He was Gaily.

"Were you ever engaged in a train robbery?" asked the prosecuting attorney, looking at him keenly.

"I was never indicted for train-robbing," answered the witness, evasively.

"That is not the question," said the lawyer. "I will ask you again: Were you ever a train-robbler?"

"Judge," said the witness, turning imploringly to the dignitary on the bench, "must I answer that question?"

"You must," answered the judge. "And remember you are under oath."

The witness turned pale and his knees knocked together.

"I suppose it's got to come out. When I was a young fellow I sold books and bananas on the cars for a whole year," answered the miserable man.

Deafness Can't Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever, nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We offer One Hundred Dollars reward for any case of Catarrh that cannot be cured by taking Hall's Catarrh Cure. Price 75c. per bottle. Sold by all druggists.

F. J. Cheney & Co., proprietors, Toledo, O.

An exchange recently contained the following: "Wanted, in most every town in the country, an editor who can read, write and argue politics and at the same time be religious, funny, scientific and historic at will; write to please everybody, know everybody without asking or being told; always have something good to say about everybody else; living on wind and making more money than enemies. For such a man a good opening will be made—in the grave yard."

Bucklen's Arnica Salve.

For sale by Daniel J. Fry, druggist.

In a recent breach of promise case in Florida the letters of the lovers were read in court, and the extravagance of the professions, while not entirely without precedent, indicate an inflated state of the mind that also has been noted even in less ardent latitudes, but is always embarrassing. In a post-script he contracted to deliver to her at their first meeting 100,000,000,000 kisses. A little computation with his pencil would show that, however prolonged the interview of the lovers, the task assigned would be beyond physical capacity. If Adam had kept on repeating the initial kiss without rest for repairs until this time, he could not have reached the Florida figures, at the best time on record. Some exaggeration can be overlooked in amatory literature but it is always well to have in view the sound of the statements in an open and unsympathetic court. Any reasonable girl would be satisfied with 1,000,000 kisses.

This is the season of the year when the raw, cold winds create sad havoc with the hands and complexion. Soft white hands and a clear "peachy" complexion can be assuredly preserved by the frequent application of Dutard's Specific. If rubbed into the skin well it leaves no greasy surface. The skin absorbs it. Sold by D. W. Mathews.

Oregon is one of the most productive states in the Union. Its vast mineral regions contain gold, silver, copper, iron, and coal. Its immense tracts of grazing lands support thousands of cattle and sheep, and its extensive agricultural regions produce all the cereals in abundance, the yield per acre being, in some instances, the largest in the world. Among the useful and valuable products of the Web Foot State may be mentioned Oregon Kidney Tea, which has proved a boon to thousands afflicted with pain in the back and kidney difficulties. It is purely of vegetable composition and never fails. Sold by D. W. Mathews.

It should be generally known that Dr. Henley's Dandelion Tonic induces a hearty appetite and increased digestion, dispels nervous depression and low spirits, overcomes lack of energy and wakefulness and will infuse new life and strength into the weakest invalid. Sold by D. W. Mathews.

For the Public Good.

It is an indisputable fact that the hand-somest vestibule trains that are now run on the American continent are those on the Burlington route, leaving from Union depot in Portland, also St. Paul, immediately on arrival of all through trains from the West. The first and second class coaches are magnificent; the reclining chair cars superb; the Pullman sleepers extremely luxuriant; and as for the meals that are served in those places between dining cars—yummy. The next time you go east to Kansas City, Chicago or St. Louis, or to northern shore of the Mississippi river for a distance of 500 miles, amidst scenery that cannot be surpassed; or if you are making the Oregon Short Line or Southern Pacific, and your ticket reads via the Burlington Route from Cheyenne or Denver, you will pass through all the thriving cities and towns located in what is popularly known as the Heart of the Continent. For further information apply to A. C. Sheldon, General Agent, 41 First street, Portland, Oregon. 4-19d&wt

LITTLE WOMEN

are as a rule, possessed of happy dispositions but when these sweet dispositions become soured and irritable, in consequence of the long train of distressing features peculiar to female complaints, they are then not companionable to say the least. It is the duty, not only of little women, but of all women so afflicted, to bring about the subject, and immediate removal, of these painful maladies. This is easily accomplished by the use of Dr. Pierce's Favorite Prescription, the great specific for "female weakness." It is a positive cure for the most flowing, painful menstruation, unnatural suppressions, prolapsus or falling of the womb, weak back, "female weakness," antenatal, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, and kindred ailments. All druggists.

THEIR BUSINESS BOOMING.

Probably no one thing has caused such a great revival of trade at Daniel J. Fry's Drugstore as their giving away to their customers so many free trial bottles of Dr. King's New Discovery for Consumption. Their trade is simply enormous in this very valuable article from the fact that it always cures and never disappoints. Coughs, Colds, Asthma, Bronchitis, Croup, and all throat and lung diseases quickly cured. You can test it before buying by getting a trial bottle free, large size \$1. Every bottle warranted.

HOUSEHOLD SHOULD BE WITHIN

The majority of the ill of the human body arise from a diseased liver. Dr. J. C. Williams' Pink Pills for Pale People is the means of restoring more people to health and happiness by giving them a healthy liver than any other agency on earth.

VIVID WRITING.

A little descriptive piece entitled "Over the Guns," from the Detroit Free Press, of which we give a paragraph, reminds us that great advertisers, like H. H. Warner & Co., proprietors of Warner's celebrated Safe Cure, might get a hint from it.

Here is the paragraph:

"Shoot to the right or left, over the guns or under them. Strike where you will, but strike to destroy. Now the hell smokes down, even to the windows of the old farm-house—now back under the apple trees and beyond them. Dead men are under the ponderous wheels of the guns, mad devils are slashing and shooting across the barrels. No one seems to know friend from foe. Shoot, slash, kill—and

"But the hell is dissolved. The smoke is lifting, shrieks and screams grow fainter, and twenty or thirty living men pull the dead bodies away from the guns. Three hundred dead and wounded on the single acre. They tell of war and glory. Look over this hell's acre and find the death-though. And in just as deadly a strife, though noiseless, are men falling at our right and left to-day. Is it war? Yes, war of the blood. Blood loaded with poison through imperfect kidney action. And is there no power to stop this awful slaughter? Yes, Warner's Safe Cure, a tried specific, a panacea that has brought life and hope to hundreds of thousands of dying men and women.

Be cautioned, therefore, in the great army of living men and women who have been rescued from disease and premature death, and be eternally grateful that the means of life can so easily be yours.

A FAMOUS BATTLE-GROUND.

On the banks of the Tippecanoe, a small stream which enters the Wabash River in Indiana, was fought the terrific battle of Tippecanoe.

In this great struggle of frontier times the United States Indians under the chieftainship of Elskatawa, the "Prophet" were defeated in November, 1811, by the Americans under the command of Gen. Wm. H. Harrison.

It was a desperate, hard-fought battle, and much depended upon the result.

Had the Indians been successful, all barriers of defence for the early settlers would have been overthrown and the eddy-tonahawk would have been active in the rapid extermination of the remaining pioneers. On the other hand the fortunate termination of the contest put an end to further attempts at open warfare by the Indians. The result, so long overdue by hostile savages, was thrown open for settlement, which rapidly occurred as soon as the news of the great victory became widespread.

Naturally great praise was rendered to the success and intrepid bravery of Gen. Harrison and he was honored in many ways. He afterwards served as Commander of the Army of the Northwest, and when Indiana was admitted to Statehood, he was selected to represent the State in the United States Senate. In 1840 he was elected President and his unfortunate demise occurred shortly after being inaugurated.

The forty-second anniversary of the battle of Tippecanoe, and the great-grand-son of "Old Tip" leading his forces to a great political victory which resulted in the election of Gen. Ben. Harrison as President of the United States.

The Harrisons have been a hardy race of men, sprung from old log cabin stock, which is a sufficient guarantee of its genuineness wherever found. Realizing the truth of this, great effort has been made to rediscover some of the secrets contained in the old log cabin Sarsaparilla, universally regarded as the best Spring tonic and blood cleanser has been found. Not satisfied with the world-side esteem which is held for Warner's Safe Cure, the only cure for kidney diseases, the proprietor is willing to do all that is possible to establish Warner's Log Cabin Sarsaparilla as foremost among household articles on account of its purity and effectiveness.

After all, each individual has, at all times, the great battle of life or death to fight, and for security attention should especially be given to the best weapons which science can offer humanity in the great contest.

If you have a discharge from the nose, offensive or otherwise, partial loss of the sense of smell, taste or hearing, type weeding or weak, feel dull or debilitated, pain or pressure in the head; take cold easily, you may rest assured that you have catarrh. Thousands of cases annually, without manifesting half of the above symptoms terminate in consumption and end in the grave. No disease is so common, more deceptive, less understood or more successfully treated than catarrh. The manufacturers of Dr. J. C. Williams' Safe Cure have, for many years, offered a standing reward of \$50 for a case of Nasal Catarrh, no matter how bad or how long standing, which they cannot cure. Remedy sent by druggists at 50 cents.
