it leaves no greasy surface. The skin absorbs it. Sold by D. W. Mathews.

Four of Archdeacon Farrar's daughters have married clergymen, and three out of the four have chosen curates in their father's church.

Oregon is one of the most productive states in the Union. Its vast mineral regions contain gold, silver, copper, iron, and coal. Its immense tracts of grazing lands support thousands of cattle and sheep, and its extensive agricultural regions produce all the cereals in abundance, the yield per acre being, in some instances, the largest in the world. Among the useful and valuable products of the Web Foot State may be mentioned Oregon Kidney Tea, which has proved a boon to thousands afflicted with pain in the back and kidney difficulties. It is purely of vegetable composition and never fails. Sold by D. W. Mathews.

With the floating population at the sea shore undressed kids are quite common.

Is Consumption Incurable? Read the following: Mr. C. H. Morris, Newark, Ark., says: "Was down with Asthma of Lungs, and friends and physicians pronounced me an incurable Consumptive. Begun taking Dr. King's New Discovery for Consumption, and on my third bottle, and able to oversee the work on my farm. It is the finest medicine ever made."

Jesse Middlewert, Decatur, Ohio, says: "Had it not been for Dr. King's New Discovery for Consumption I would have died of Lung Trouble." Try it, sample bottle free at Daniel J. Fry's drugstore.

The swallowing of peach-stones, however small, even by accident, is deprecated by some doctors. The immediate symptoms of Dyspepsia, or Indigestion, are a distressing sense of weight, oppression and fullness in the stomach, heartburn, loss of appetite, foul breath, belching, flatulency, nausea, pain in the shoulders and breast. Dr. Henley's Dandelion Tonic promotes healthy digestion and removes all unhealthy symptoms. Sold by D. W. Mathews.

ROYAL BAKING POWDER Absolutely Pure. This powder never varies. A marvel of purity, strength and wholesomeness. More economical than the ordinary kinds, and cannot be sold in competition with the multitude of low test, short weight alum or phosphate powders. Sold only in cans. If you have a discharge from the nose, offensive or otherwise, partial loss of the sense of smell, taste or hearing, eyes watering or weak, feel dull or debilitated, pain or pressure in the head; take cold easily, you may rest assured that you have catarrh. Thousands of cases annually, without manifesting half of the above symptoms terminate in consumption and end in the grave. No disease is so common, more deceptive, less understood or more unsuccessfully treated by physicians. The manufacturers of Dr. Sage's Catarrh Remedy have, for many years, offered a standing reward of \$500 for a case of Nasal Catarrh, no matter how bad or of how long standing, which they cannot cure. Remedy sold by druggists at 50 cents.

EPOCH. The transition from long, lingering and painful sickness to robust health marks an epoch in the life of the individual. Such a remarkable event is treasured in the memory and the agency whereby the good health has been attained is gratefully blessed. Hence it is that so much is heard in praise of Electric Bitters. So many feel they owe their restoration to health, to the use of the Great Alterative and Tonic. If you are troubled with any disease of Kidneys, Liver or Stomach, of long or short standing you will surely find relief by use of Electric Bitters. Sold at 50c. and \$1 per bottle at Daniel J. Fry's Drugstore.

A Fortunate Druggist. Mr. Edwin W. Joy for many years and now a prosperous druggist on the corner of Stockton and Market streets in San Francisco, probably never dreamed of rivaling in wealth the medicine kings of the country. But various notices having been floating around to the effect that he has struck it big, an Examiner reporter was detailed to unearth the cause, and after much difficulty unraveled the following story:

It seems that about seven years ago an English physician, a great student of botany, located in this city. His practice was not extensive, and yet the few cases that came to him attracted no little attention. His success seemed to be in the treatment of liver and kidney disorders, and vitiated blood. In fact his ability to cope with these common complaints was marvelous. He seemed almost infallible, and his quiet modest methods and his well-kept secret was as much a mystery as himself. After his departure about a year later Mr. Joy determined to fathom the secret, and copying all the prescriptions he had filled for the erratic doctor, he began a systematic analysis. In his examination he discovered running all through the prescriptions for liver and kidney troubles, vitiated blood and stomach disorders a couple of vegetable extracts indigenous to California, so simple and so well known under homely every day names to every school boy as to entirely dissipate the suspicion that they were the active principles involved. So certain, however was Mr. Joy that he had discovered the secret, that he emboldened the new elements in a preparation of Sarsaparilla to disguise the taste, and put it before his customers under the modest name of Joy's Vegetable Sarsaparilla. Immediately the same marvelous results came lack of its astonishing effects, and the mystery was solved, and the talk it has created has already caused it to step into prominence, and orders pour in daily from all over the coast. And thus another California industry leaps into existence.—S. F. Examiner.

It is a Curious Fact

That the body is now more susceptible to benefit from medicine than at any other season. Hence the importance of taking Hood's Sarsaparilla now, when it is doing you the most good. It is the only Sarsaparilla for purifying and curbing the blood, creating an appetite, and giving a healthy tone to the whole system. Be sure you get Hood's Sarsaparilla, which is prepared by itself.

LITTLE WOMEN are as a rule, possessed of happy dispositions but when these sweet dispositions become soured and irritable, in consequence of the long train of distressing features peculiar to female complaints, they are then not companionable to say the least. It is the duty, not only of little women, but of all women so afflicted, to bring about the subjection, and immediate removal, of these painful maladies. This is easily accomplished by the use of Dr. Pierce's Favorite Prescription, the great specific for "female weakness." It is a positive cure for the most flowing, painful menstruation, unnatural suppressions, prolapsus or falling of the womb, weak back, "female weakness," anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation and tenderness in ovaries, and kindred ailments. All druggists.

THEIR BUSINESS BOOMING. Probably no one thing has caused such a great revival of trade at Daniel J. Fry's Drugstore as their giving away to their customers so many free trial bottles of Dr. King's New Discovery for Consumption. Their trade is simply enormous in this very valuable article from the fact that it always cures and never disappoints. Coughs, Colic, Asthma, Bronchitis, Croup, and all throat and lung diseases quickly cured. You can test it before buying by getting a trial bottle free, large size \$1. Every bottle warranted.

POOR PEOPLE'S CHANCES. Some years ago a city missionary was crossing one of the parks in New York on the Sabbath day and said to a lad, "What are you doing here, breaking the Lord's day? You ought to be at church and worshipping God instead of breaking the Sabbath in this way." The poor lad in his rags looked up at the city missionary and said: "Oh, sir, it's very easy for you to talk that way, but God knows that we poor chaps ain't got no chance." The sentiment seems to be growing that in the United States the time has arrived when "the poor chaps don't have no chance."
