THE CAPITAL JOURNAL.

FRIDAY.....AUGUST 16, 1889

Many years ago one of the Boston insurance companies had an important case coming on, involving a large sum of money, and the solicitor of the company thought it advisable that Mr. Webster should be retained. The president of the company coincided, and handing him a check for one thousand dollars requested him to call upon Mr. Webster and secure his services. He did so, paying him the money; but it happened that the case was amicably settled. Some time afterward, at the suggestion of the president, the solicitor called upon Mr. Webster to inform him that the case would not come to trial, and that the retaining fee should properly be returned to the company. Mr. Webster was amazed. Turning round, he said: "You are a lawyer, and know, or certainly ought to know, the meaning of retainer. It comes from the Latin retineo—retineo, retinere, retenti, retentum; which means to retain—to retain; and I mean to retain it!"

Deafness Can't Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucus lining of the eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflamation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucus surfaces.

We offer One Hundred Dollars reward for any case of Catarrh that cannot be cured by taking Hall's Catarrh Cure.

Price 75c. per bottle. Sold by all druggists.

A Boston matron, who thought it would be quite proper during the session of the Diocesan convention of that state to give a subdued evening entertainment to the members thereof, sent to Mr. S——, the prominent caterer of the Hub, to assist in arranging the details. He asked if she intended to give a dancing party.

"Oh, no!" she replied, "the company will be largely composed of clergymen."

"In that case, madam," said he "I would advise you to provide bountifully; them pious eats dreadful!"

Bucklen's Arnica Salve.

The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, tetter chapped hands, chilblains, corns and all skin eruptions, and positively cures piles or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box.

For sale by Daniel J. Fry, druggist.

During the exercises the teacher asked Georgie if he had ever been baptized. Smallpox and vaccination happening to be uppermost in Georgie's mind, and being rather too young to know the difference between the sound of "baptized" and "vaccinated," and being ashamed to be thought ignorant, promptly and rather pompously answered: "Yes, sir; I have been baptized five or six times; but it never took!"

This is the season of the year when the raw, cold winds create sad havoc with the hands and complexion. Soft white hands and a clear "peachy" complexion can be assuredly preserved by the frequent application of Dutard's Specific. If rubbed into the skin well it leaves no greasy surface. The skin absorbs it. Sold by D. W. Mathews.

"James," said he to his little son, aged eight, "go to the drug store and get me a bottle of soda-water. The little boy proceeded to the druggists, and, seeming to comprehend precisely the nature of the paternal ailment, said, "Please give me a bottle of sober-water for pa."

Oregon is one of the most productive states in the Union. Its vast mineral regions contains gold, silver, copper, iron, and coal. Its immense tracts of grazing lands support thousands of cattle and sheep, and its extensive agricultural regions produce all the cereals in abundance, the yield per acre being, in some instances, the largest in the world. Among the useful and valuable products of the Web Foot State may be mentioned Oregon Kidney Tea, which has proved a boon to thousands afflicted with pain in the back and kidney difficulties. It is purely of vegetable composition and never fails. Sold by D. W. Mathews.

Maud Miller, the girl who deserted her father, Joaquin Miller, to marry a worthless husband, has been exhibiting herself in a Kansas City dime museum to keep the husband alive. A poet friend of her father took her from a tumble-down shanty and gave her a comfortable home at Excelsior Springs, where she is fitting herself for the stage.

It should be generally known that Dr. Henley's Dandelion Tonic insures a hearty appetite and increased digestion, dispels nervous depression and low spirits, overcomes lack of energy and wakefulness and will infuse new life and strength into the weakest invalid. Sold by D. W. Mathews.

For the Public Good.

It is an indisputable fact that the handsomest vestibule trains that are now run on the American continent are those on the Burlington route, leaving from Union depot in Denver, also St. Paul, immediately on arrival of all through trains from the west. The first and second class coaches are magnificent, the reclining chair cars suburb, the Pullman sleepers extremely luxuriant, and as for the meals that are served in those palace Burlington dining cars—yum yum. The next time you go east to Kansas City, Chicago or St. Louis, if you mention to the ticket agent that you want your ticket to read from Denver or St. Paul over the Burlington route, you will get it, and you will always be glad of it.

If you go via the Northern or Canadian Pacific, the elegant vestibule trains of The Burlington Route, between St. Paul and Chicago, or St. Louis, will carry you along the eastern shore of the Mississippi river for a distance of 350 miles, amidst scenery that cannot be surpassed; or, if you go via the Oregon Short Line or Southern Pacific, and your ticket reads via The Burlington Route from Cheyenne or Denver, you will pass through all the thriving cities and towns located in what is popularly known as the Heart of the Continent. For further information apply to A. C. Sheldon, General Agent, 85 First street, Portland, Oregon. 4-19d&wtf

are as a rule, possessed of happy dispositions but when these sweet dispositions become soured and irritable, in consequence of the long train of distressing features peculiar to female complaints, they are then not companionable to say the least. It is the duty, not only of little women, but of all women so afflicted, to bring about the subjection, and immediate removal, of these painful maladies. This is easily accomplished by the use of Dr. Pierce's Favorite Prescription, the great specific for "female weakness." It is a positive cure for the most flowing, painful menstruation, unnatural suppressions prolapsus or falling of the womb, weak back, "female weakness," anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, and kindred ailments. A FAMOUS BATTLE-GROUND.

On the banks of the Tippecanoe, a small stream which enters the Wabash River in Indiana, was fought the terrific battle of Tippecanoe.

In this great struggle of frontier times, the allied western Indians under the chi-"tainship of Elskwatawa, the "Prophet" were defeated in November, 1811, by the Americans under the command of Gen. Wm. H. Harrison.

It was a desperate, hard-fought battle, and much depended upon the result.

Had the Indians been successful, all barriers of defence for the early settlers would have been overthrown and the sadly tomahawk would have been active in the rapid extermination of the remaining pioneers. On the other hand the fortunate termination of the contest put an end to further attempts at open warfare by the Indians. The rich territory, so long overrun by hostile savages, was thrown open for settlement, which rapidly occurred as soon as the news of the great victory became widespread.

Naturally great praise was rendered to the success and intrepid bravery of Gen. Harrison and he was honored in many ways. He afterwards served as Commander of the Army of the Northwest, and when Indiana was admitted to Statehood, he was selected to represent the State in the United States Senate. In 1840 he was elected President and his unfortunate demise occurred shortly after being inaugurated.

The forty-second anniversary of the Battle of Tippecanoe found the gallant grand-son of "Old Tip" leading his forces to a great political victory which resulted in the selection of Gen. Ben. Harrison as President of the United States.

The Harrisons have been a hardy race of men, sprung from old log cabin stock, which is a sufficient guarantee of its genuineness wherever found. Realizing the truth of this, great effort has been made to re-discover some of the secrets contained in the old log cabin stock of useful articles, and as the result, the famous Old Log Cabin Sarsaparilla, universally regarded as the best Spring tonic and blood cleanser has been found. Not satisfied with the world-wide esteem which is held for Warner's Safe Cure, the only cure for kidney diseases, the proprietor is willing to do all that is possible to establish Warner's Log Cabin Sarsaparilla as foremost among household articles on account of its purity and effectiveness.

After all, each individual has, at all times, the great battle of life or death to fight, and for security attention must necessarily be given to the best weapons which science can offer humanity in the great contest.

If you have a discharge from the nose, offensive or otherwise, partial loss of the sense of smell, taste or hearing, eyes watering or weak, feel dull or debilitated, pain or pressure in the head; take cold easily, you may rest assured that you have catarrh. Thousands of cases annually, without manifesting half of the above symptoms terminate in consumption and end in the grave. No disease is so common, more deceptive, less understood or more unsuccessfully treated by physicians. The manufacturers of Dr. Sage's Catarrh Remedy have, for many years, offered a standing reward of $500 for a case of Nasal Catarrh, no matter how bad or of how long standing, which they cannot cure. Remedy sold by druggists at 50 cents.

$100 REWARD. $100.

The readers of the JOURNAL will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh cure is taken internally, acting directly upon the blood and mucus surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength, by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials
