Jealous of His Fame.
No one can be surprised when a man refuses to share his hardly earned fame with another, no matter how kindly his feelings with others may be.

An aspiring young man who had written yards of verses for the paper published in his native town at first used his initials, "J. R. L.," for a signature. Later, however, he omitted the middle letter, and a friend asked him the reason.

"Can't you guess?" said the young poetaster. "Well, it may seem selfish, but I do want the credit of my own work."

"Why shouldn't you have it?" The young man looked sympathetically at his stupid friend.

"My dear fellow," said he, "can't you see how it is? If I use only two of my initials, people will soon associate them with my name; but if I write 'J. R. L.,' James Russell Lowell will get all the credit that belongs to me."

Deafness Can't Be Cured.
By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the eustachian tube. When this tube gets inflamed you have a running ear or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We offer One Hundred Dollars reward for any case of Catarrh that cannot be cured by taking Hall's Catarrh Cure.

Price 75c. per bottle. Sold by all druggists.

F. J. Cheney & Co., proprietors, Toledo, O.

Alarming.
The following sentence, said to be taken verbatim from a law recently passed by the Nebraska legislature, has a very strange and alarming sound. Perhaps a preposition has dropped out of the last phrase:

"It shall be unlawful for any person to fire off or discharge any pistol, revolver, shot-gun, rifle or any fire-arms whatsoever on any public road or highway in any county of the state of Nebraska, or within sixty yards of such public road or highway, except to destroy some wild, ferocious and dangerous beast, or an officer in the discharge of his duty."

Bucklen's Arnica Salve.
The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, tetter, chapped hands, chilblains, corns and all skin eruptions, and positively cures piles or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box.

For sale by Daniel J. Fry, druggist.

"If you want to see the best pig in the country, call on me." This is the way a Cameron county (Pa.) man advertises the fact that he has some likely young swine to dispose of.

This is the season of the year when the raw, cold winds create sad havoc with the hands and complexion. Soft white hands and a clear "peachy" complexion can be assuredly preserved by the frequent application of Dutard's Specific. If rubbed into the skin well it leaves no greasy surface. The skin absorbs it. Sold by D. W. Mathews.

First Physician: Did you succeed with that last patient of yours?
Second Physician: No, he got well; the druggist filled the wrong prescription.

Oregon is one of the most productive states in the Union. Its vast mineral regions contain gold, silver, copper, iron, and coal. Its immense tracts of grazing lands support thousands of cattle and sheep, and its extensive agricultural regions produce all the cereals in abundance, the yield per acre being, in some instances, the largest in the world. Among the useful and valuable products of the Web Foot State may be mentioned Oregon Kidney Tea, which has proved a boon to thousands afflicted with pain in the back and kidney difficulties. It is purely of vegetable composition and never fails. Sold by D. W. Mathews.

For the Public Good.

It is an indisputable fact that the hand-somest vestibule trains that are now run on the American continent are those on the Burlington route, leaving from Union depot in Denver, also St. Paul, immediately on arrival of all through trains from the west. The first and second class coaches are magnificent, the reclining chair cars superb, the Pullman sleepers extremely luxurious, and as for the meals that are served in those palace Burlington dining cars—yum yum. The next time you go west to Kansas City, Chicago or St. Louis, if you mention to the ticket agent that you want your ticket to read from Denver or St. Paul over the Burlington route, you will get it, and you will always be glad of it.

If you go via the Northern or Canadian Pacific, the elegant vestibule trains of the Burlington route, between St. Paul and Chicago, or St. Louis, will carry you along the eastern shore of the Mississippi river for a distance of 350 miles, amidst scenery that cannot be surpassed; or, if you go via the Oregon Short Line or Southern Pacific, and your ticket reads via the Burlington route from Cheyenne or Denver, you will pass through the thriving cities and towns located in what is popularly known as the Heart of the Continent. For further information apply to A. C. Sheldon, General Agent, 85 First street, Portland, Oregon.

LITTLE WOMEN

are as a rule, possessed of happy dispositions, but when these sweet dispositions become soured and irritable, in consequence of the long train of distressing features peculiar to female complaints, they are then not companionable to say the least. It is the duty, not only of little women, but of all women so afflicted, to bring about the subjection, and immediate removal, of these painful maladies. This is easily accomplished by the use of Dr. Pierce's Favorite Prescription, the great specific for "female weakness." It is a positive cure for the most flowing, painful menstruation, unsustained, nervous prostration or falling of the womb, weak back, "female weakness," intermenstruation, retroversion, bearing-down sensations, chronic constipation, inflammation and ulceration of the womb, inflammation, pain and tenderness of ovaries, and kindred ailments. History of Oregon

From the Earliest Period to the Present Time

BY HUBERT HOWE BANCROFT.

Just published, complete in two vols., with index. A magnificent contribution to knowledge. The pride of a people who are proud of their record. A household necessity; a national benefit.

Agents Wanted Everywhere. No one can at all compare with this in interest and importance to the people of Oregon, and to all others interested in the welfare of their country. It contains a record of brave doings, of grand emigrations and permanent organizations. It is the life of an important part of our nation's history, and no true American will fail to secure this work, now for the first time offered separately from the full set of Mr. Bancroft's marvellous historical series in 39 vols.

Ernest, active workers should secure exclusive territory immediately, or they will lose a rare opportunity to mine for themselves.

One needs no experience or capital in this business, for if properly presented the work sells itself, and we give our Agents 30 days' time in which to deliver and collect before paying us. Address

THE HISTORY CO., 723 Market St. San Francisco, Cal.

If you have a discharge from the nose, offensive or otherwise, partial loss of the sense of smell, taste or hearing, eyes watering or weak, feel dull or debilitated, pain or pressure in the head; take cold easily, you may rest assured that you have catarrh. No disease is so common, yet more deceptive, less understood or more successfully treated by physicians. The manufacturers of Dr. Sage's Catarrh Remedy have, for many years, offered a standing reward of \$500 for a case of Catarrh, no matter how bad or of how long standing, which they could cure. Remedy sold by druggists at 50 cents.

A SAFE INVESTMENT. Is one which is guaranteed to bring you satisfactory results, or in case of failure a return of purchase price. On this safe plan you can buy from our advertised druggist a bottle of sumption. It is guaranteed to bring relief in every case, when used for any affection of throat, lungs or chest, such as consumption, inflammation of lungs, bronchitis, asthma, whooping cough, etc. It is pleasant and agreeable to taste, perfectly safe and can always be depended upon. Trial bottles free at Daniel J. Fry's drug store.
